Otaki K9's and Bulls for provision of the majority of gear, also Helen Carter

Thank you to Nicole Robinson who took most of these photos and to everyone else who shared photos of their dogs.

Time Table of the Events

8.45am Friday – All Flygility participants assemble at the gazebo on the back football field.

9am Friday –Welcome followed by Parade of Teams

Advanced will not start before 11.30am

Lane 1- Teams competition

Followed by Advanced

Lane 2 - Intermediate start approximately 10 minutes after the team's event finishes

Prize giving will be at the completion of the last race.

Important Notices

Balls –Pick up all balls - broken balls straight to rubbish bin

Poo – pick up and put in rubbish bins. Exercise your dogs in the designated areas

Time constraints – be ready to race and have your dog at the area. There will not be time to go back and forth to vehicles. No vehicles allowed on the back field or at the Flygility ring.

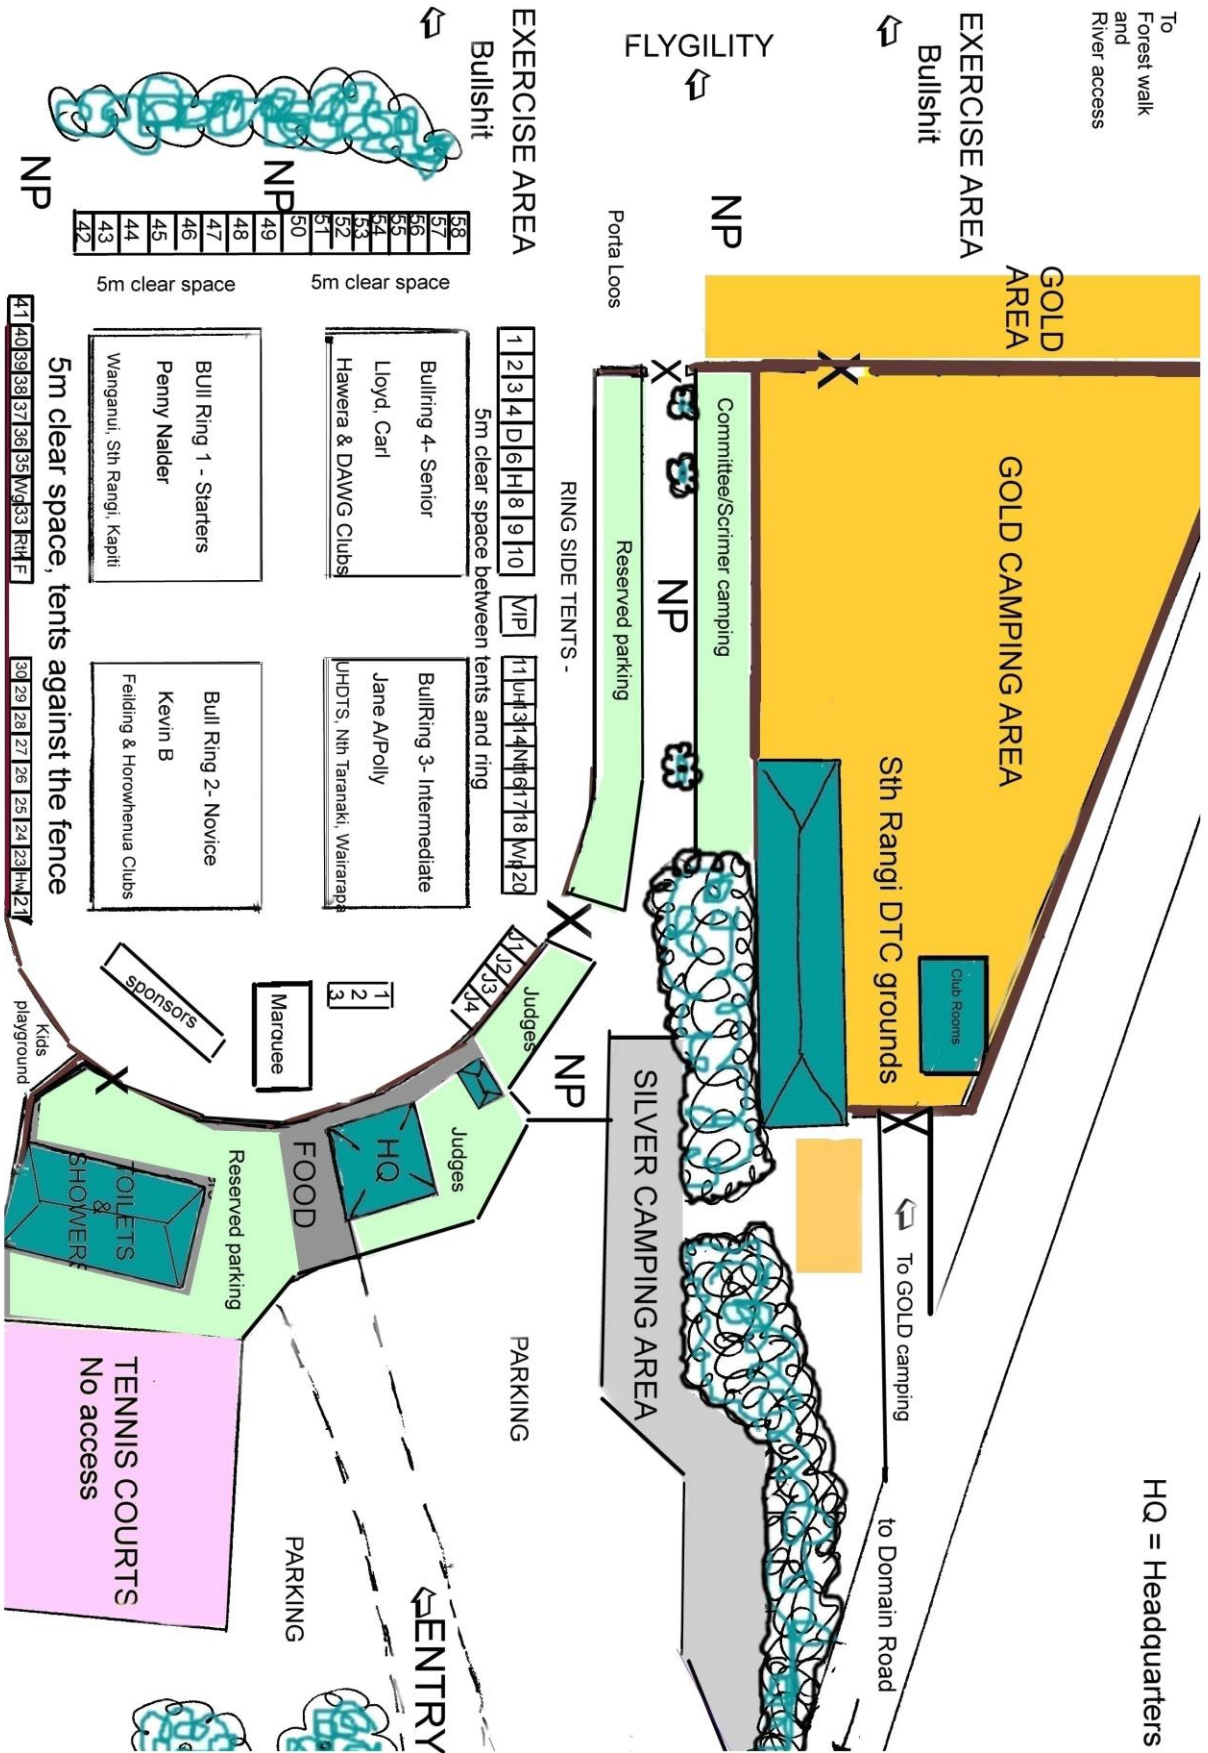

Multiple dogs per handler - You will need to have your dog at the fly area with someone to hold it or in a crate

Clashes – wherever possible we will accommodate you. Let the lane manager know if you have a clash

Disputes Committee – A.Rohde, N.Wagener, E.Herve

Judges profiles

Elaine Rohde - Intermediate

Pukekohe

I first became involved in Flygility in the mid-nineties while we were at the Wairarapa Dog Training Club. I remember attending shows at the Avalon club where they ran a team flyball competition as part of their agility shows. This kindled our interest in the sport and flygility started to be run about that time so it was not long before I was giving it go. I found it extremely rewarding and began competing in the NALA flygility competitions.

