Welcome

On behalf of the rest of the NZDAC Committee, I would like to welcome everyone to the 2014 New Zealand Dog Agility Championships in the heart of Country Music - Gore, Southland.

A lot of planning has gone into this event, and I would like to thank everyone involved with bringing everything together to result in what we believe will be a great event.

A huge thank you must go to the sponsors of this event - in particular our main sponsor - Eukanuba - without the support of everyone, this event would not be the extravaganza we have dreamed of.

I would also like to thank the judges - without their willingness to spend hours designing great courses, stand out in the middle for hours on end, and focus on each and every dog that starts their course we would be having a very boring show. Please remember to acknowledge them standing out in the Gore Sunshine (doesn't matter what the weather is - in Gore it is sunshine).

I really want to thank my fellow committee members - I could do it by name but they have all done too many things to name without either missing out some important thing they have done or even underselling their contribution to this event by mistake - So instead I simply say - Thank You.

We hope that this is a memorable event for all the right reasons. Please respect your fellow competitors - do the best you can and most importantly - Have Fun with your dog!!

So in anticipation of a great weekend of fantastic agility - I welcome you all to Zone 5 - the defending inter zone champions!!!! - Go Zone 5.

Change of Handler

Please advise of any handler changes before the start of the class by completing the "Change of Handler" form found outside the Show Secretary area.

If you do not advise before the class begins, clear round certificates will be printed with the handler name as listed in the catalogue.

Clashes

It is the handler's responsibility to ensure that clashes do not occur. Call Stewards will reschedule your run, but please do not wait until the last minute before asking to be moved. If you have multiple dogs, you must run them in the same order as the catalogue.

Class Breaks

Judge's breaks have been scheduled in the classes, but it is up to the judges to decide whether or not to take them. The timing of these will be determined prior to the class. Speak to the call stewards for details.

Clear Round Certificates

Clear round certificates for unplaced clear rounds will be available for collection following the end of the class. CRCs will only be produced for standard classes, not for the finals or Inter-zone

Course Walking

Walking will be prior to start of each class – please follow instructions and listen to the PA system for messages. There will not be split course walks. There will be a fairly long period of time, around 30 minutes, for each course walk, so everyone should have plenty of time to walk the course. Please be considerate of others when walking and not stand in the way. There will be a 5 minute break between course walking and the start of judging to allow ring helpers and the first teams to assemble. There is to be no course walking during this time.

Disputes

If there are any disputes, please advise a member of the disputes committee – Wayne Grant, Reece Smith, David Cook, Jason Buckland, Lisa Duff

Disqualification

In the case of a disqualification you may continue, but please refrain from repetitive training. In the event your dog fouls in the ring, please clean up after your dog and leave the ring immediately.

As always, please leave the ring immediately if requested to do so by the judge.

First Aid

The first aid kit will be located in the Show Secretary office

Fouling

Please toilet your dog in the designated areas.

Please pick up after your dog and place in the bins provided around the venue.

Please keep an eye on all of your dogs - to ensure you don't miss any natural deposits.

Functions

Functions are BYO, Under the Maitara Licensing Trust Alcohol is not sold in supermarkets only at bottle stores.

General

Please ensure that your dogs are kept on lead at all times, unless competing or in the practise ring or fouling areas.

NO dogs are to be tied to stakes, trailers, cars or other items. Due to the publicity we have carried out, we are expecting a lot of public to the event.
Dogs are to be contained in cars, trailers, crates or tents, so that the event is safe for all.

Please come prepared for this, as the committee members will ask you to relocate any loose or tethered dogs.

Goodie Bags

Goodie bags are available for registered competitors. The bags also contain your ordered badges & keyrings, catalogues and social event tickets.

So please do pick them up! They will be available from HQ from 2pm until 4pm Thursday and from the Secretaries office from 9am until 12:30pm on Friday.

All bags are labelled with names, so please pick up the correct bag.

If you are taking someone else's bag for them, please make sure they get it. I know the goodie bags are really cool, but it isn't cool when people miss out.

Harsh Handling

Please note that no physical or verbal abuse of dogs or harsh handling will be tolerated at this show.

This is our National show and we will see some runs and combinations that are the absolute pinnacle of our sport. We are expecting handlers to put their best foot forward in all areas, including the way in which you treat your dog.

