Welcome

Welcome from the NDTA Committee Chairperson

It's that time of the year again!

The Zone 4 Committee welcomes the New Zealand Agility Community to Gladstone Park in North Canterbury's township of Woodend for this year's NDTA. This year's event is the first 'agility only' event but it will also be the last to be known as the NDTA. The progression and growth of agility in New Zealand is now complete with the NDOA and NDTA acronyms being replaced by the 'New Zealand Agility Dog Competition'.

It would be remiss of me not to mention the events in this beautiful city that Cantabrians call home. Day to day we live, hope and pray that things will one day be back to normal. The support we have received from the agility community has been a life line and very much appreciated. To the travellers and visitors to our 'broken city' we welcome you with open arms and thank you for your support. If you are lucky enough to receive a clear round then please take a look at the background on your certificate. For as long as I can remember the Cathedral has been the image that said Christchurch. Like many of the grand old historic buildings that our ancestors built, this iconic building now lies in ruin. I hope that this image brings memories back to you not only of the building itself but also of all the images from the February earthquake where we saw Search & Rescue dogs doing what they were born to do - working alongside their masters.

Where would we be without our sponsors? Once again, Purina ProPlan are the major sponsors of this year's NDTA and on behalf of the committee I extend my personal thanks to Purina ProPlan for supporting agility in New Zealand.

We have been fortunate enough to attract a sponsor for every class to be held over the three days of Labour weekend. You will find a list of sponsors, along with some advertisements through this catalogue along with other material around the grounds. Once again the committee offer our sincere appreciation of these sponsors.

Of course we can't forget our judges? Those amazing people who put so much time and effort into designing courses and keeping up to date with the ever changing world of regulations just so you can enjoy 30 – 60 seconds of madness with your beloved pooch. I would personally like to thank this year's judges and I trust that you all enjoy your NDTA judging experience.

The committee – wow, what a bunch of amazing people! Organising an event such as an NDTA is a difficult experience at the best of times but to be able to put this event on given the circumstances is truly unbelievable. Here are people who have had their lives torn apart by the events of 4 September and 22 February, they have huge work commitments, they are all involved with their own club committees and yet here they are putting in the hours so that this event is possible. To my committee, there aren't enough words to express my gratitude to a wonderful bunch of people.

This competition is all about competing, camaraderie, winning and having a damn good time with your dog. So my plea to all competitors is to do just that, give your dog a pat and remember your Christchurch NDTA experience.

Martin Trimble

Chairperson

NDTA 2011Chair

Welcome from the NZ Agility Committee Chairperson

Hi all and welcome to the last NDTA as we know it, next year it will be re-named as the NZ Dog Agility Competition or NZDAC.

I am very glad that so many of you have supported this years NDTA in Christchurch, we all know they need our support. They have done an amazing job organising this event for you and even as things continue to rumble in the south they hold their heads up high and keep the ball rolling. Well done to all those involved.

I would like to personally wish you all the very best of luck in competing and hope you achieve some of the goals you may have set for you and your dogs....I know a clear round is high on my wish list!! Many of you have travelled a long way to be here so I hope you make the most of your trip and take in all the sights and don't forget the Sunday Dinner and Disco function with the rugby playing live!! I wonder how many John Travolta look a likes there will be attending??

Good luck to all those competing in the YKC event, it is great to see all those kids out there giving it a go and if I must say, usually kicking butt out there with their dogs and showing some exceptional handling.

The Fly tournament should also prove to be exciting and a spectacular event this year. So many really good and fast dogs entered, it should be a great competition to be involved in.

There are a good number of the country's Agility Champs and Grand Champs here so the top-level novelty event the "Champ of Champs" will be tough at the top and the pressure will be on. I can't wait to see it.

The finals always prove to be an exciting event showcasing those that have done well in the proceeding days. If you end up in the finals there is a term I have heard of that you may find encouraging. "Balls to the Wall" which basically means run hard and no regrets!!

Lastly a big thank you to the organisers for the ongoing work put in to make this an event to remember and the judges for what I am sure will be top class courses.

PS. Good luck to all zones for the interclub team competition may the best Zone win.

Have fun out there and good luck everyone,

Cam List

Fouling

Please toilet your dog in the designated areas. please pick up after your dog and place in the bins provided around the venue.

Parking

Parking will be clearly marked as to where you can go. Please refer to the map to see designated parking areas.

General

Please ensure that your dogs are kept on lead at all times unless they are competing.

There are to be no dogs left tied up or unattended loose behind cars, trailers etc. We will have Public coming and going, so we want our dogs and the public safe to walk around.

Course Walking

These will be prior to the start of the class.

Class Breaks

At the judge's discretion there could be a 10 minute break during the class, this will be advised on the day.

Reporting

You must report to the call steward (with your dog) no less than 6 dogs before you are due in the ring. The call stewards have been instructed to have 6 dogs ready at all times.

Handlers are required to line up in the collecting area where you will give the dog's number to the chute steward who will tell you when you should go to the start line.

If you are not present 6 dogs before you are due to run your number will be moved to the end of your height group. If you are not present then you will be scratched.

Running Order

We will run in strict running order, but competitors should check their numbers and places and move their dogs if necessary before the class starts. You must, however, if running multiple dogs, run them in the same order as the catalogue.

Please be aware that there could be changes in the running order and keep an eye on the boards.

When your number has been called, and you have been identified by the call steward, you are to remain in their sight and be prepared to enter the ring immediately you are requested to do so. Your dog must be ready to run as soon as the previous competitor finishes their run. Please wait until the call steward tells you that you can start your run.