Allan and I travelled to Orewa in February 1997 and attended our very first Flygility Competition as well as taking in Counties Inaugural Agility Show. I became hooked as both our dogs Chico and Shot gained their first points.

Flygility has changed a lot since then, courses are different, dogs are so much better with improved training methods. I remember having to carry log books to each competition which recorded your dog's points and chasing after Judges to sign off your points after each class.

I have trained Rocket to Grand Flygility Champion and Shot, Flare, and Bolt to Flygility Champion. My other dog Windi is just a few points off becoming Flygility Champion as well.

I would like to thank the NZDAC organising committee for asking me to Judge and look forward to an exciting competition.

Shirley Hall - Advanced

I have been involved in Flygility for 11 years when i started to run my first dog scotty, I am currently running two dogs and find the sport a good challenge and the dogs love it, which is what it is all about if my dogs are having fun then the same goes for me. good luck everyone for this year's NZDAC

Shirley Hall

Elaine Herve – Teams

I consider myself to be still a new comer to Flygility starting in the sport only 3 years ago when I moved to Porirua. My Merlin loves Flygility and it is without a doubt his favourite sport, he has his FDX and working towards champion. I also compete with Eddie who much prefers me to race him around an agility ring, but very pleased he has achieved FD for all his efforts.

I have seen a few changes in the sport over the last 3 years and it is pleasing to see more dogs being successful especially at the intermediate level of the sport.

I am looking forward to judging the team's event and seeing some of the awesome visiting dogs I don't usually get to see race.