In the event that any harsh handling occurs, it will be dealt with in accordance with Agility Regulation

5.4.1. If any handler is cited under this regulation, the instance will be reported to the show disputes committee, who will decide whether the instance will be reported to the Agility Committee, and possibly from there to the NZKC. The show disputes committee will be treating any instance of harsh handling very firmly. Any handler infringing under the harsh handling regulation may be subject to sanctions including disqualification from further competition on the weekend.

Maximum Course Time

Time will be called or buzzed if you reach maximum course time. Please leave the ring immediately if this happens, without completing any more obstacles.

Parking

Please park in the designated areas.

Practise/Warm up

This must not be done in any of the competition rings, at any time. A practise ring has been provided for your use.

Reporting for your Run

You must report to the Call Steward (with your dog) at least ten dogs before you are due in the ring.

The Call Stewards have been instructed to have five dogs ready at all times.

If you are not present ten dogs before you are due to run, you will be moved to the end of your height group. If you are not present at the end of the height group, you will be scratched.

When your number has been called, and you have been identified by the Call Steward, you are to remain in their sight and be prepared to enter the collecting area when you are requested to do so.

Handlers are required to line up in the collecting area where you will give the dog's number to the Chute Steward who will tell you when you should go to the start line. There will be three dogs in the collecting area ready to run at all times. Your dog must be lined up before the first obstacle and ready to run as soon as the previous competitor finishes their run (you may still have your dog's lead on at this stage if you need to). Please actually be ready to run!! Do not take off your hat, your jacket, your treat bag, shake your dog's paws, do a few tricks and then ask the judge if they are ready. All of this must be completed before you are lined up to run. Please do not start the run before the judge is ready.

We have large entries to get through at this event. Please be considerate of the judges and other competitors by following these rules and moving through quickly. This includes no training in the ring. If you need to repeat a contact or obstacle, you may do so, but you must leave the ring immediately after the repeat.

Result Queries

There will be no scoreboards at this event. Draft results will be posted under the results gazebo as soon as practical after an event is complete. Please check the results within half an hour of the event completion. Once half an hour is past, any changes will be entered and displayed as the final results.

Please do not interrupt the Show Secretaries with any results queries.

Please complete the "Result Query" form found outside the Show Secretary area.

Your query will be investigated and you will be contacted with an answer.

Running Order

We will run in strict running order, however competitors should check their numbers and places and move their dogs if necessary before the class starts. If you have multiple dogs, you must run them in the same order as the catalogue.

Scratchings

If the dog is scratched for the entire day or weekend, please complete the "Scratchings form" found outside the Show Secretary area.

If the dog is scratched for individual classes, please advise the Call Steward so they can be scratched on the call board and complete the scratching form located ringside.

Sponsor (Eukanuba) Product

If you have won some sponsor's product – well done! You will be eligible for sponsor's product if your prize envelope has an Eukanuba sticker on it. Product will be available for collection at specified times, please listen to announcements for those times. Please present both your ribbon and the envelope to receive your product.

Stalls/Sales

Only people who have paid a stall fee are entitled to have stalls and sell products and services at the NZDAC event. No other products or services can be sold, and these will be asked to be removed or pay a stall fee.

Judges Profiles

Irene Lock

I have always enjoyed judging agility since I went on the panel in 1990 and have made so many friends over the years. I always love watching the dogs and handlers working as a team and enjoying agility.

I would like to take this opportunity to let you all know that I am retiring from the judging panel with effect from the 31st December 2014.

A very big thank you to everyone for all the good times and fun times during my time on the judging panel. I will still be running agility with Millie but watching from the other side of the ring rope.

My very best wishes to you all for a great show this weekend.

Nick Chester

How is it possible I am writing another judge's profile for NZDAC already? Time seems to move faster these days, or maybe that's because I am now into the "Dirty 30's". I don't know, but I have now been judging for ten years, and reckon I have judged about 300,000 dogs, given half a million faults and become really good at making up courses and false facts during that time. I wouldn't say I'm the best looking judge in NZ, but I'm in the top 1. This is my fourth time judging NZDAC and the second national event I will have judged this year, after being at the Australian Nationals in Brisbane. They thought I was as mad as you all do, they just weren't used to it like you are. When I'm not judging I'm usually fighting crime in Gotham City. Good luck to all competitors at this year's event. And remember, it isn't whether you win or lose, it's where you place the blame.

My Greatest Inspiration is Luis Suarez. When judging, I can dive as well as he does, and soon I will start biting handlers who annoy me. So watch out. WAG are also willing to sell me to any other club for \$50 million.