Clashes

It is the handler's responsibility to ensure that clashes do not occur. Agility call stewards will co-operate with rescheduling your run but please do not wait to the last minute before asking to be moved.

Disqualification

In the case of an off course or 3 refusals you may continue but please refrain from repetitive training. In the case of a dog fouling in the ring the handlers must clean up after their dog and leave the ring.

Please leave the ring immediately if asked to do so by the judge.

Practice/Warm up

Must not be done in any of the competition rings at any time. Practice/Warm up rings have been provided.

Change of Handler

Please advise the results recorders of any change of handler **before** the start of the class. This can be done by filling in the "Change of Handler" form found upstairs outside the results recording area. If you do not advise at this time, clear round certificates will be printed with the handler as listed in the catalogue.

Scratchings

Prior to the start of the class please complete the "Dogs Scratched" form found upstairs outside the results recording area. After the class has started please inform call steward for your ring.

Disputes

Please refer this initially to the Ring Manager who will endeavour to resolve your problem or refer the matter to the Disputes Committee.

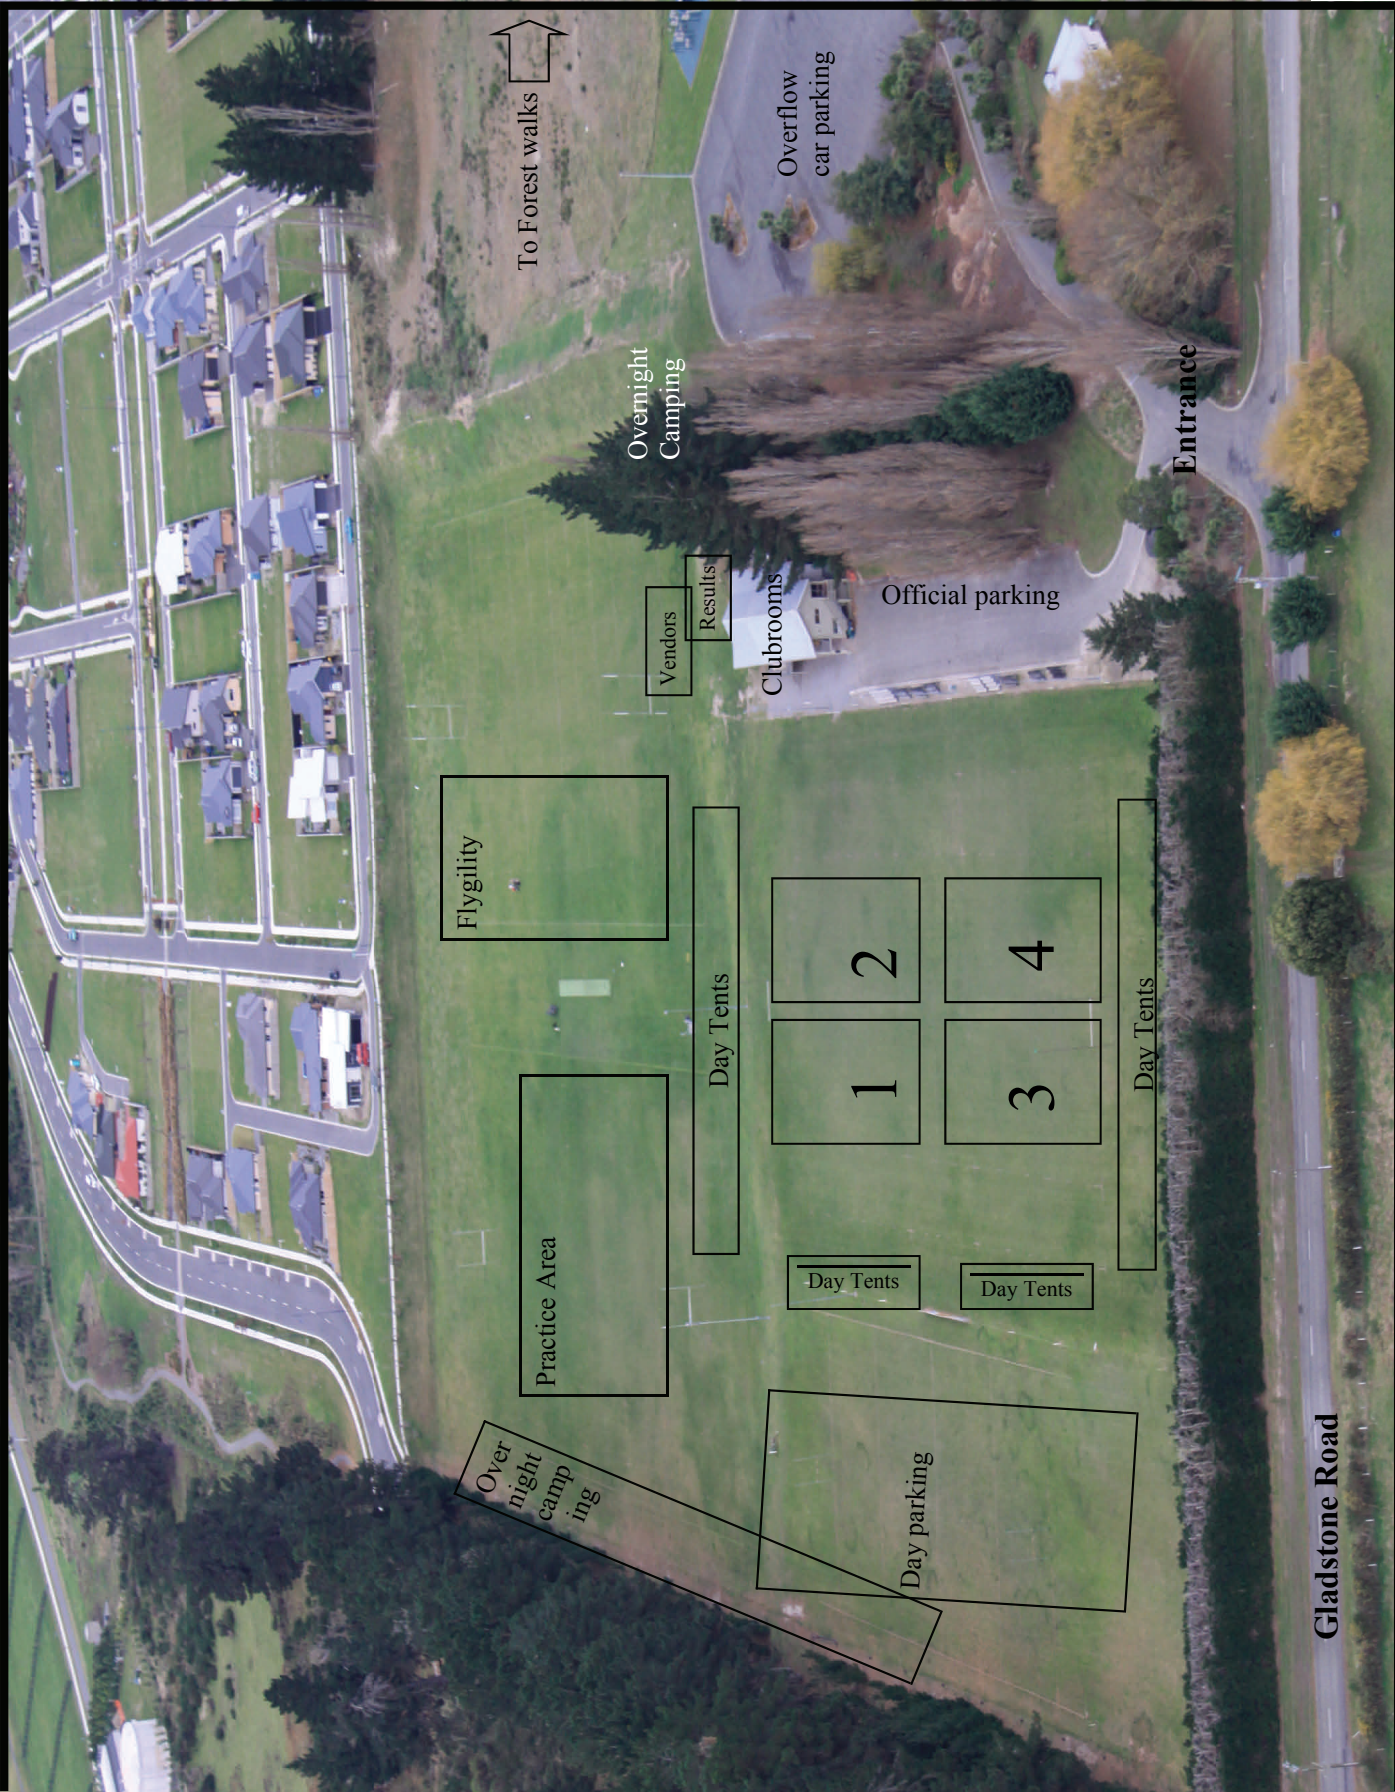

Clear round certificates

For unplaced competitors CRCs should be available for collection from the bar upstairs approximately half an hour after completion of the class.

Map of Venue

Gladstone Park,
Gladstone Road, Woodend

Interclub Agility Competition

Any club which is registered as an Agility Society with NZKC can enter up to two teams to compete for the trophy. A team comprises of 3 handlers and dogs, with no more than two dogs eligible for the same classes in any one team - therefore teams may be made up of any of the following combinations.

