WELCOME MESSAGES

Welcome to NZDAC 2015 Tokoroa

We welcome everyone from all over the country. We are super proud to have you here in Tokoroa. The facilities tick every box on our wanted list and we hope yours! The South Waikato District Council has welcomed this event coming to Tokoroa and has even supported us with funds.

We are super glad that Eukanuba is our main sponsor again. They have an enormous job in sponsoring all three National dog events at this time of year so we are very thankful for their support of our agility event. Eukanuba has supplied backpacks for every person which surely makes this event very special and at this NZDAC if you win a ribbon, you will also receive Eukanuba product and cash. Thanks Eukanuba, because of your support no one will go home empty handed!

We have been so fortunate with the amazing ribbon sponsorship we have had from dog clubs around the country. We have had support from almost every agility club in the country which we are thrilled about as well as breed and obedience clubs. The dog world in this country surely must be world leaders in community spirit!

We also have some excellent stalls here this year – food stalls, products and therapies. Do be sure to visit them during this weekend. They have all paid to be here and many have also sponsored ribbons, supplied items for registration bags and spot prizes.

Our incredible judges – we have a fantastic line up and we thank them all for their effort prior to this event with their course designs and for the judging they are about to take on. Please be sure to smile and wave at them through-out the day (I'm sure a few of us will be getting a wave or two back while running our dogs) and do appreciate the hours of judging they are about to do. Thank you judges!

Zone 2 volunteers have spent a lot of time over the past year getting everything organised and ready. We want to thank everyone for their time and acknowledge that these volunteers are what makes these huge events work. Just about every club in Zone 2 has provided us with gear, ring managers, ring scribes and call stewards, committee volunteers, helpers for the camping, timers and ideas on how to get things done.

We have a relaxed, stress free, fun vision for the NZDAC which we hope we can achieve with your assistance. So here are the main nuts and bolts of what we have organised for you:

- Every ring will hold one event (the same event) each day.
- Novice and Intermediate walking will begin at 7.15 – these classes will begin running at 8.00.
- Starters and Senior walking will begin at 7.15 – these classes will begin running at 8.30.
- Jumpers A, B and C will be able to be walked from 10am – these classes will begin running at 11.30am.
- Prize giving will be held at the events centre beside the Oval after the last dog has finished in the jumpers ring.
- Each afternoon/evening will be a special showcase agility event held at the Oval.
- The dinners will kick off at the end of the Oval events at the Events Centre building right outside the Oval and we are aiming for dinner to begin at 7pm.

Welcome from Clyde Rogers, NZKC President

I wish you all well at this year's New Zealand Dog Agility Championships in Tokoroa. NZDAC is one of our three national events and therefore holds a special place in our annual calendar. Earlier this month NZKC staged a very successful Eukanuba National Dog Show in Porirua and I am sure that this success will be repeated in Tokoroa and also in Christchurch this weekend at the NDOA.

Executive Council, through Roy Thorndycraft's report, were made aware that there will be 4,582 dog runs at NZDAC this year involving 75 hours of judging and that these numbers exceed all previous NZDAC's. This is an outstanding and staggering result.

This is the first year that NZDAC and NDOA have been provided with a cash component from our Eukanuba (Masterpet) sponsorship to sit alongside the generous product allocation set aside for prizes. Executive Council was unanimous in its support for this initiative which clearly signals our commitment to all of our disciplines and membership. I am also delighted that my wife Dianne and I, in addition to two other Executive Council members with conformation backgrounds will have a presence at NZDAC. Such interaction across the disciplines is very important to me.

Further to the above, Masterpet has been made aware of NZKC's cash commitment and they have signalled that they will have a much stronger presence at both NZDAC and NDOA than has been the case in the past. A difficulty for them is clearly having all of NZKC's national events in the same month and two on the same weekend. I am delighted to report that Executive Council met with the Agility and Dog Obedience Committees at the Annual Conference of Delegates (ACOD) to discuss dates. Such collaboration forms part of NZKC's Major Event Strategy which is currently under review. The respective disciplines and the membership will be kept aware of progress as time passes. To this end I ask that you follow that progress through the Dog World in particular and provide submissions as requested.

I am aware that, as I write, the drums are beating for some television coverage at NZDAC to follow on from that attained at the National Dog Show. This would be a great breakthrough for Agility and NZKC. Our highlight packages at the National Dog Show featured agility and these were very well received and not only by the public but by breed and obedience members as well. Favourable comments were also received by overseas breed judges. If it transpires that there is no television coverage in 2015 you can rest assured that it will happen in the very near future.

To all of our judges, stewards and hard-working volunteers – welcome and please enjoy the weekend. I am sure that the organising committee has done everything possible to make your stay enjoyable.

To our principal sponsor Eukanuba – your team has been a pleasure to work with and it is great that NZKC is associated with such a credible international brand.

A Bit of History

In 1952 the only outdoor sports facilities available in Tokoroa were two tennis courts that were in a poor state of repair. Football and hockey had formerly been played in farmers' paddocks, but this land was no longer available. A Committee was formed and an area of approximately seven hectares was set aside for a Sportsground. The decision to develop the area containing approximately 17½ acres situated on the corner of the Main Highway and Mossop Road as a sportsground was taken at a public meeting held in the Fire Brigade Hall on 15 September 1952. The Tokoroa Memorial Sportsground was opened by Major-General Sir Howard Kippenberger, President of the New Zealand RSA, on 17 October 1953 on the Oval. It is named in honour of the fallen during the Second World War. Indeed just last year, to mark the ANZAC Centenary, a talking poles was installed on the ground in commemoration.

Foreword by Bevan Dale, NZKCAC Chair

Firstly I would like to welcome everyone to NZDAC Zone 2 Tokoroa. With our most distant competitor being a Swiss National (Competing via ANKC membership), its testament to the NZDAC Committee that people will travel great distances to visit Tokoroa and compete.

I am always reluctant to name people when I thank them in a forward like this. There are just so many people that work hard to make an event like this happen and I would hate to miss someone out. So THANK YOU to everyone involved in this year's NZDAC Zone 2. However I am going to name the 5 hardworking individuals who are behind all of this - Gina Boreham, Maree Boreham, Jo Klein, Shelley Stewart, and Jocelyn Jensen. These individuals make up the Zone 2 NZDAC Committee.