I grew up thinking that dog agility people were normal and representative of the wider community. This helps explain a number of my debilitating behavioural issues.

I am proud that I can use the potty all on my own now.

The Best thing anyone has ever said to me is 'The Police have dropped all charges, you are free to go'. I need to have alone time with the mirror every day.

Paul Taylor

I am honoured to be part of the judging team for the 2014 NZ Dog Agility Championships.

My greatest inspiration is looking at all of the new training methods and challenging myself to set courses that will allow people and dogs to show what they can do. I grew up thinking that as a mainlander I would finish up my working life in Christchurch but now I am not sure.....

I am proud that I have met so many wonderful people while doing agility in New Zealand and a few other countries. The best advice that anyone has given me is to keep doing something while you think that you are making a difference but to stop as soon as you don't. Every day I remind myself how lucky I am to have good health and caring family and friends.

I would like to close by wishing everyone enjoys their dogs and has a great time in GORE!!!!

Libby Ellery

I first became involved in dog sports approximately 30 years ago when I rehomed a crossbred dog and went along to my local obedience club for basic obedience training. My instructor convinced me to take part in a competition where I won a ribbon and became hooked! We competed in both obedience and agility for several years gaining our obedience champion and senior agility dog status. At this time I decided I'd like to give something back to the sport so joined the judges panel in agility followed a couple of years later by becoming an obedience judge. I continue to compete and currently work a Border Collie in Obedience and agility and another re-homed cross bred in agility

My main involvement is still judging throughout the country in both disciplines. I have judged at the National Dog Show in 2006, 2007, 2009 & 2011 and National Dog Obedience Assembly in 2007, 2008, 2010 and was lucky enough to fulfill an appointment judging in Singapore in August this year.

I am very involved in the sport in a number of other ways including FDTC committee, NZYKC, OJA and training others.

My love for the sport has grown over the years, I have met some wonderful people, been inspired by many and had the privilege of judging and competing with the best in New Zealand.

I'm very much looking forward to my appointment at the 2014 NZDAC in Gore where I will have the opportunity to judge some fantastic runs by the best dog & handler combinations in our country!

Martin Bush

AKA: President Bush, sir, and Blind Pr.k among others...

By now most of the South Islanders will have had a good chance to find out who I am after five sojourns south so far this year.

It seems quite fitting that my last trip south this year will be for NZDAC and I'm looking forward to it. You will finally get an opportunity to see me run my Belgian and no doubt offer some critiques 😊

I've been involved in Agility for the past 15 years or so and have run Belgian Shepherds in all that time.

In 2007 I joined the judges fraternity and have really enjoyed creating courses (some real horrors in the early days but I learnt!) and seeing people enjoy themselves running them.

It going to be a long road trip to get there so hoping the pooches travel well for that time and distance.

Safe journeys everyone, looking forward to being part of the big event, to catching up with you all and most of all having fun!

Thanks to the NZDAC committee for asking me to judge, I'm sure we'll all have a great time.

Finally I had these questions given to me to answer - here are the answers, have fun matching them with the questions 😊

Keep going, beer, sex, faster!, I'm an angel

The Best thing anyone has ever said to me is.....

I need to have..... every day.

=====

Ron Frater

Ron was born at an extremely young age. Despite this, he is now only slightly older than his teeth. His school years were difficult and upon turning 16 he decided it was time to enter the workforce and finally say goodbye to kindergarten.

With an IQ rapidly approaching double figures, he found work as an apprentice taxidermist. Unfortunately, he lacked confidence, and when told to complete a job on his own he possibly should have found a better way of expressing this, rather than saying to his boss "I'd prefer it if you stuff yourself".

Ron took his subsequent unemployment hard. After 21 years without work, in early September 2001, he rang the depression hotline, which, due to budget constraints, was now routed to a Pakistani call centre. Ron said he felt suicidal and the operator got all excited and asked Ron if he knew how to fly a plane. He didn't, but he felt better after talking to the nice Mr Bin Laden.

With no skills and little to offer, Ron eventually realised the obvious career for him was politics. In an attempt to ride off the success of the Prime Minister, Ron changed his name to "Don Key", but all he did was make an ass of himself.

Ron later unsuccessfully auditioned for the part of Luke Skywalker in the Star Wars sequel. He thought he'd be a shoe in given his brother was cast as Darth Vader, however instead he was offered the role of Yoda, as the director spotted the opportunity to save money as there was no need to apply make-up or prosthetics and still have an exact replica of the original character.