Dog 1	Dog 2	Dog 3
Starters/Novice	Novice/Intermediate	Intermediate/Senior
Starters/Novice	Starters/Novice	Novice/Intermediate
Starters/Novice	Starters/Novice	Intermediate/Senior
Novice/Intermediate	Novice/Intermediate	Starters/Novice
Novice/Intermediate	Novice/Intermediate	Intermediate/Senior
Intermediate/Senior	Intermediate/Senior	Starters/Novice
Intermediate/Senior	Intermediate/Senior	Novice/Intermediate

No dog or handler can compete in more than one team.

The competition will be run over show 2 which is scheduled for the afternoon of Saturday the 22nd of October.

The winning team will be that which gains the most points on the following basis.

First place 10 points down to tenth place 1 point with team members gaining an additional 1 point for a clear round regardless of the place gained in the class.

Entries will also be accepted at the NDTA venue up to Midday on Saturday 22nd October.

Entry is \$8 per team.

Agility Finals

Finals Qualification

Qualification through to class finals will be based on 5% of entry numbers per split class (per height). Minimum of 3 qualifiers from non-split classes. Below is a table of the numbers of qualifiers for each class.

	Starters			Novice			Intermediate			Senior			Jumpers C		Jumpers B		Jumpers A	
Class	1	2	3	1	2	3	1	2	3	1	2	3	1	2	1	2	1	2
Mini /Micro	2	2	2	2	2	2	2	2	2	2	2	2	2	2	2	2		
Midi	4	4	4	4	4	4	5	5	5	3	3	3	4	4	3	4		
Maxi	2	2	2	3	3	3	4	4	4	3	3	3	3	3	3	3		
Total	8	8	8	9	9	9	11	11	11	8	8	8	9	9	8	9	3	3

Top Dog

There will be a top dog award for each height group. Points will be awarded in each agility and jumpers class. 10 points for a 1st placing, down to 1 point for 10th.