Photo credit – Caitlin Frater

The next critical element is sponsors because without them we would not have such a great event with all the prizes up for grabs. Agility has changed so much in the last few years that the demands on a sponsor have increased and it is a tribute to Eukanuba that they continue to grow the level of support they give us. Eukanuba has had a great reputation in New Zealand for a long time and for them to be prepared to associate their brand with agility in New Zealand is a privilege for all of us.

Alongside them is a host of other sponsors, supporting each class and helping NZDAC organisers pay for all the little extra's that make the show what it is. Looking at the numbers camping I think all we are missing is significant caravan and camping brands as sponsors.

My first ever NDOA was in 1997 in Pukekohe – so Tokoroa is going to be my 18th and I can finally come of age! That year Zone 1 won the inter zone competition and it was the first year that a dog was selected to compete from each level of agility. The winning team was Sandy Rostron and Shelley (BC X), Helen Judd and Fantasia (Rough Coat Collie), Alan Shrimpton and Summer (Standard Poodle) and Paul Warner and Lady (BC). It's a bit of a stretch of my memory remembering dog breeds. The show was a single agility on Saturday, single on Sunday and the teams event on the Monday. It's interesting not only the changes in the sport, but also the changes in the expectations of competitors for a NZDAC.

The Venue

The proximity to State Highway One and the Tokoroa Central Business District, and the significant scale of the park and sports facilities makes this a very prominent and significant facility for the Tokoroa community. The Tokoroa Memorial Sportsground is one of South Waikato's premier sporting reserves and a key recreational facility within the district. It is home to the South Waikato Sport and Events Centre, several sporting club rooms, playing fields (including the centrally located Oval that saw the likes of Kevin Mealamu start his rugby days as a young boy), hard courts and other facilities like toilets and changing rooms. It also neighbours the Cougar Mountain Bike Park which holds national mountain bike events.

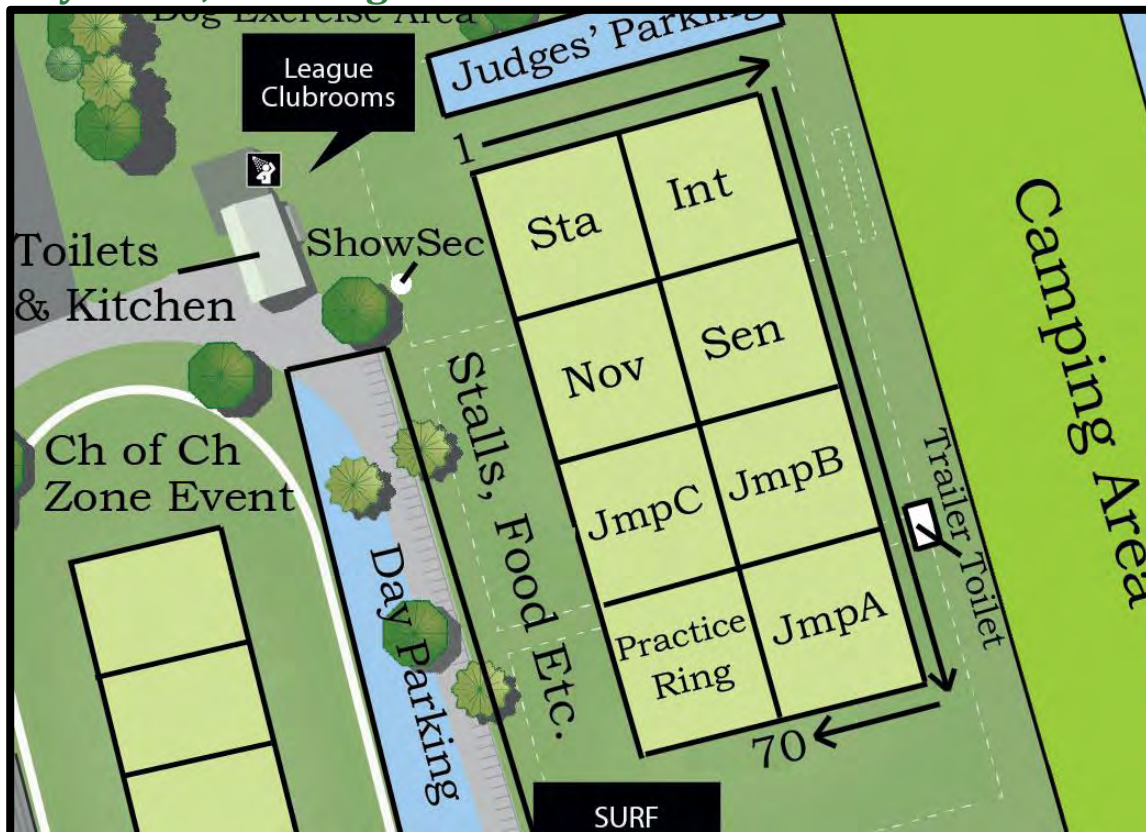

The last time the event was held in Zone 2 it was called the NDTA and this was the last event that combined agility and obedience over Labour Weekend at the same venue.

The reason why I believe NZDAC's are so successful ... it's the only time each year you get to test yourself against the best in NZ, and it's that one chance each year you get to catch up with people from all over New Zealand. For others it's a chance to put faces, names and personalities to their Facebook friends. Lastly I would like to say good luck to everyone competing over the weekend. This is when those hours of hard work allow you to showcase yourself to the best in NZ. At the end of the weekend, as we load our vehicles to depart for home we are taking some fantastic pets home with us. Pets who have allowed us to travel the length of the country, meet some fantastic people, have a great time, and have become part of our families.

Dog Safety

We remind all owners and handlers that they are responsible to control their dogs at all times and that dogs must not be tied up and left unattended. All dogs should be on lead unless competing or warming up and should be contained within vehicles or crates when not attended.

Parking and Day Tents

We are not permitted to have any parking by day tents. Do not worry – there is a service vehicle access behind the day tents that will allow you to drive through and drop off any heavy items. Plenty of day parking is available – see the venue map.

Camping

Gates open at 2pm on Thursday. We do have some restrictions around heavy vehicle parking. This is marked on our venue map. Please check it and do not be upset if you are asked to move should you park in the wrong place. Signage will be there to help.