When asked to judge at this year's DAC, Ron felt suitably qualified, as he owns a pair of daks. The difference in spelling did initially confuse him, however, he then realised that one should occasionally change one's daks. (There's not too much gets past this chap - he's sharp as a bowling ball, or as he often says "you won't catch me with my trousers".)

The committee has asked Ron to respond to specific questions, which he answers as follows:

My Greatest Inspiration is.....Taiwan's 2013 Weight Watcher of the year, Mee Phat Kow

I grew up thinking that..... I might be indecisive (though I really couldn't make up my mind about it)

I am proud that I..... am the only person I know whose father and brother are the same person

The Best thing anyone has ever said to me is..... oh I can't decide, it was either "Luke, I am your father" (which was actually true, given that it was said by my brother) or "do you want fries with that?"

I need to have every day..... them Taiwanese special health meals, as recommended by 2013 Weight Watcher runner-up, Shee Tu Phat. As Shee says, "For best lucky special weight loss, choose McWongald's Big Mac happy happy meal but switch to supersize DIET Coke. For super best extra result, eat only four happy happy meal per sitting. Thanks to McWongald's supersize DIET option, in just one year I go from 265 kg to 264 kg!"

So there you have Ron's full profile, as told to me, Saul Bull-Zhit.

(mmmm, McWongald's)

(yes, I'll have fries with that)

(#watch_that_kilo_melt_away)

(sorry about all the brackets)

(do I have to change my DACs next month too?)

Nic Furby

Hi All

Welcome to my world. I grew up in the Northern Territory of Australia and I like warm weather - guess it's why I like Marlborough.

To those that don't know me I have been competing in agility for about 16 years now and I have been a judge for about 6 years. I have loved every minute.

I love my GSD's, There is just something about them. I have run many different breeds from a Beagle to a Gordon Setter.

This will be my first time judging at an NZDAC, So thanks for the opportunity zone 5, I hope everyone enjoys my courses.

I also love motor racing. I still have an RX7 speedway car at home, even though it is looking very sad - lol. My Favourite car is a Mazda RX2 - I hope I

can get another one soon.

If anyone wants to know I love Russian Fudge and Nestles Milky Bar (Wink Wink)

Well Good Luck to everybody - I am sure you will all have fun.

Nic Furby

Martin Trimble

The 'Big Show' is nearly upon us! I would like to thank the organising committee of the 2014 NZDAC for inviting me to judge. It is indeed an honour to be an integral part of such a special event. This is my first stint at judging at NZDAC after having been in agility for too many years than I care to remember and being on the judge's panel for the last five of those years.

Agility has been part of me and my family's life for over 20 years. Vanessa and I both began our training at CCATS where we both got involved with instructing and terms on the Committee. With our shift to North Canterbury we became members of the Waimakariri Dog Training Club some 10 years ago and we are still there helping people new to the sport and those not so new!

For us, agility is a family affair. We have had the pleasure of watching our two children, James and Emma, grow up with the agility community. We still watch the early videos of James running Simba and Emma running Millie and while we laugh at the crazy things they did we also reflect on how much they and the sport have grown.

We currently live on a 2 acre block in Mandeville with our 10 dogs, 2 cats, some sheep and chickens. Sometimes I think we are mad (well maybe that should be all the time) but it is the life we have chosen and so far no complaints.

My greatest inspiration has been Doc Brown from 'Back to the Future' - who wouldn't be inspired by the man who invented the flux capacitor!

I grew up thinking that I would be a professional sportsman or something other than an accountant!

I am proud that I managed to write this Bio all by myself - bit of an effort for such a quiet and reserved person like myself!

The Best thing anyone has ever said to me. Would have to be the physio at Christchurch Hospital after I dislocated my elbow at the Central Hawkes Bay show back in 2003. As he strapped me into the arm straightening machine he said - 'just relax, this won't hurt a bit' - yeah right. On second thoughts, maybe it should be when Vanessa said 'I do' all those many years ago.

I need to have time out listening to music pretty much every day.

Best of luck to all those attending the 2014 NZDAC and also to those fortunate (or unfortunate) enough to be running my courses - I hope you enjoy the whole experience.

- Results will be calculated on the class being unsplit

Interzone Teams

Zone 1

Starters – Toni-Maree Hancock and Frost

I started agility four years ago with a mad blue two year old border collie x heading dog named Maddi. I needed something to keep her overactive mind and body occupied and that led us to WAG. On the first night of term a life-long member of WAG said once bitten there is no going back and here I am four years later with my second dog Frost.