The Sarah Top Dog Trophy

This will be awarded to the dog that achieves most points over all heights. eg: the class will be combined as if not split and the 10 points awarded to the fastest dog over all heights.

Judges Profiles

David Cook

G'day from the south! I'm David Cook from the Otago Canine Training Club, born and bred in the jewel of the south, Dunedin!

I've been involved in agility since 2001 when my partner (now wife! - Anne) and I thought we'd have a go and see what happened. Well ten years have passed and we've added a dog or two (and even a baby!!!) to our 'pack'.

I'm not going to name all the dogs or what they've done, but the highlights for us would be making four of the dogs up to Agility Grand Champion and representing zone 5 numerous times at the NDTA teams event.

'Likes' in agility would be the diverse breed of dogs and ages of handlers competing.

Some wonderful people you meet from around the country, especially when you put 'faces' to names at NDTA's etc. The endless supply of 'baby holders/minders' at shows which enables us to still run all our dogs – you guys are

awesome! It's also nice to see some of Jax's many kids growing up and competing.

I started judging four years ago as all our dogs were in intermediate/senior and thought it might fill in a gap at the shows judging starters/novice. Obviously that plan was flawed from the beginning!

My courses would probably be described as on the 'harder' side of their level. I try and design courses which are different and unique, which when run are flowing and give handling options so everyone has a chance at a clear round. Fortunately Anne doesn't mix words and lets me know which courses were good or bad!

This is my first time judging at an NDTA and

I sincerely thank the organising committee for not only asking me to judge but also for the huge job they've undertaken in running the event.

Good luck to all at the NDTA 2011!!!

Allan Rohde Pukekohe

I have been involved in Dog Sports for almost 20 years now starting with the Wairarapa Dog Obedience Club and later moving to Counties Dog Training Club. Although I enjoy competing and doing well, I also like being involved in all aspects of dog sports from instructing and judging through to committee work at both club and national level.

This will be my third time judging at an NDTA and I still consider it an honour to be asked. I hope my courses will provide the appropriate challenges and that competitors find them enjoyable to run..

I am fortunate that my family also shares my enjoyment of dog sports which does have the benefit that there is always someone available to run my dogs when I am judging. It also means the long drives to and from competitions are not lonely ones although some may debate that is a benefit.

Dyson Beasley

Firstly I would like thank the NDTA Committee for the invite to Judge, as this is my first invitation to Judge at an NDTA and I treat it as a great honour.

As Chairperson of last year's NDTA I appreciate all the hard work that goes into putting the show together and I commend all the hard workers that have done the work before the show and all the workers over the weekend!!

I first started out many years ago in 1993 with my Boxer at the Mount Club under the guidance of Jan Murden, this is where the sport of Agility was well and truly set in stone as something I wanted to do for as long as I can.

Between then and now I have represented Zone 2 in Obedience and Agility many times with my Boxers and

also my first border collie (Scandal), who is also my foundation bitch for Mordor Kennels. My most memorable achievement to date would have to be making up my little red girl Rumur to an Agility Champion. I also get great pleasure watching the pups I've bred doing so well with their owners.

I joined the Agility Judges Panel 5 years ago. I really enjoy designing courses for all levels that are fun to run, yet still have a challenge to them. I love meeting new people from all over the country and think it is fantastic that you can meet and make so many great friends.

I would like to wish all competitors the best of luck, enjoy your weekend with your dogs and good friends have fun!!!

Alan Willox

Alan grew up in Auckland and had his first German Shepherd at the age of 16.

He has successfully competed in Agility, Obedience, Working Trials and was the first New Zealand handler/dog combination to gain ADX and Schutzhund 1. The same dog (Zeb) also gained CDX and UDX.

He contributed to the Auckland Provincial German Shepherd Dog League for 15 years, both in instruction and the Agility Display Team. Alan was also the chairman and a foundation member of DATA (Dog Agility Training Association) during the inception years of agility in New Zealand. After leaving APGSDL he started the agility at the Counties Dog Training Club.

Alan has represented Zone 1 in Inter Zone Agility at the NDOA, won an Agility event at the Nationals and had the top Agility dog in Zone 1 for three concurrent years. He has had two dogs reach the senior level of competitive agility and heading dog Jody attain Agility Champion.

Alan joined the judging panel in 1990 and has judged extensively throughout the North and South Island.

Alan is currently working as a Canine Trainer for the MAF Detector Dog Program and with two young children at home finds he has less time for agility although he continues to enjoy owning a German Shepherd, Juno. He is looking forward to

catching up with old friends and watching great partnerships at work in the Agility ring.

Martin Bush

It's hard to believe it's only about twelve months ago that I was doing a profile for the Taupo 2010 NDTA – time really flies when you're having fun!

I guess that I'm reasonably well known around the tracks in both islands but if you don't know me I run a relatively unknown agility breed being the Belgian Shepherd. You'll probably hear my girl "squealing" away as she does her thing, doing her thing probably being the operative phrase here. We've had three other Belgians competing – two of which have AGCH titles and are the only ones in New Zealand to achieve that. The first we trained was only one Senior win away but retired before we got there.

Last year was almost a baptism of fire to be drawn to judge the Senior Teams event in ones first ever NDTA but ultimately that course turned out to be a real spectacle – a daunting ask to follow up with judging all the teams classes

this year but hey, gotta do what ya gotta do! I hope you all participate with the fun and spirit in which this event is meant to be enjoyed with. Support your HZ and have fun with it!