Goodie/Registration Bags

These will contain anything you have pre-purchased eg. badges, dinner tickets, mugs etc. These can be collected from the main kitchen building Thursday 2-7pm, Friday 8-11am. If you miss any of these times then Jocelyn Jensen is the person to find and she will organise it for you.

Events Centre Showers

Opening times for the Events Centre showers are:

Friday - 6am-8am, 3pm-7pm

Saturday - 6am-8am, 3pm-10pm

Sunday - 6am -8am, 3pm-11pm

Monday - 6am-8am.

The shower blocks 1 & 2 will be open 24 hours.

Selling

All stalls selling food, coffee, products and services will be sited along the road frontage and there is a kitchen café inside the building. All stalls must be officially approved. No selling is permitted in any other area of the event.

Practice Ring

There is a set of every piece of equipment in the practice ring for your use. Please do not practice in any of the other rings.

Course Walking

There will be no course walking after the event has started. We have staggered start times to allow handlers with multiple dogs more time. Please be respectful of other walkers. We understand that course walking can be stressful at times so we all need to work together.

Ring Procedures

- In every event, at the end of each height, that class will close. There will be NO exceptions.
- Please have good communication with the call board so you can have the best opportunity to get there in time.
- Every ring is managed by a different club. Please make sure that the Judge is ready and and Scribe has your number before you begin as each ring will have a different method of doing this.
- We have "hired guns" to do our jump stewarding and lead running. They will be wearing yellow high viz vests. Please understand these are not dog agility people and help them out where you can.

Also, please note, due to the huge numbers of entries and the short amount of time available we need your help to keep our show moving:

- if you reach MCT (Maximum Course Time) you will be asked to leave the ring immediately via the exit area.
- if you are unfortunate enough to be disqualified you will be allowed to finish the course but please remember no training.

Ring Managers

Starters Ring 1 – Helen Moorhead

Novice Ring 2 – Michelle Burggraaf

Intermediate Ring 3 – Maree Boreham

Senior Ring 4 – Geoff Gillies

Jumpers C Ring 5 – Colleen O'Connor

Jumpers B Ring 6 – Martin Bush

Jumpers A Ring 7 – Dyson Beasley

Changes of Handler

If you have a change of handler on the day (or have specified two handlers on your entry), please ask the number taker/scribe to note your FULL name on your scribe sheet, so that the correct handler can be recorded on the results sheets and any Clear Round Certificates. Any partial names that cannot be determined will default to the catalogued handler.

Results

Finalised results will be posted on the glass doors of the kitchen building and will also be available online at www.nzdac.co.nz.

Free WiFi

WiFi is available for competitors - just look for the "ShowSec FREE WiFi" hotspot on your devices. No password required, though you may need to be in close proximity to the ShowSec bus.

Text-a-Scratch

If you wish to scratch your dog on the day or just before your events, please send a text to **021 128 9810** with the dog's permanent number and the event you're scratching from. This will save our Call Stewards from calling for a dog that's not intending to compete in that class. Any requests for refunds will require the completion of a refund request form – available online at www.dogagility.org.nz or from the ShowSec bus at the weekend.

Live Video Feed

Can't be at the event? Want friends and family to see what it's all about? The webcam will be running for the day events and can be viewed online at www.nzdac.co.nz.

Live Results

Live results will be performed for all the Oval events and can be viewed online as they happen at www.nzdac.co.nz.

Prize Giving

Prize giving will be held on the concrete balcony outside the Events Centre Building. The balcony will be cordoned off to allow prize giving to take place and give our official photographers room to do their job. To enable things to run smoothly and for everyone to get their well-deserved moment in the sun, prize winners will need to do the following:

- When the class is called it will always be in the same order – Starters, Novice, Intermediate, Senior followed by Jumpers C, B and then A. Heights will always be in the same order – Maxi, Medium, Small or Mini then Micro.
- When Starters prize giving is about to begin we need all Starters winners to get to the prize giving "entry" area.
- When your name is called, please approach the Judge and sponsor first who will hand you your winnings, and then stand behind the correct number ready for photographs. When the final place getter is in line, photographs will be taken and then you will leave out the "exit" area.
- When the Smalls or Mini and Micro heights are being called, we ask that the next class winners – e.g Novice, will begin to assemble at the "Entry" area.

All winners will need to present their ribbon to collect their Eukanuba prize from the Prize area at the back of the building. This area will be open from the start of prize giving until half an hour after prize giving is finished.

Evening Meals

Both dinner events will be BYO only.

Sunday Evening Quiz

A night to get together and find out how well we know dogs and the parts they play in our world. To be held in the Events Centre dining area.

Security

We have carried out a lot of advertising about this event in the Waikato/Bay of Plenty region. In view of that we may be lucky enough to have some members of the public arriving to see what our great sport is all about. Do remember to be security conscious with your vehicles, camp sites and equipment. Better to be safe than sorry.

Recycling bins provided by:

South Waikato Achievement Centre

Recycling is a vocational unit within the Trust.

Bin labels are going to be marked with bins for plastics, cardboard and bottles and these will be serviced during the event weekend.

Please ensure that any food contaminated products go into rubbish bins, not the recycling bins, thank you.

SWAC has the contract to process all recycling material gathered in the South Waikato which is processed in a new building at Croad Place and then exported overseas. The income provided by our vocational units helps to support our clients and provide top class facilities to live and work in and opportunities to participate in the community.

YOUR JUDGES

Nick Chester

South Waikato Police have been tipped off that a serial offending (or is that offensive?) agility judge is headed for their patch in October 2015. Agility competitors are warned to expect dodgy courses and contact calls, and are urged not to approach the judge, who is said to be dangerous and mentally unbalanced, at least before his daily coffee intake.

Offending Judge:

Nick 'the smiling assassin' Chester

Other known aliases:

"Young Nick", "Mr Orange", "Slider".

Previous sightings: Last seen judging NZDAC at Gore 2014, but has an ever growing list of offences, including Christchurch 2006, Dunedin 2009 and Cambridge 2012. Also added an international felony to the list in 2014, seen judging at the Australian nationals in Brisbane. Planning to take a rest from such events in the near future to lie low and evade arrest.

Judging characteristics: Known for deliberately trying to kill competitors by exhaustively long course lengths, and trying to kill himself with overzealous dives to judge running contacts. Has an unusual penchant for wearing fedoras, which he may be using to smuggle judging performance enhancing substances into the ring.