Frost came to me two years ago as an oversized ball of fluff and today is still an oversized ball of fluff measuring in at a massive 574mm! Frost is the polar opposite of the midi bitch I had in mind for my first “official” agility dog. But he has fitted into life living with Maddi who has

now sadly retired due to illness. Despite his massive size Frost has been fun to train. He has taught me how important shaping and body awareness is. He is always willing to give something a go and works through his failures quickly. He has recently achieved his JD title.

This is my and Frost’s first time trying out for the Zone teams event and we now have the privilege of representing Zone 1 as the starters dog at NZDAC Gore. I know he will be giving 100% and so I will be giving him and the team 100% on the day.

From Frost and me we wish everybody the best of luck for Gore NZDAC 2014. Have fun with your dogs and friends in the South Island.

Novice – Allan Harrison and Jewel

Jewel (Little Miss Sunline) is a 6 year old New Zealand Heading Dog.

I have been involved in Agility since 1992. Beginning with the Auckland Canine Agility Club, then Akarana and for the past 18 years the Counties Dog Training Club.

Jewel and I represented Zone One at the last NZDAC held in Bulls. We are again proud to be representing our zone and are determined to give our all to help our team win the Interzone Trophy for Zone One.

Jewel is a Flygility Grand Champion and currently heads the points table with in excess of 500 points.

Jewel has been the best medicine helping me to adjust since my stroke in 2011 so we could continue as a team.

Wishing everyone a safe and enjoyable weekend.

Intermediate – Allan Rohde and Flick

Flick is a five year old red and white border collie. She was bred by my wife Elaine from her very successful Flare so has a very hard act to follow. Having primarily run heading dogs in the past, I found Flick so much easier to train than they were. She is focused a lot more on what I want her to and I really enjoy running Flick as she tries hard to please me. She still gets a little excited at times and has been known to forget her task as her profile photo shows..

Flick loves agility and will run for anyone. She runs particularly well for my daughter Hayley and some people have said she should run her all the time. I don't think so.. A little while back, Louise Marsh ran her for me at show that I was judging at and she did very well. Flick was in line for top dog except my handling in the few runs I got with her let the side down. She has also been handled by some YKC handlers and well with them. I am looking forward to running her in the inter zone teams event and just hope we can put it together on the day..

Senior – Kathryn Martin and Volt

Hi there! My name is Kat and I am lucky enough to be owned, trained and loved by an awesome little dog named Volt. Volt is a 7 year old working dog, who always tries her hardest and loves to please. She is a special little girl who has taught me so much and has certainly taken me on the ride of a lifetime! At 2 years old Volt decided that judges were going to "get her". She would walk around the ring, hiding in tunnels and would run back to the car in an effort to get away from them. After a year and a half of entering shows just so I could work her around the rings, take her toy in and get the judge to give her a pat, I was almost ready to give up.

I decided I would enter her in one last show. I sat her on the start line, lead out and released her. Expecting her to break into a jog, I waited for her to catch up, when she shot past me barking and having a great time! We ended up winning two novices that day and she has never looked back. Volt went from starters dog to Agility Grand Champ in 2 years and is an absolute joy to run. Aside from agility Volt loves to show off her tricks to all her 'fans' and loves nothing better than to spend the day rounding up sheep. This is our first time being in an agility team and we are honoured to help return the cup to its rightful place. Go Zone 1!!

Zone 2

Starters - Karen Morrison & Jedi

My name is Karen Morrison and I've been competing for just on two years now with Jedi in Agility and dabbling in Rally-O and Obedience from time to time. Jedi (think Star Wars) is my first sport/agility dog and much like everyone else I've become quite addicted to this sport! I reside in rural South Waikato (very central to many places) with my husband Kevin and our other Border Collier, Diesel. I am a member of the Tokoroa Dog Training Club.

Career wise I have worked for Fonterra Co-operative Group for 14 or so years in various roles in our Global Ingredients & Logistics Network – however I've always had a passion for Complaints Managements which led me to my current role of 2 yrs as Sales Operations Complaints Manager. Between work and dog agility there is little time for much else however if I do find myself with time on my hands I love to travel, go to the movies, spend time in the garden and generally be outdoors.