As always, it is the highlight of a judges career to be invited to judge at the premiere NZAC Agility Event of the year. I thank the organizers for asking me to judge again this year, I'm really looking forward to it and catching up with friends from far and wide.

2011 NDTA promises to be a lot of fun, we can only empathise with the people of Christchurch at what they have and are going through and thank them and the organisers for

their efforts in bringing this event together. Drink in the atmosphere - (maybe some more than others!), appreciate what has been organised for you in trying times but most of all catch up with friends, enjoy your time at 2011 NDTA and have a great time!

Joanne Rennell

My name is Joanne Rennell & I live in Invercargill and train at the Southland Dog Training Club. I have been involved with dog training & Agility for the last 8 years, ever since I got my Jack Russell/Blue Heeler cross "Midge". She is currently senior/jumpers A. She led to a 2nd dog – a Parson Russell Terrier called Ruffy – he is now in Senior/Jumpers B – so with a mini & a Micro – i am usually very busy in those classes.

I have been on the agility judges panel for the last three years and I am honoured to have been asked to judge at this year's NDTA. I hope I do the occasion justice.

I am aware of the potential for a small dog bias in courses and I hope I manage to achieve courses that suit all sizes of dog – flowing but with challenges where appropriate.

I would like to see everyone have a great time at the NDTA this year, preferably without too many shaky moments.

Kirsten Graves

My involvement with dogs started from the moment I was born. We had a family Labrador called Cindy who was my constant companion, often guarding my pram as mum popped into the shop. (You couldn't do that these days!) Cindy and I did all sorts of important things together like bringing in the milk, fetching the newspaper and of course she offered her tail to pull me around the kitchen floor in my socks. Well perhaps not "offered" her tail, but I distinctly remember her having as much fun skidding around as I did. We had three family golden retrievers after we lost our beloved Cindy, and that kind of set the scene for me. As soon as I owned my own home I obtained my first Golden Retriever and haven't looked back.

I have been involved in agility for around seven years now, and am probably known by most of you. I live in Auckland and am a member of Counties DTC. I have run two Golden Retrievers in agility across the years, Kaia (Gingernut) and Karisma (White Dog), who is now in Senior. I have stepped out of my comfort zone and recently acquired Key (Mud Rat) a 7 month old BC/Heading dog cross. I think there are quite a few people looking forward to being

entertained by my efforts to keep up with this slightly faster version when we attempt to get in the ring... Despite this slight change of breed, it is still my goal to make a Golden Retriever up to AgCh one day.

I have been judging for 2.5 years now, and really love it. I love setting fast open courses and watching partnerships challenge themselves. I just love seeing the dogs having a great time and a huge smile on a handlers face when they achieve a course challenge. This will be my first NDTA as a judge and I am quite looking forward to it. I have been practising judging on my wobble board so that I can continue to judge even if we have one of those earth moving moments for which Christchurch is now famous.

It would be fair to say that NDTAs for me are

more about the social side than the competition. I am looking forward to catching up with everyone again and watching some fantastic runs from the best seat (standing position), in the field. Good luck to all competitors over the weekend and I hope everyone has a hell of a lot of fun at our premier event of the year! Remember to take good care of yourself and your dogs, and travel safe.

Campbell List

Giddy all,

Well for those that don't know me I have been in agility Since late 2003 when I entered my first ever class, Starters Jumpers and the old girl won it. She was my 1st dog and I have to say that was the turning point for me in agility I guess.

From there in the short time till now I have done many things, starting out as a nobody handler to competitor, class instructor, agility coordinator, vice president, agility judge, senior judge, AC member, Vice Chair to now the Chair of Agility NZ!! What a road and in such a short space of time... Lucky I have such an understanding wife that has now got her own dog and he may even make an appearance in the ring at the NDTA!!

I have always said that my dogs are my pets first and foremost and this little (BIG) blip on my life's radar is just a hobby. BUT as you have just read, this little hobby of mine is now firmly in my blood and I will always try and do my best for the sport I have grown to love and enjoy.

Now you may want to read about my judging bits as you

will all be very interested about what you may see in my courses at the NDTA assuming you haven't all run them yet. I like an open style course with a few traps and call offs, but in all my courses a clear round is not a given. You must earn it and you will see that you have to be able to handle the course. No they are not hard but don't let you or the

dog get lost or you will run into some sort of trouble. They are all doable and doable at a good speed but with just enough in there depending on the class that will keep you all thinking and handling the whole way home to the finish line.

I have been given the honour of judging at the NDTA for the 1st time and I can't wait. I have many appointments in my time as a

judge and sometimes I don't know where I find the time. It will be great catching up with all my South Island pals and having some laughs I am sure (probably at my expense no doubt).

Look forward to seeing you all there and hopefully the ground may stay still long enough for me to see those contacts!!

YOUR DOG WILL THRIVE ON TASTE AND

The NDTA 2011 Flygility Tournament will be run according to New Zealand Flygility Dog Association rules. These can be found on www.flygility.org.nz. Please ensure you are familiar with the rules as they differ slightly from NALA rules.

Briefing will start at 1pm and will be followed by Beginners, then Senior and then Teams. Prize giving will be held at the conclusion of the whole tournament. Teams will run on Intermediate course as a Novelty class and no points will be awarded.

Judges are: Allan Rhode for Beginners, Elaine Rhode for Senior and Carole Logan for Teams. Tournament Manager is Misha Baxter from Selwyn Dog Training Club.

All dogs shall wear a leather or fabric collar (not a chain collar) to enable the handler to restrain the dog while waiting its turn. **Holding the dog by the scruff of the neck, or other parts, should be discouraged. Any harsh handling by a handler will not be tolerated.** We are expecting public attendance and wouldn't like to promote any of above behaviour.