Known accomplices:

Edge - chief henchman and hired muscle.

Currently seen running sporadically at agility events, as long as previously mentioned muscles don't break down.

Tease - new kid on the block and already causing chaos. Expected to be fully initiated into a life of agility crime by late 2016.

Tips for dealing with offender: If at all possible, avoid interaction with this strange and unpredictable individual. If you must deal with him, coax into submission with beer. Do not attempt to bash assailant in the head, as nothing of value resides there. Some have also suggested the same of the groin area. If all else fails, get him to judge a large national event, which will cause delirium and hallucinations, at which point he is likely to retreat into a corner and rock back and forth quietly.

The assailant would like to offer his thanks to the "Cartel" (Or NZDAC organising committee to use their cover name) for inviting him to judge by making an offer he couldn't refuse. He would like to wish his victims...sorry, competitors, the best of luck in trying to negotiate his courses.

David Cook

Firstly, thanks to the 2015 NZDAC committee for inviting me up to judge – looking forward to what will be another amazing year of top notch competition!. After being on last year's organising committee I fully appreciate the huge job you have all undertaken – big thanks! Also, a huge thanks to all the sponsors, without whom these events wouldn't be possible.

About me. I've been involved in Agility since around 2000/2001....that's all of a sudden seeming like a long time - I still feel like a relative newcomer compared to a lot of the faces/names still associated with the sport! I'm a proud member of the Otago Canine Training Club. We have a great bunch of enthusiastic, keen people and a lot of great dogs regularly competing around the South Island.

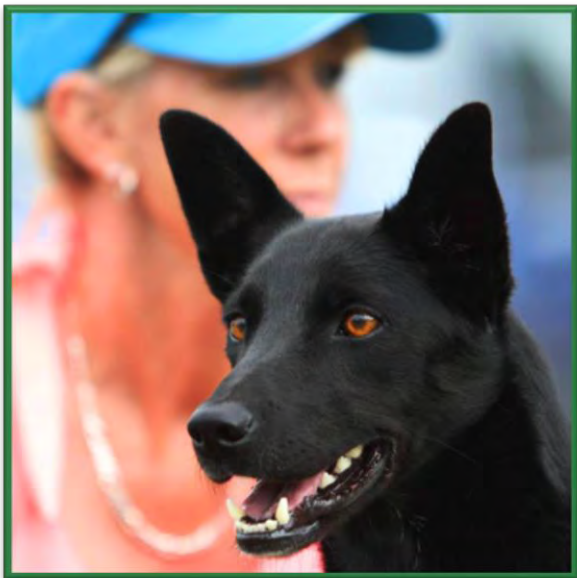

Myself, my wife, Anne and daughter Kaylee (4) have a house full of dogs – 12 in total - (that's right, we are crazy and everything has border collie hair on it/in it or smells like dog!). We also have a cat, who's in charge of the dogs.

...we are crazy and everything has border collie hair on it/in it or smells like dog!

We probably average going to a couple of shows a month through the year, add to that judging and I've been fortunate enough to see a great deal of the country, meet a lot of great people and also put faces to names you see in results.

Good luck to everyone and safe travels to and from the big event!

Heather Drewett

Thanks to the NZDAC for inviting me to judge, it is a privilege to be asked to judge at these amazing shows, I guess I better not have my party hat on as much as Gore last year. Mind you the prizegivings were a lot of fun.

This is my 20th NZDAC (NDTA) (NDOA) in a row that I haven't missed so good luck to all and I'm sure I will get to celebrate in my own way.

I have been competing for a very long time and hope to still keep competing for a lot longer yet. I love these shows with a passion, I don't as a rule do that well or be that consistent but to me it's about the people you meet and all the great friends you get to catch up with.

I look forward to getting to see this part of the country and may the weather gods be good to us.

Alan McClumpha

I have been involved in the dog world for 26 years and first competed in agility in 1989 with my border collie Quinn. He was disqualified on his first three attempts and I was nearly ready to give up, but on our fourth attempt he won Starters. I remember to this day the buzz that it gave me and that result hooked me into agility. I sincerely hope someone gets that same buzz of a first Starters win this weekend.

Other than a brief foray into golden Retrievers, I have always owned and handled Border Collies. I have been on the judging panel since 1992 and have enjoyed judging at many venues up and down the country.

I am the founding President and a life member of WAG.

...I live on a rural property with five border collies and in my spare time I go to work.

I am currently involved in Agility training with Huntly and District Kennel Association. I served on the former Dog Training Committee and was Chairman of the first Agility Committee.

My wife and I live on a rural property with five border collies and in my spare time I go to work.

This will be my fourth NZDAC appointment and I thank the organising committee for the opportunity to judge at this event, I am really looking forward to it. I wish everyone good luck and lots of fun.

Allan Rohde

I have been involved in Dog Sports for over 20 years now starting with the Wairarapa Dog Obedience Club and later moving to Counties Dog Training Club. Although I enjoy competing and doing well, I also like being involved in all aspects of dog sports from instructing and judging through to committee work at both club and national level.

I am fortunate that my family also shares my enjoyment of dog sports which does have the benefit that there is always someone available to run my dogs when I am judging. It also means the long drives to and from competitions are not lonely ones although some may debate that is a benefit.

Even though I have judged at numerous National events, I still consider it an honour to be asked to judge. I hope I am able to provide appropriate challenges for the competitors.

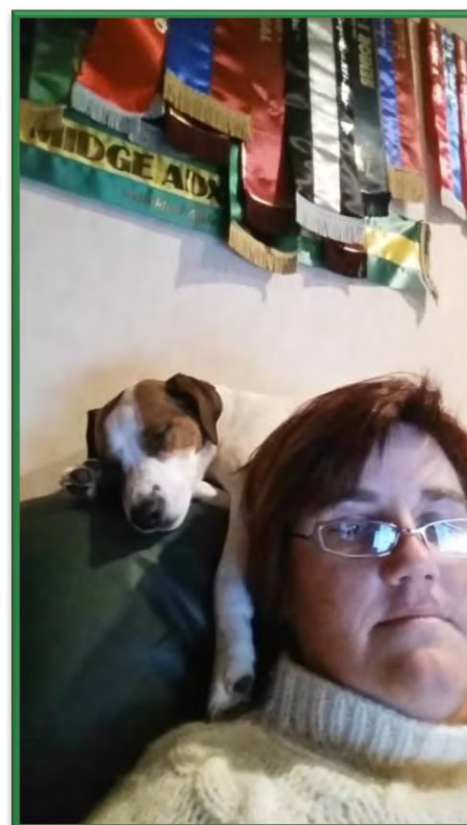

Joanne Rennell

It is an honour to be asked to judge at our premier National Event. This will be my second NZDAC appointment so I must be doing something right (shame it includes writing profiles though - I still hate writing about myself). Thank you to the committee for inviting me.