Novice - Daryl Hogg & Scenic

I was very fortunate to have Scenic passed on to me 18 months ago when she was 9 months old... her previous owner Gwyn decided she needed a more active lifestyle than she could give her. Thank you Gwyn, Alex and Chelsea Marriner for letting me have "Fly" Scenic - TomTom, Craig and I love her very much. Scenic loves lots of cuddles and is a perfect "couch potato" in between chasing birds, doing agility and playing with TomTom.

Agility has been my sport and passion for over 2 decades now, and I recommend it to anyone who loves to train and compete with their best friends. I have been a member of Hawke's Bay Dog Training Club ever since we got our first dog Shah (doberman) 28 years ago and have done obedience, fly agility and agility over this time. In this time span I have had four of my dogs representing Zone 2 in the agility teams events: Panda (Sheltie), Leda, Eye C and now Scenic (Bc's).

I would like to thank every one who has helped me with my dog training and given me so much support. Many special friendships have been made over the years.

Intermediate - Lyn Sayers & Jaime

Lyn and Jayme are well known both in New Zealand and Australia and they have National titles in both countries. Jayme has been in a Zone team once before and at 8 years of age is arguably at her peak. Zone 2 has been Lyn's home region for the last four years and prior to that competed in Zone 3. Jayme is Lyn's most successful Schnauzer of the five he has competed with and currently features at the top of the competition league for both Senior and Intermediate. We are concerned that Jayme may be addicted to corn thins.

Senior - Dyson Beasley & Rumur

I am really looking forward to Gore, I love my trips down south, great to catch up with friends and enjoy watching the different dog / handler combinations compete.

This year I am competing with Rumur in Senior, this will be my first time as a Senior dog handler in the Inter Zone Competition so really looking forward to this challenge.

Earlier this year we competed at the Australian Nationals, Rumur and I had a great time and came away with a few Australian titles. I'm hoping we can follow on from that trip into the New Zealand Nationals in Gore.

Here in New Zealand we have some amazing Dog / Handler combinations and this is the one Show during the year that we see the best competing against each other which I find so exciting not only as a competitor but also as a spectator.

I wish everyone the best of luck competing at this year's NZDAC !!!

Dyson and Rumur

Zone 3

Starters - Bronwyn Burnette & Morgan

Morgan's story began on a trip to the UK in 2010. My husband Kevin was in the Paw Blacks NZ agility team and ran a borrowed dog Harry - Touchango To Boldly Go (later to be known as "Uncle Harry") in the IFCS World Agility Champs.

We fell in love with this brilliant line of working Border Collies and so I hatched a plan to get one of these beautiful dogs for myself. A year later my dream came to fruition, and baby Morgan arrived on the plane from England.

He quickly learnt how things work down under, plus we pretty promptly slapped some Zone Three colours on him so he would learn all about his new Kiwi identity!

Now three years young, he is competing in Jumpers A, Novice and Intermediate with both Kevin and me.

He has a lovely friendly disposition, and is a real hit with the ladies. A real snuggler who loves his cuddles, but prefers the action and excitement of agility!

Aptly named after the classic English racing car, Morgan is a very keen, enthusiastic and powerful boy.

I just love running him - always a wild and exciting ride!

Novice - Donna Tofts & Dash

Dash and I are relative newbies having only started training for agility 18 months ago at DAWG. I remember being told that it wouldn't be long until I became hooked and my life, as I knew it then, would be changed for forever. To begin with they said I would have to ditch my Mini Cooper as it was totally inappropriate for transporting my dogs and agility gear around the country. Dogs they said because I would want more than just one dog, most people have at least two; and it wouldn't be long before my backyard was filled with a numerous array of agility

gear. On hearing this I smiled inwardly and thought that these people didn't know me very well because I had waited all my adult life to get my Mini (& that was a very long time) and our house was perched on the side of a hill with no flat land to speak of. It was just as well no one saw that inner smirk because it didn't take long before I was hooked and their prophesy was my reality.

While I may still have my Mini we now also have a ute with 2 dog crates in the back, one for Dash and the other for Fern our puppy and future agility star; and yes we still live in the same house but plans are underway to move to the family farm so we can have room for an agility paddock and another dog or two. Now this is the stuff that I wasn't warned about.....spending every other weekend at agility competitions and training at least twice a week, online handling courses, a flight to Sydney for the ShapeUp seminar, and a road trip to Gore, etc..... Bring it on I say!!

Intermediate - Peter de Wit & Quick

What power would Peter de Wit choose if he could be an Agility superhero? And did you know he does have a lucky Agility charm..... Now that I have your attention, let me introduce Peter and his special doggie Quick as part of Zone 3 team. The things he loves about this special dog is that she's fast, she bites his foot when they finish a run, she will do agility for anyone, and if you do get a chance to run her, watch out she might bite something else!