Zone Teams

Zone 1

Starters

Rosemarie Baker and Kenzy

I have been involved with domestic animals for many years. I was a Veterinary nurse for 13 years, also an Auckland SPCA Field Officer for 13 years. The past 14yrs I have been a Territory Manager for a NZ Dental Product Company, which is rather different to Vet nursing etc.

I first started out in Obedience with my lovely Rottweiler. I joined the Akarana Dog Training Club in Auckland where I became the Secretary for 4 years and a trainer. It took a few years before I got the agility bug. Now I'm hooked, it just gets better and better.

I first started agility about 15 years ago with my lovely Staffie Titian (Teeshin). She was my first agility dog and a mini. Titian was an outstanding dog, I retired her at 11years, although she still enjoyed attending shows and doing the odd run for no points. I had also been running my first Mini, running two dogs was a challenge.

That was my first Border Terrier, Tamalee in 2004. Although Tamalee is happy to do agility most of the time she doesn't have the passion for it like Titian.

So in 2008 I got my second Border Terrier, Kenzy. She loves everything, full of beans, quick to learn and will give anything a go. So I have begun to enjoy the sport again. After being persuaded by a fellow agility buddy, we began with what is Kenzy's second most favourite sport....Fly. A touch difficult at times with the long legged dogs she is drawn against. But she gives it her all and has achieved two semi final ribbons in under a year, along with a few points here and there.

Kenzy has gained one clear AD, JD, a total of 70 clear rounds, 21 ribbons/rosettes with a multitude of placing's and now the opportunity to represent Zone One.

When I entered the trials I never thought I'd make the team. It is very exciting to be attending my first NDTA and to be representing Zone One in the Teams event is an extra bonus.

Novice

Craig Owen and Brooke

I have a rugby and touch rugby background with fishing thrown in to the mix as well. Agility became an interest when my wife started some years ago with our black lab. Agility became much more serious when we made some great friends and acquired our first border collie Brooke in early 2007, it meant a ute with crates and a lot more travel and training. Border collies have now taken over our life and house, although there is still time for fishing. Brooke and I were novice dog and handler for zone 1 in 2010 and I am very pleased to represent zone 1 again this year in Christchurch.

Intermediate

Mel and Blue

I got Blue as a freebie off a sheep and beef station in Little River, Canterbury. He was up for rehome due to his nervous temperament and apparent unwillingness to work.

From the moment I started training him Blue has shown an amazing passion for the sport, and he can be seen at any trial dancing with excitement as he watches the ring.

Blue is from working bloodlines, and was bred by Ken White. His rough history has created some challenges and frustration, but he is now competing at senior level in agility, and is developing a real style when working sheep.

He is an awesome dog to train and I am so glad that I took him on.

Senior

Elaine Rohde and Flare

Flare is an 8 year old red and white border collie bred by John and Raewyn Muir.

Flare has a mischeivous nature and likes to steal articles from the training bag or my pockets. She takes great delight in being the centre of attention and has been known to sit in the middle of the ring with a toy in her mouth waiting for someone to chase her.

She also loves brushes, brooms and vacuums, making housework very difficult.

Flare has been a regular member of the Zone 1 team over the last 4 years. Flare has an amazing ability to transfer the necessary skills and drive to compete in agility and then be able to perform the control and standard to complete a test C obedience test.

Our greatest acheivement this year was winning 4 Jumpers A and becoming a Jumpers Champion, making Flare a triple Champion. Our next goal is becoming a Double Grand which is not far away.

Zone 2

Starters

Rebecca Holland and Aero

Hi my name is Rebecca Holland though everyone knows me as 'Becks' and together with my Border Collie Aero Dynamix of Mordor (Aero) we are the 2011 Starters representative for Zone 2.

I have been a Member of the Napier Dog Training Club since the beginning of 2009 and have been on the committee for the past year and a half.

Aero is coming up 2 years old and in our short time competing in Agility together is showing great potential and thinks it's the best thing in the world (apart from me of course). Her endearing personality and zest for life has completely won me over and makes her not only my dream dog but my Best Mate!

I started my agility career in 2005 with my now retired Heading Dog X Gemma at Hawkes Bay Dog Training Club where I very quickly became hooked on the sport, Gemma was a wonderful 1st agility dog who was a very consistent performer and managed to win into Senior and achieve ADX adv Gold! Unfortunately she had to be retired at an early age due to injury.

This is both my first time as a team representative and my first time in the South Island so really really looking forward to the whole experience

Novice

Sue _____ and Elle

Elle became a member of our team at the age of 3 when her owner became unwell.

5kg lighter she is enjoying her life as an agility dog. Her present handler really enjoys it too.

Intermediate

Lyn Sayers and Jayme

Lyn Sayers started Agility with the family pet Jasper, a Miniature Schnauzer. Actually owning a dog long after his children had flown the coup was something of an accident, as was finding out about the addictive effect of Dog Agility. Now, 12 years on and a few Schnauzers later, Lyn is retired from full time employment and living on a five hectare property just north of Taupo on the central plateau of the North Island. He has been competing in Agility since 1999.

Jayme is Lyn's third dog and despite some early issues relating to confidence and weave technique has proved to be extremely reliable and fast for her size. She was made up as Agility Champion in January this year.

Senior

Daryl Hogg and EyeC

Eye C is my fourth dog I have trained to do agility, but the first who has had no competition obedience training. This is the 3rd year in a row that Eye C and I have represented our zone, twice as intermediate dog and now senior... Eye C loves to go swimming, rolling in unpleasant things and eating :)!

We live on a lifestyle block between Hastings and Napier with Craig my husband and our other two red and white border collies Orbit and Tag.