I am looking forward to seeing how competitors handle the challenges I set them and to see some great pairings, especially those I don't usually see, really pushing the boundaries to nail those difficult sections in amazing ways - one of the greatest privileges of being a judge is to see those runs from the inside.

For those who don't know me - I live in Invercargill and I have been doing agility for almost 11 years - Initially with my JRT/Blue Heeler Midge, and then my Parson Russell Terrier Ruffy and lastly Scamper another Parson Russell Terrier. I got into agility for Midge - she is currently, and in fact always has been, slightly crazy and she needed an outlet for her boundless energy. Agility suited her down to the ground - and she really hated when I made her do Obedience ☺. We haven't looked back since and the greatest highlight so far has been making Midge up to Agility Champion - and she did it in Summer too (she has always been a good girl).

I have been on the judges panel for 6 years, with the last 3 on the senior panel. I got into judging to give me something else to do when I only had one dog. It has given me new skills and challenges to keep me moving in the sport. The parts of judging I like best :- having the best view for the best runs, setting doable challenges for all levels (I hope) and meeting new people all over the country.

My hopes for this year's NZDAC are: for everyone to have fun with their dogs; have fun with their friends; maybe make some new friends and most importantly - a Zone 5 win in the teams :) no pressure guys.

Paul Taylor

I would like to say how much of an honour it is to be asked to judge at this year's NZDAC.

I am now into my second decade as a senior judge and still get a great thrill from watching how each team of handler and dog find their way around my courses. It is very satisfying to see how the new training and handling skills continue to make agility as thrilling as it always have been.

I am looking forward to judging, competing with Spook and catching up with many of the great people in agility at Tokoroa. Big thanks to Eukanuba and the organising committee for letting this happen.

Martin Bush

I'm really looking forward to being part of this huge, huge event - even if it is as reserve judge, I'm more than happy to step in if required. For those that don't know me, I've been doing agility now since 1998 and all that time with Belgian Shepherds. Proud to have the first Belgian Shepherd AG Champ in NZ and wife Trish has the honour of the second - like behind every good man there's a woman :0) ...better stop there methinks.

I've been judging since 2007 and after a quick countup, almost 160 judging appointments in that time. No wonder the lawn often looks like elephant grass at times. Still it's a sport I enjoy so may as well make the most of it. It takes me all over the country meeting lots of people and making lots of new friends. Now I have old friends as well...better stop there methinks

I'm sure the organising team this year have done their utmost to make sure everything is well sorted and that everyone attending this year will have just an awesome time. We have to take our hats off to them for organising what must be the biggest ever agility event in NZ, last count over 4000 entries! Huge! The Tokoroa grounds will certainly be up for it in terms of space for everyone to park, camp, exercise dogs etc. I'm sure you'll find the facilities amazing.

I trust everyone has a safe trip to and from the event, catch up with all their mates and have a great time. Lastly, Showsec Diana McKay asked nicely if she could use one of her fav foto's of me judging, so me being the ever obliging chap, who am I to say no? Second option was to supply a photo of me naked...better stop there methinks....

Isobel Syme

To those who don't know me I first started agility at 18 years of age at CCATS – just a couple of years ago! Along the way, I have met some great people who are now lifelong friends. And we have had some great fun. In 2002, I migrated north to Taupo – and again have met some great people, who again will be lifelong friends. It is hard to believe, I have been up north this long, but deep down my heart still belongs to the mainland.

My first dog was Diva – a Weimaraner, the second dog was Asti – heading dog; both equally stubborn bitches who taught me a lot along the way. But, at the same time nothing to prepare for my current dog Dram – who

gives 200% to agility, and is a total mummy's boy. With a better handler he would have progressed through the grades a lot quicker, but I would never change him for the world!

I became a judge in 1993 as a way of putting something back into a sport I love. Over the years I have been actively involved at CCATS, Mid Canterbury Dog Training Club and Taupo Dog Training Club instructing and serving on their committees in various roles. The two things I enjoy most about judging is watching and judging the new handlers and their dogs, competing at their first show, and then going from strength to strength, and graduating through the grades; then at the other end of the scale, we have some totally amazing combinations – that are pure magic to watch and judge.

Good Luck to All – Remember you take the best dog home at the end of the weekend!

6. The dog with the most clear rounds and the least points at the end of the last run will be in winning position.
7. If more than one dog shares the winning points, then the oldest dog will be declared the winner.

INTERCLUB RULES

Interclub Teams

The Interclub team will be run as per Agility Regulation 9.3. The winning team will be the team which gains the most points over all standard Agility 2 classes at the NZDAC on Sunday 25th October on the following basis: First place 10 points down to 10th place one point, with team members gaining an additional one point for clear round regardless of the place gained in the class.

The Regulations

“9.3 Rules for Conduct of Interclub Agility Competition

9.3.1 Number of Teams

All registered Agility societies may enter a maximum of two teams.

9.3.2 Composition of Teams

Teams will comprise 3 dogs and 3 handlers with no more than two dogs eligible for the same classes in any one team.

9.3.3 Format of Interclub Agility Competition

The Competition may either be run in either one of the following methods

9.3.3.1 A separate Interclub Teams Event may be scheduled and may be run on such course or courses as proposed by the NZDAC Organising Committee and approved by the NZKC Agility Committee. The method of defining the winning team must be included in the schedule for the NZDAC.

9.3.3.2 The Interclub Teams Competition may be decided by the calculation of places gained by Team members in such standard classes at the NZDAC as the NZDAC Organising Committee may decide.

9.3.3.3 If the Interclub teams competition is to be run over standard classes at the NZDAC, the following method of deciding the winning team will be used.