Someone commented the other day that they thought he was a dog guru and also an IT guru. I asked him, "how does the internet work?" His answer, "Well the definition of guru is that you know ONE thing more than the person next to you. i.e how the hell would I know". One thing he does know is that after being involved with dogs for many years, he couldn't think of anything else he would rather be doing. The only exception would be if he had all the money and time in the world, he would be enjoying the sun on a Greek Island. Although he does wonder if they do agility there?

Now his answer the top 2 questions.

Agility superhero...I like the sound of that. I would choose the ability to fly. Why? Well unfortunately my bones are getting older (but of course I don't look older) and if I could fly I could keep doing agility forever!

Lucky charm and it's not underwear, it's my lucky lead and if anyone does steal it we will have no show! Fortunately we have many leads, so I'm not going to tell you which one it is!

Go Zone 3!

By roving reporter DS

Senior - Karen de Wit & Finn

Intensity - that is how I would describe the IZT competition. It is a one-off, no holds barred, national event comprising 4 dogs each having one run and trying to go clear and faster than the others. Privilege is another word to describe IZT - as few people have the privilege of running in it and I have been more privileged than most. Luck? Well you do have to have a certain amount of luck on your side to win this competition - as the best dogs and the best handlers in the country are all vying for the win and any one of them could do it. I am lucky - Lucky to have great dogs, a great husband and a great sport that I do with a lot of really nice people. I am not a superstitious person but I think that this year all the stars are aligned and Zone 3 will win the IZT competition. So watch out, lucky bra, lucky shoes, lucky socks, lucky lead or not - Finn and I will be trying to do our best for Zone 3.

Zone 4

Starters - Tim Conolly & Mouse

Tim comes from Canterbury & has been running around agility for the past decade or so, and thanks to the perseverance of all those around him, has finally managed to get lucky enough at this sport to have a team dog for the zone.

He has a retired agility dog that has achieved Champ status.

His dog club is Selwyn (SDTC), and has previously trained at CCOC (Christchurch) & MCOC (Ashburton).

Mouse (Trouble in Azkaban) comes from the Hawkes Bay (thanks Cam List) & Mouse

(Trouble in Azkaban) is a typically driven wee black n white Border Collie.

Being a young dog, Mouse (Trouble in Azkaban) is at the beginning of her agility “career”, so who knows where Mouse (Trouble in Azkaban) will end up.

No doubt the experience will be very entertaining along the way.

Go Zone 4.....

Novice - Lisa Duff & Fault

In Interview with Fault:

Name: Fault – aka Mr Faulty, Faultylicious, Little Bastid (Only my Dad calls me this)

Age: 3

Favourite Food: Loves K9 Natural

Favourite Hiding Spot: Under the bed

Favourite Game: Chasing the other dogs around the paddock

Favourite Season: Summer because we do lots of hiking up the hills

Favourite Thing to Chase: The lawnmower

Favourite Quote: “Woof, woof, woof, woof” (It’s not my fault...)

In Interview with Lisa:

Name: Lisa Duff

Age: 5 ^{3/4} dog years

Favourite Food: Potatoes – such a versatile vegetable!

Favourite Hiding Spot: Down at the river with my dogs

Favourite Game: Dog Agility of course!

Favourite Season: Summer

Favourite Thing to Chase: Red and blue pieces of paper

Favourite Quote: “You don’t have to be great to start, but you have to start to be great.”

Intermediate - Roselle Bremmers & Quiz

Quiz is 5 years old and she was the Starters dog in the winning Zone 4 Team in Taupo in 2010. I also represented Zone 4 in Taupo in 2000 with my border collie Klassic Kelly. Quiz came into my life in January 2009, shortly after Kelly passed away. At the age of 4, Quiz became an Agility Grand Champion and a Jumpers Grand Champion and she has recently acquired 100 challenge certificates. First and foremost, Quiz is my best friend – agility is just an added bonus. She has the run of my property and comes nearly everywhere with me. She sleeps in my bedroom and protects me from any strange noises in the night. Quiz loves spending time with my family and she desperately misses my Dad who

passed away last year. She enjoys swimming and she loves running beside the mountain bike. Quiz has a lovely temperament and is an honest dog who tries hard to please. I am thoroughly enjoying sharing my life with her and we look forward to representing Zone 4 for the 2nd time

Senior - Natasha Neame & Tricot

Hi all, im Natasha, Tricot and I are proudly from our small Blenheim canine training club in the top of the south. Most of you would know the lovely Tri by name.

but for those that don't she is a 9 year old tri coloured heading dog, she has had a awesome career with me, gaining double grand champion status. And being the first South island dog to gain jumpers grand champion. I treasure every run with her, she is a absolute joy.