Panda (maxi sheltie) was my first agility dog, he represented zone 2 four times and Leda my first red and white border collie once. I have been a member of Hawke's Bay Dog Training Club for 24 years and have been an instructor as well as serving on the committee for the majority of this time. Agility is a great sport to be in, training/ competing around the country and meeting so many neat people who share your passion.

Zone 3

Starters

Carol Meilink and Meg

After losing my much loved and crazy Afghan x Lab oscar known to many as Horse, my daughter knew I was missing agility so kindly let me have meg to train. When Meg isn't planted on your knee or mooching up to you she will be out hunting with Emily's partner.

This is the second time for me to have the privilege of competing in the team trials. Meg is just starting to mature I have found her fun to train and very enthusiastic, I enjoy the challenge of training different breeds, although I'm sure I have a few more grey hairs. Meg is in starters presently and has just recently won her first placing in novice.

She's frequently getting 2nd and 3rd placings in starters, but the illusive 1st is still in our sights hopefully it will be at the NDTA 2011.

Novice

Karen de Wit and Goodee Goodee two shoes JD (DEE)

Karen has been in the teams for Zone 3 and 4 a number of times, but this is the first time with Dee, and the first time in Novice! Dee puts all of her tiny body into agility, and her mark for enthusiasm would be A1. Running Dee is like running Formula One with no brakes, Karen is looking forward to the challenge – watch this space as anything could happen!

Intermediate

Peter de Wit and Quick

Quick is an amazing dog and **running with her is a heap of fun**, a bit like driving a sports car without brakes. She loves to run, jump and chase a ball of any type. She also loves the clam shell paddling pool to cool off between just about every run at training, such is the effort she puts into training.

A natural swimmer, when we go to the river she makes her way to the middle, points herself upstream and paddles away for ages. 2010 was a big year, in April, with Mel's Bailey, she produced a litter of 8 lovely puppies, and in November a cancerous lump was found on her breast and she has a mastectomy immediately. She has recovered well and became New Zealand's first jumpers champion in January this year. We look forward to representing Zone 3 in Intermediate this year

Senior

Elaine Herve and Eddie

Eddie came in to my life as an out of control, slightly obnoxious 12 month old. I quickly turned to the Feilding DTC for help. After the domestic class we gave obedience a go but he was still too unruly so it was decided to give agility classes a try.

Eddie was nearly 3 before we attended our first championship show and in the last 6 years he has regularly taken me to competitions all over Zone 3. His honest, consistent approach to agility has earned him the nick name 'Steady Eddie' and he is always a pleasure to run. Last year I changed jobs and we are now members of DAWG.

In May this year I nearly lost Eddie to a twisted stomach and major surgery, so it really is a privilege to be able to represent Zone 3 at this year's NDTA.

Zone 4

Starters

Sandra McHugh and Finch

Hi I am Sandra McHugh and this is my nearly 4 year old lovely Irish Terrier Finch. I have been a member of a wonderful club CCATS for about 18 years. We live in the shaky Eastern Zone of Christchurch. Luckily our house is only a bit cracked but in the green Zone so it is fixable. So far we are all a bit stirred but not shaken.

I work in a lovely school South New Brighton School Primary. Work has many poo trucks running around serving the toilets and portaloos. The children are very well practised at diving under the tables curling up like a turtle when a 'shaky, shaky' happens. The shakes have settled down, a bit, at the moment, hopefully coming to an end! Finch has such a friendly nature. Soon she will become a Canine Educator to work with children in my classroom. She is really good at cleaning up the food on the floor in my junior classroom.

About three years ago I called up Dorothy Horne an Irish Terrier breeder and asked if she had an Irish available that would enjoy agility. She did have a bitch that I could have, would love to be worked and was just finishing off breed champ. The deal was that she can come to live with us and go back to the farm to have one litter. I agreed and Finch came to be a suburban North Beach girl.

Finch had a huge amount of learning to do coming from being an outside kennelled dog to an indoor suburban chick. She attended the Dunedin NDTA but being just 19 months and not fully trained and being in the past a breed show dog she had a great time but pooped in the ring twice through sheer excitement of running a course!! How embarrassing. We managed to get around some courses. After that she had her litter and five lovely red pups whelped

back on the breeders' farm. Every time I called up or went to visit to check on Finch's progress Dorothy would say darn agility dog keeps on jumping out of the pen and coming back inside. Dorothy commented that no other bitch has done that before. That must have not been comfortable jumping with all the low hangers!!

We got over all that puppy stuff after a long rest then back to agility training. Finch had about 3-4 months work and then we went to the Taupo NDTA. With a bit more experience under Finch's belt we managed a few clear rounds. But you guessed it another poo in the ring. Embarrassed on both islands now. Hopefully that problem is solved. I really look forward to attending NDTA's and watching the great characters of agility that turn up every year. I also enjoy watching handlers that you hear about, over the year, running wonderfully skilled dogs. I am sure this event will be a fantastic one. See you there.

Novice

Vanessa Trimble and Force

Hi my name is Vanessa Trimble, I have been involved in the great sport of agility for the past 16 years (the first 4 as a spectator while my husband Martin competed). Force is my second agility dog and a hell of a lot calmer than my first (the beautiful Spice :o)) I really liked Graeme Lawsons Troy and decided I wanted a Troy puppy. We were lucky enough to find Relko Tearc (Brenna) owned by Jim Barrett. Their first litter produced 6 pups and my journey with Force began. He lives at home with me, Martin, James, Emma and 7 other dogs, 1 cat, 1 sheep and a few chooks.