The winning team will be that which gains the most points gained in such classes on the following basis.

First place 10 points down to Tenth place 1 point with team members gaining an additional 1 point for a clear round regardless of the place gained in the class

9.3.4 Entry In One Team Only

No dog or handler to be entered in more than one team.”

INTERZONE PROFILES

Brenda Coleman & Sam - Starters

I am a Primary School teacher who lives on a lifestyle block on the banks of the Waikato River just out of Ngaruawahia.

Sam is a smooth-haired fox terrier who we have had since he was seven weeks old. He is rather a spoilt little dog with a great personality.

Sam and I went to obedience classes at Waikato Canine Obedience Club for three terms where he learnt to wait and stay. This was very handy when we began going to Agility at the local Huntly and Districts Club which, luckily, trains just up the road at The Point in Ngaruawahia.

We began training at about the beginning of May 2014, and began competing at ribbon days in December. Thanks to the brilliant trainers at the Huntly Club Sam and I have managed to complete several courses with clear rounds. Sam loves agility and we are both very proud to be here.

Gabi Küster & Shanti – Novice

I was born and raised in South Germany, we were a small family, a solo mother and two children. We lived in a small village and money was short. As a child my first pet was a budgie. I wanted something bigger, much bigger – I wanted a horse. For many years as a child I would daily ride my bicycle to the next village where they had horse riding stables and help with the horses. In return I was able to ride many of the private horses when their owners had no time and help with the horse riding lessons.

After I finished school I joined a yoga community in a small village in North Germany. Our community had an organic

bakery and garden and an organic shop in the nearby town. We also looked after a small Kindergarten in the village. When the trained Kindergarten teacher left, I was given the task to run the Kindergarten. I had no training and needed a crash course in Kindergarten teaching. I went to the Steiner Kindergarten in the town and observed for a few days and then tried my best in our village. I looked after the Kindergarten for a few months until we found another trained Kindergarten teacher. It had been a hard learning curve for me but I had found my calling. After teacher training I was employed at the Steiner school in Auckland and 30 years later, I am still teaching at that school. During the week my husband and I live in town but on the weekends we stay at our 'hide away' in the country, where we own a small block of land. There I tried my luck with some small animal farming, I raised geese, turkeys and for many years was a hobby bee keeper. We adopted our first dog from the SPCA, and when she died I wanted a puppy. Along came Shanti.

Biography: Shanti, nick names: Sweetie (dad's) and Mrs. Mischief (mum's). Shanti is a heading dog from a litter of eight puppies. She was the first born, all her siblings are black and white, she is red and white. She was born on a farm. She was a very energetic puppy with a strong will of her own.

I had no idea of puppy rearing and made lots of mistakes and ended up with a puppy with no recall. When other puppies would happily follow their owners, mine would just do the opposite. Hence, I submerged myself in dog training with little success it seemed at first. The older she got, the further she ran off. I did obedience training, agility training, tricks training, Rally-O, nothing seemed to help with her independence. We added crate games and I would practice our skills in many different locations. Finally we started to see some changes. Shanti learnt to come when called and to stay in the ring at agility trials. She learnt to follow her handler instead of running her own courses. We now both enjoy agility and flygility. Shanti is 6 years old. Her biggest passion is fetching balls out of a pond, a river or the sea!

Graeme Jefferies & Pearl - Intermediate

Pearl is a 6yr old Border Collie bred by Elaine Rohde out of Windi. She lives with four other Border Collies and loves her regular visits to nearby Lake Arapuni. Pearl is a notorious "photo bomber" and we have many pictures of an unexpected smiling Border Collie.

Pearl suffered an over-extension injury when she was 3 and it appeared her agility days were over. She was put in pup to Tyza and produced two fine male pups, Zeke and Ernie. After 18mths rest she was reintroduced to agility and has come back better and stronger than ever, making up to Agility Champion and is one challenge off Jumpers Champion. I'm a proud member of the Cambridge club and feel honored to represent the Zone 1 team at our national show.

Kathryn Martin & Volt – Senior

I'm Kat and I've been competing in agility for the past 11 years. This is mine and Volt's second time on the Zone 1 team as senior dog (Let's hope there are no straight lines :P). Volt is my dream dog and an absolute pleasure to own.

Name: AgGrCh & JGrCh Xtra High Voltage

Nickname: 12volt, Squidgy, ReVolting, Pesky Volt.

Age: 423 weeks old 22 days

Breed: Working dog

Colour: Black/White and grey (stressful life)

Hobbies: Chasing dirt bike tyres, rounding up chickens, pigs,

cats, little dogs and small children, jumping off agility contacts, chasing my own shadows and just being generally neurotic.

Favourite Food: Chicken eggs out of the coop, whatever is on the bench or left on the table unattended.

Describe yourself in 3 words: Cute as a button (I can't count I'm a dog.)

Let's hope there are no straight lines

Name: Kathryn Cecille Roberta Martin (mum tried to please everyone in the family)

Nickname: Kat, Kitkat, Kmart...

Age: Ancient (23)

Breed: Uh.....

Colour: Ummm....

Hobbies: Hiking, eating, swimming, maybe dog agility, chasing boys, being generally neurotic.

Favourite food: Grapes, water..... together..... I like wine.

Describe yourself in 3 words: Hilarious, sarcastic, no filter.

Hayley Andrew & Trix - Starters

Hi my name is Trix (New Trix) and I am a 4 year old Golden Retriever/Border Collie cross. I live in Tauranga with my big brother Sam (Old Dog), my mate Max the rabbit, my two legged sisters Riley and Hollie, mum Hayley and Dad Paul. There's also a couple of cats but we don't need to talk about them... Mum started out doing agility with Sam, quite a few years ago. When he retired, she felt the need for speed, so she got me!

I have quite a few different names at home – some not really suitable for publishing here. The girls like to call me Trixie Pixie Poo – ain't I glad Mum didn't put that on my NZKC rego! My favourite hobby at home is retrieving socks from around the house, I only like to chew the brand new ones – I reckon they need a few more holes to be really comfy.

Mum takes me to training at the Mount Maunganui Dog Training club, which is awesome 'cos they have the best trainers there and it's always lots of fun! Mum helps train the little puppies at club, but I like to help too and always try to tell her where she is putting them wrong, and how she can improve, she doesn't always get my point though.