How seriously she takes agility and her love for her work brings a smile everytime we step up to the line. Shes not a young girl any more. And has been part of the zone 4 team for many years. We are very proud to be here once again, and no matter what, I no Tri will put a 110 % into her run, she absolutely loves a crowd and being the center of attention to all her fans! Best of luck to every1, run hard. Gooo zone 4!!!

Zone 5

Starters - Roy Thorndycraft & Sto

Hi, my name is Sto, officially Wolf-M-Sto, and my human is Roy Thorndycraft.

I turned 5 in August this year and Roy is a bit older than that. I am the third dog that Roy has run in agility, and am a lot more sensible than my big brother Bran. My Mum was a collie/goldie cross and my Dad was probably the huntaway who lived next door to us in Invercargill. My Mum's human couldn't cope with me and my Mum so we went to live at the SPCA down there. A nice lady called Sharon hooked me up with Roy. Although I'm not the ideal build for agility, Roy and his missus, Ruth, liked me straight away, so I got to move to Ocean View. I have 3 other brothers as well as Bran, Quay, Chil and Sync. I love long walks on the beach and on the hills around Dunedin. I can be a bit of a woose despite my size, but I love to make Roy smile and get clear rounds. Good luck to everyone in the teams competition and thanks for coming along for us to beat. Go Zone 5

Novice - Blake Greig & Ryley

Hi my name is Blake Greig (16 years old) and I am proud to be representing Zone 5 with my Red and White Border Collie Ryley in the 2014 NZDAC. This is our very first National Competition.

I am a newbie to agility after being introduced by a family friend and her Red and White Border Collie. After years of asking I finally got my own Border Collie (better late than never I guess) and started agility in 2012. Since starting we have progressed to Novice and Intermediate.

I have been competing in agility for 2^{1/2} years now and I am currently running a team of "1", thanks to my parents saying "you can have as many dogs as you like once you leave home". Look out for the future "Crazy Dog Man".

In 2013 Ryley and myself travelled to Palmerston North to the JDT Camp. We learnt a lot of new skills and had a great time.

Thanks to all the Senior Club Trainers from Southland and Taieri for passing on their knowledge of agility to myself and Ryley. I would also like to thank my fellow Zone 5 team members for all their help and assistance at NZDAC (yes you will be helping me!). Look out for me walking the course with 20 odd people who will be advising me on the best way of completing the course ☺.

Intermediate - Anne Cook & Juice

Hi. My name is Anne Cook. This is my 10th time running for the Zone 5 team with a variety of dogs. I've really run out of things to say which is why I am most likely the very last person to hand my profile in!

Juice is a 5yr Great Dane/Chihuahua cross. But we usually just say she's a border collie. She is a teeny tiny princess and refuses to lower herself to hang out with our million other dogs, especially Pete because he is a commoner. Juice is 5yrs, and it is her 3rd time running for Zone 5. Good luck to everybody.

Senior - Don Leckie & Bob

Most of you know me better as Bob the Boxer, especially those who follow me on Facebook. I first represented Zone 5 back in 2009 at Mosgiel as the Starters dog. Since then I have dabbled in a few other activities while continuing to grow my agility CV. I love to outrun Don but he cheats and attaches a line to my harness and then jumps on the bike – once again I have to do all the work. My favourite activity is dock diving and there is nothing better than the feeling of the wind flowing through my hair as I leap into the clear (or sometimes murky) waters.

My agility highlights to date are being in the winning zone team, gaining my Agility Champ title and being top maxi dog at the 2011 NDTA – no mean feat when you're both good-looking and athletic. The last 12 months have been a bit quiet as I've been a bit of an agility 'wanderer' having to rely on others to run me while Don was out of action suffering and then recuperating from his hip. Although it was good to still be doing agility there is nothing better than being in the ring with my best friend.

I share my people with 2 other boxers, George and Sam, and tell them that they just need to look and learn – thus far they have failed to heed my advice.

I always give everything my best shot and representing Zone 5 as the Senior team dog will be no different. Now I just need to bring that handler into line.