Force is affectionately known at home as "The Princess" as it is believed I pander to his every whim - he is definitely a mummys boy! For the past few years I have instructed the Waimak Young Guns - it is very rewarding watching the kids grow in confidence with their dogs. There are some fantastic junior handlers out there that have no problem holding their own on competition days. I am very pleased to be representing the Zone at this years NDTA and look forward to a great weekend.

Intermediate

Natasha Neame and Tricot

Tricot is a 6yr old tri-coloured heading dog, who lives in Blenheim with myself and nic and 6 other dogs and 2 cats.

This is Tri's 3rd time representing our zone, she has been in novice and intermediate, and managed to win both times. Being part of last years winning team was a awesome experience. Everyone's support was amazing, one of the reasons I love this sport!

Tri absolutely lives for agility, Gives it everything and definitely gets itchy feet between events. We are currently working towards becoming Blenheims first Grand ch & Jumpers ch.

We are very proud to be part of our great team and will work hard to defend our title!!!

Go HZ4!

Senior

Lisa Duff and Zoom

Woof, woof - My name is Gr Ag Ch Zoom and I am seven and a half years wise. I was born and bred in the Omarama Hills and was originally destined to move stropo sheep around a high country station. This all changed when my owner Lisa Duff, moved me to Christchurch with high hopes of turning me into a cracking agility dog. I think I must have done ok as my Mum keeps calling me a superstar! My mum is working hard to get me to collect one hundred of those funny blue certificates that everyone loves to get. I am not sure why, but I know that we are getting close.

Well my Mum has decided that we should have another go at the team's event this year. I just hope that she doesn't break herself just before the event like last year; otherwise I will need to help my Dad around the course again.

This will be my fifth year representing the Zone and I hope to do my bit to keep the Shield in Zone 4. My main aim will be to keep my Mum on her toes by making sure she points me in the right direction and that she runs fast!

See you all at the NDTA 2011. Zoom

Zone 5

Starters

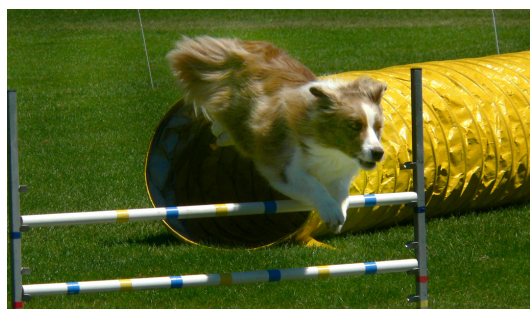

Joanne Rennell and Jake

My Name is Joanne Rennell and I am running my honorary dog Jake – officially known as Jake Andor Petal CDX.FD . He is a 6yr old Lab cross. Jake was acquired to get his dad out of the house after a major motorcycle accident – this brought Jake to the Southland Dog Training Club – where he learnt obedience – wanting to do Test C before he could do special Beginners – Flygility – which he loved and agility. He is a retired Test A dog and has achieved as high as he can in Gun Dog Field Trials – winning the Limit class at the Southland Gun Dog 75th Jubilee in 2009 so he is now a retired Field dog trialist too. He is extremely willing and just loves to do anything. This my first time as a team member for Zone 5 and I only hope my nerves don't get the best of me and I can hold up my end of the team. Go Zone 5!!!

Novice

Rae Evans and Bounce

Bounce is a lovely 4 year old chocolate border collie bred by Carolyn Parr. Bounce just loves life and is quite the clown. It has taken him and I 2 ½ years to reach an understanding of each other in the ring. He is very exuberant and loves agility. I am indebted to Paul Russel for the part he plays in keeping Bounce sound. I am an Animal Control Officer for the Gore District Council, a role I have held for 10 years. I am also a part owner together with my husband Marty in Pukerau Boarding Kennels. We have owned the kennels since 1995. As you can see, my life revolves around dogs one way or another.

Intermediate

David Cook and Jinx

I'm David Cook from OCTC in Dunedin. This is my 5th time representing Zone 5 in the teams event. This year I'm running 'Jinx' or 'Skelletto' to her friends – as she could never be accused of carrying too much weight!

Jinx is owned by our good friend Lisa Cross who I recruited from a dog park many years ago – something I've regretted when she's pipped me on the podium on many occasions!! j/k!

Lisa has done a fantastic job training Jinx. One thing for certain when she's running – whatever happens, it's going to happen quickly!

Highlights running Jinx have been winning an intermediate and Senior at last years NDTA, and of course qualifying for the zone team this year.

Low point – Jinx pulling up lame 3/4 around last years Junpers A final course and being broken for many months.

Good luck to all the Zone teams.

And my quote of the weekend..... “ there are three types of people in this world: Those who can count, and those who cant.”

Senior

Anne Cook and Juice

Im Anne Cook from OCTC in Dunedin., this is my 8th time running in the team but first time running Juice which is great because I'd run out of things to say with the older dogs!

This year has certainly been a busy one with getting married and adding a baby to our family, working and training dogs. It was very strange not competing for 6months so I have enjoyed getting back into it. We no doubt will get back into more shows with Juices younger sister Jolt starting very soon.

Juice is a wee bitch we bred from Davids experienced Campaigner Jax. She is a very exciting little dog, to run, and has certainly made me move and react a lot quicker than I am used to., well hopefully!

Running a young dog again certainly makes you appreciate the relationship and understanding you build with each dog over the years.

With having the time off and being fairly young she doesn't have any credentials to her name other than one 1st place challenge but hopefully, fingers crossed she will someday soon!

Thanks to Paul Russell who looks after our big team and keeps them running.

Good luck to all the other Team members and GO ZONE 5!!!!