I'm super excited to be in the Zone Two team, and can't wait to get to NZDAC and join in all the fun. GO ZONE TWO – WOOF!

Shelley Stewart & Blaze – Novice

I have been lucky enough to be part of the most awesome agility club - Mount Maunganui Dog Training Club for the past 14 years. During that time I have had 3 agility dogs. The lovely Cola, a black Labrador – the perfect first agility dog who taught me so much and loved her sport, then little Jaz – my heading dog - “the screamer” winning a final at the Taupo NDTA and now I have the pleasure of training and running Blaze in agility.

Blaze is a four year old Blue Heeler X with a 3 legged fox terrier. He came from the Ngaruawahia pound as a puppy and is owned by a friend. Due to the age of Cola and injuries with Jaz I am not being able to own a third dog, so for the past 2 years, I have been picking Blaze up from his home 2-3 times a week and training him for agility. He is an amazing dog who I am very proud of, he has grown to love agility and has adapted well to his “double life”. Blaze and I are in love and I am hoping one day I will own him.

This is the first time I have represented Zone 2 as a team dog and I am excited to do so. Somehow I also have the job of being part of the organising committee for this years NZDAC in Tokoroa as the Treasurer. I would like to thank all those who have worked extremely hard to put together this event and also wish all the competitors' good luck, enjoy your dogs and go ZONE 2 – bring back the trophy!

Dyson Beasley & Rumur - Intermediate

Rumur is from the first litter bred at Mordor almost nine years ago.

She has been the most amazing agility dog giving her all every time she runs. Rumur took time off in 2011 to have litter all of whom run in agility. She is my dog in a million and if I could clone her, I would.

*...if I could clone her,
I would.*

Rumur is an Agility Grand Champion and Jumpers Grand Champion. She also holds five National titles in Australia for her height. I look forward to taking her back to Australia in May next year to defend these titles.

I am looking forward to running Rumur in the Inter Zone Teams competition and hope we can do Zone 2 proud on the day.

NZDAC is the highlight of our Agility year bringing together the best dogs and handlers from all over the Country. I'm really looking forward to catching up with friends and having fun running my dogs. Good luck all.

Tina Mitchell & Joy - Senior

Having played this game since 1996 I have the honour this year of representing Zone Two for the fifth time and the second time with my 'Lil' Devil'. ☺

Missy J does have the honour of belonging to a great little club located in the Belgian Shepherd capital of New Zealand – The Eastern Bay of Plenty. Belonging to EBOP Dog Obedience Club is no easy thing for a Border Collie; she has to work very hard to earn the Belgians' respect - no mean feat I can assure you!! One day when she grows up she hopes to become a Belgian Shepherd ☺

Team trials in Zone Two are always a great fun experience and this year was no different. An awesome bunch of guys and gals, not a gripe to be heard and in the end, a team and a zone to be proud of as always.

*...when she grows up she hopes
to become a Belgian Shepherd.*

I would like to convey my kindest regards to the other zone teams – honestly, I do!! However my best wishes though go to my Zone Two team mates Dyson & Rumur, Shelley & Blaze and Hayley & Trix .

I hope that everyone here this weekend achieves their personal goals and goes home with the best dog ever. ☺

Chris Moody & Ty - Starters

Meet the Z3 starters dog Typhoon! Ty came to me from Dunedin and has been competing since January this year. He is a 2 year old border collie heading dog cross and loves to please or race around carrying toys, I can't decide which. Ty is the third dog I have trained in agility and I still have much to learn but he is definitely helping me to become a better handler.

A huge thanks to everyone out there who has given me tips, advice, or any kind of feedback as they have all been vital to making the great team me and Ty have become. Ty

has exceeded my expectations all year and never fails to surprise me with his capabilities both in and out of the agility ring. This is the first time I have tried out for the interzone team and look forward to some great competition from the other zones. It is a huge honour to be a part of this great team and I look forward to keeping the zone trophy where it belongs GO ZONE 3! Good luck to everybody at Tokoroa, make new friends, push your limits and most of all, have fun with your canine companion.

Donna Tofts & Fern – Novice

Fern is very new to competing in agility only having turned 18mths old on July 28th and I think she has made a fabulous start to what I hope will be a long and successful agility career. She is my second agility dog and she's carrying on what I hope will be a family tradition of representing Zone 3 (no pressure) at NZDAC. Fern is a real working girl with high drive and loads of enthusiasm and she also has an off button which makes her a wonderful pet with a gentle loving nature.

Lloyd Pallesen & Stellar - Intermediate

I have been competing in agility for 7½ years which makes me a newbie compared to some. Like many others in some ways I wish I had discovered the sport earlier. It's fair to say that I was hooked right from the start, and now frequently describe agility as an addiction. When our first family agility dog was injured I kept myself involved taking classes at DAWG while she recuperated. When I first started I could see similarities to show jumping being a horse rider which I have discovered so are a lot of other agiliteers!

***... you were
not running
that dog,
you were
controlling
chaos!***

Stellar is a four year old border collie and is the first dog I have trained in agility myself from scratch. Her nicknames include "psycho britches" and "nut bar", if you have ever seen her running you will understand why. The most apt description was by a judge early in her career who after a winning run said as they were walking off the course "you were not running that dog you were controlling chaos!"

I feel it is a great privilege to be representing Zone 3 at this year's NZDAC, and feel the pressure to get training every chance I can get, and hope to be part of a successful defense as the current shield holders.

Pete De Wit & Quick – Senior

Not a normal year for Quick as, in the last event of 2014, she displayed soreness and could not jump! After investigations we decided to give her REST, so rest it was. The rehab was fun though, we were given a big pool for her to swim circles in. I had to get in and stand in the middle 2 times a day. Thanks to all that helped us with her recovery. Thanks to Julie Walters for keep me on the slow path, and after six months she was better than before.

This year we lost both Tana and Cee, two great old dogs that represented Zone three for many years, and we missed them both. Quick however immediately took the opportunity and now sleeps in Cee's spot beside the bed.

Now nine this is Quick's last time in the team so let's hope it's a good year. Go ZONE 3.

