The great pleasure of a dog is that you may make a fool of yourself with him and not only will he not scold you, but he will make a fool of himself too.

Meet the Judges

Dave Jolly

I have worked dogs in agility since 1981. I currently run Jolly Good Dogs agility training, guiding dogs and handlers to fulfil their potential, from beginner to World Champion.

I have judged agility competitions since the early 1980's and successfully completed the Agility Club Judging Examination in 1989 and have been an

instructor on Agility Club judging seminars ever since. I am also a Kennel Club Accredited Judges Trainer for Agility and sit on the Kennel Club's Activities Judging Working Party.

In 2008 Agility Club members at the 25th Anniversary Gala Awards ceremony voted me "Best Judge", an honour I am very proud of.

I judge at all levels and have officiated at most major events in the UK, including the Pedigree Agility Stakes at Olympia, the Agility Championships at Crufts, and the Nordic Championships in Sweden.

Along with my partner, Kate Austin, we compete most weekends in the UK and occasionally in Europe with our 8 Border Collies.

I am known for flowing courses that require good handling skills and to bring out the best in the partnership between dog and handler.

I'm very excited to see agility in New Zealand and feel honoured to be asked to judge at the New Zealand National Dog Training Assembly this October.

Meet the Judges

Amanda Benson

NDTA's are great. Where else to we get to compete all together on the same course at the same venue at the same time (you know I don't mean exactly). Where else to we get to watch the best dogs and handlers in the country vie for the top prizes and have a great social time as well? Being invited to judge at the 2009 NDTA in Mosgiel is an honour and a privilege. Thank you "organising committee". The invitation is all the more special to me because this years NDTA is on my "home ground". I started competing in agility back in 1997 as a member of the Taieri Canine Training Club with my wonder dog Max. If it weren't for Max I wouldn't have become involved in agility and it was after losing him and because of him that I decided to become a judge. My first NDTA was in 1999 in Wellington and now 10 years later I am attending for the first time as a judge. I now have 3 dogs, all competing.

Being a judge adds another dimension to agility. I get to watch everyone's runs and see how each team negotiates the challenges I have set in a course. At the end I get to personally congratulate the winners. I love competing but I also love judging. It allows me to experience our sport from all angles. I am looking forward to seeing your runs and hope you have fun and enjoy my courses. Remember, winning is great but at the end of the day we can be thankful for being able to go home with our best friends. Good Luck to you all.

Nick Chester

I think most people know who I am by now but in case you don't, my name is Nick and I have been lurking around agility events for around 12 years (approx. half my life). Originally from Rotorua, I now call the Waikato home.

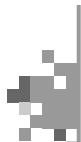

As most people will know, I am from a long line of judges in my family (OK, there are 3 of us, but you can still call that a line, right?). My mother, Ann is an obedience judge and uncle Steve (aka "Chester Classic") is obviously a senior agility judge.

I took up judging in 2004 at the tender age of 19, when I moved to Hamilton to study at Uni. I'm still not entirely sure what my motives were at the time, but I'm glad I did as I really enjoy it, equally as much as competing. I guess one of the things I like is the dignified respect I receive from all agility competitors, who never give me hard time...yeah, right!

I guess that apart from my over the top judging style I'm known for pretty open and fast courses that offer handling challenges at speed.

I've been lucky to judge up and down the country over the years and this is my second NDTA after judging in Christchurch in 2006. I'm looking forward to the 2009 event in the Deep South and catching up with all my agility mates over a couple of Speights. Thanks to the organising committee for inviting me and best of luck to all competitors.

Meet the Judges

Teresa Ford

The last time I did this was 3 years ago. Not much has changed to be honest (apart from the ages!!) I am still Nelson born and bred way back in the mid 70's. I have lived in Christchurch for nearly 3 years now. My family has changed slightly since last time (still starting with who came first):

AgCh Luke – Springer Spaniel x Large Munsterlander (12 years old and nearing a well earned retirement); Kendra – daughter (7 years old – but by the time you are reading this, nearly 8 – that is very important!!!); AgCh Lace – BC (7 years old); Cassie – BC (18 months old); Vince – my lovely partner (age doesn't matter). Last but not least, as I write this we are expecting a (two legged) baby around 7th October. So if I seem a little sleep deprived, you will know why!

Nothing much else to say, except I wish you all the very best for the weekend. See some of you in the ring and I will try my hardest not to wave to you or make a threatening fist at you! Good luck.

Alan McClumpha

I have been involved in the dog world for 21 years and first competed in agility in 1989 with my Border Collie, Quinn. He was disqualified on his first three attempts and I was nearly ready to give up, but on our fourth attempt he won Starters. I remember to this day the buzz that it gave me and that result hooked me into agility. I sincerely hope someone gets that same buzz of a first Starters win this weekend.

Other than a brief foray into Golden Retrievers, I have always handled fast and loose Border Collies. I have been on the judging panel since 1992 and have enjoyed judging at many venues up and down the country.

I am the founding President and a life member of WAG. I served on the former Dog Training Committee and was Chairman of the first Agility Committee until I decided that Schnauzer handlers were best suited to the job.

My partner and I live on a rural property with five Border Collies and in my spare time I am Sales Manager for an equipment manufacturing company.

This will be my third NDTA appointment and I thank the organising committee for the opportunity to judge at this event. I am really looking forward to it. I wish everyone good luck and lots of fun.

Meet the Judges

John Muir

During my time with dog training for the last 35 years, I have been lucky enough to make up an Agility Champion (Delta - who was the first dual Obedience/Agility Champ in New Zealand), and 2 Obedience Champions. I have been in the Zone 1 Agility and Obedience Teams, been judging Obedience since 1979 and Agility when it started in the mid 80's. I have three times judged for the Singapore Kennel Club and, yes, they do Agility there!

I am a Life Member of the NZKC, Hamilton DOC, and Wakatipu Rowing Club. At Lake Waiholo in 1966 (just down the road from Mosgiel), me and my rowing mate gained a National Title in the coxless pair - just to let you know that I am a South Islander at heart (born in Dunedin).

Have been in Aviation all my life doing engineering and test flying aeroplanes in many different countries.

After starting dogs with a Miniature Poodle, I am currently running 2 Border Collies in Senior - Macey (5) and her daughter Flya (2).

Thank you NDTA Committee for inviting me to judge at the premium event of the year. Have an enjoyable and lucky weekend everybody!

Gary Nilsson

Hi. I've been involved in agility since about 1993. At first I was the sideline coach and equipment builder for my wife, Suzanne, and her dog. We very quickly increased our dog quota and I got my first agility dog.

I was fortunate with our first two dogs, both Golden Retrievers. Our first won into Seniors and had a number of wins there – this was before the advent of Agility Champions. Ceilidh – our second Golden – became an Agility Champion and was clocking up more challenges when an injury forced her into an early retirement. (Retirement from agility that is, she never really gave up the bird chasing she was renowned for!). Since then we have trained another Golden to Senior/ADX Gold level, and trained a wee Kelpie up – before she unfortunately crossed over to the rainbow bridge too young. Our current menagerie has one old retired Golden in it – and keeping her company are our two fun and personality laden working dogs, Nike and Rico.

I have been judging since around 2001 and enjoy designing courses and watching the dogs from the vantage point of the middle of the ring. I always design courses I would love to run myself.

Nowadays I am training Rico up – she's not quite 18 months. My daughter's sport and social calendar also keep me busy - away from the agility scene. Not to even mention work and Suzanne's never-ending lists of chores.

I am looking forward to a weekend dedicated to agility in friendly Otago.

Meet the Judges

Elaine Pearce

I purchased my first German Shepherd Dog in 1978 for \$30 and things progressed from there. I have owned 15 GSDs over the years but now own 7 collies and kelpies. I bred 5 GSD litters, had two breed champions and three GSDs who were Excellent graded at Specialist shows. I have competed with a number of dogs in obedience up to Test B as well as gaining my CDX title and training for UD trials. I have represented Zone 5 in both obedience and agility at NDTAs. I now however primarily compete in just agility and flygility but am also dabbling in HTM.

I have been a member and committee member of the Otago Canine Training Club since 1995 and am currently the President, Head Trainer and a Life Member. Prior to that I was a member of the Otago German Shepherd Dog Club, joining that club in 1979. I helped set up agility in Dunedin in 1988 as part of the shepherd club and have been involved in the sport ever since.

I am a “petrol head” and come from a water sports, car and motor cycle racing family. I used to compete in slalom skiing (water), race motor cycles and compete in motor cycle trials until a fairly serious car accident put paid to those sports. Now I do dog agility.

While initially I had reservations about accepting a contract for an NDTA, I am now looking forward to my first NDTA appointment and wish to thank the organising committee for their support

Lyn Sayers

My involvement in the dog world started in 1998 when we adopted a Miniature Schnauzer that we named Jasper. Being the first dog I had ever owned we attended the obligatory Puppy class then moved on to the local Obedience Club.

At one of those evening lessons I witnessed a bunch of folk practising what I later learned was Agility and the rest is history.

Three more Schnauzers have followed all of whom are now competing in Senior, which makes for some interesting quick changes when there are not so many minis competing.

Since receiving my first contract to judge in August 2002 I have been fortunate to receive opportunities to judge all over New Zealand and in 2008 was also invited to judge in Adelaide at the Advance Agility Teams National competition.

NDTA 2009 is my second opportunity to officiate at our premier event and I look forward to having the “best seat in house” for a number of the events. I hope all the competitors are looking forward to the experience as much as I am.

Southerners are renowned for their hospitality and I wish the organisers every success with their planning.

Signature Gear Timing Units

New Zealanders are renowned for embracing new technology and in the Agility Ring it is certainly no different.

Since the arrival of the first machine in early 2004 there has been a slow but steady stream culminating in a grand total exceeding 30 sets in New Zealand with the Australians lagging well behind with 15 sets so far.

The bulk of units sold in New Zealand were funded through various charities, predominately one of numerous "Pub Charities" with the funds being generated by "Pokies".

Despite recent news coverage about the potential restriction to the number of gaming outlets apparently there is a plentiful supply of funding dependent only on the quality of the application.

If your club is interested in making an application for funding I am happy to make suggestions based around what we know has been successful in the past.

NEW CERAMIC FABRIC | FOR DRUG FREE PAIN RELIEF

Simply the easiest way to keep your dog sound.

Back on Track ceramic fabrics reflect the dog's body heat as an infrared wave, a form of energy that has documented pain relieving effect. They can substantially increase circulation, reduce inflammation, reduce swelling, ease muscle tension and speed up the healing process. Back on Track is routinely used prior to competition, in order to prevent injuries, and to warm up the muscles.