Sheryl Vincent & Casey - Starters

This is the first time I have represented my zone and very proud to be doing so with my wee Casey pup. I first began agility in 1999 with Cohen, a German Shepherd and quickly became hooked. Seven dogs and 14 years later this wonderful wee boy came into our home and quickly won over everyone's hearts.

Casey is a 2 1/2 year old Border Collie who loves the sound of his own voice, though a big softy at heart and loves nothing better than to curl up on the couch with his Mum. He started competing at the start of this year and has been such a joy to run, I am looking forward to many more exciting years to come.

He currently resides with dogs - Meika (GSD), Brok, Q and Jack (BC's), cats - Muschka and Aslan, sheep - Wilma, Daisy, Alfie (one eared lamb) and Two-ee (2 eared lamb) and a whole bunch of chooks and ducks.

I have been a member of the Blenheim Canine Training Club since I started training Cohen in 1998 and have pretty much filled every role there is over the years within the club. The sport of agility has been a great way to meet so many like minded mad dog people and make some fantastic friends.

Good luck to everyone competing at the NZDAC's this year....and....GO ZONE 4!!!

Sue Neale & River – Novice

We live in South West Christchurch on a 46 acre farmlet with horses, cattle and sheep. There are three other dogs in our family: Flynn (Lab) 9yrs, Chynah (BC) 6 yrs, Pippin (BCx) 7mths, plus old cat Sabrina.

Along with Hubby, Terry (often seen on the BBQ at shows) and son, Mitch, I started competing in agility with a somewhat reluctant, but often entertaining, Flynn, then was lucky enough to purchase the beautiful Chynah Blue who has taught me so much.

Having become a little hooked I was on the lookout for another border collie and chose River from Lindwood Kennels. What a journey we have been on together! River approaches everything with enthusiasm and exuberance. She loves Agility and Flygility and also dabbles in Obedience, Rally and has just started Working Trials. I feel incredibly lucky and privileged to be River's Partner, she keeps me on my toes and drives me to keep learning and improving.

We are excited to be representing Zone 4 for NZDAC 2015 at the Novice dog.

Kathryn Snook & Viper- Intermediate

After breed showing my miniature schnauzers for over 20 years I finally saw the light and exchanged my slicker brush and fine suit for a tug toy and tracky pants. It's now been 11 years since I was bitten by the 'agility bug' and the rest is history.

'Viper' is my second home-breed agility champion and we have been competing together for 4 years. She was chosen for her outstanding drive, intelligence and willingness to please.

At an agility competition Viper metamorphosises from quiet couch potato to a selective sideline barker encouraging fast dogs to go faster. She puts her heart and soul into every run and has improved immensely with the new handling system. Viper is very affectionate, loves everyone and doesn't mind who she gives a kiss. She enjoys life in Brooklands where she has become the self-appointed rabbit hunter. She is spoilt for choice for exercise – forage in the forest, blat on the beach or a hoon around the lagoon tracks.

We are proud to be representing Zone 4 and will give it our best shot.

James Trimble & Ritz – Senior

My name is James Trimble and this is my first time competing in the interzone teams event with my dog Ritz (dad's dog, or so he thinks). I have been competing in agility for 12 years and have been on the agility scene since I was born as both of my parents were running their own dogs.

When I was 8 I wasn't allowed a Border Collie so I got a Golden Retriever called Simba – he was an awesome mate and fist agility dog – he wasn't overly fast but he was fun and we had a great time.

10 years late I was allowed a Border Collie who goes by a few aliases (Stumpy, Yoda, Paddle foot, Ritz the B***h etc). Short legs with a big heart and a passion to run. I have beent training and competing with Ritz for the last 2 years. She pretends she is not amused at most things that are going on around her – she can be a bit of a princess (she takes after her brother Force), but I think she is an awesoe wee dog and it's a privilege to be able to run and represent Zone 4 with her.

We have to lock her up at night otherwise she goes out being a vigilante disguised as Michelangelo – WATCH OUT CAMPERS ☺

Roy Thorndycraft & Sync - Starters

My name is Sync, officially Helsinki Honeymoon, and my human is Roy Thorndycraft. Guess where he and Ruth went for their honeymoon? I turned 2 in January this year and Roy is in his seventh decade (just). My Mum is Pepsi a BC/Beardie x and my Dad is Mark Wilson's Dodger, a NZ Heading Dog.

I am the fourth dog that Roy has run in agility and the second in a Zone 5 team. He ran with Sto in Gore. I have three siblings doing agility and four home bros, Bran, Quay, Sto and Chil. I do like to try and get Bran to play but no

success yet. At 14 he's just not keen and prefers his long walks.

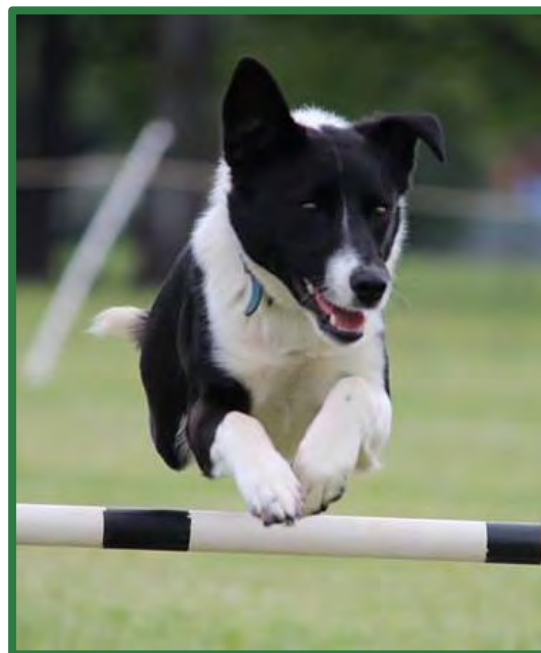

Good luck to everyone from the other zones in the teams competition and thanks for coming along for Zone 5 to beat. Go Zone 5.

Belinda Culling & Jim – Novice

My name's Jim and I'm a 2.5yr old heading dog/foxy. I came to live with Belinda, Ash & Delilah two years ago (and Terah joined us later...). Prior to that I was in training to be an awesome farm dog, but then my farm human realised that I wasn't growing as big as he'd expected (uh oh! seems my dad got into the heading dog...haha), so he decided that I wouldn't be such a great farm dog after all. Well that's his loss, cos now I'm spending my days running around with my mum, chasing border collies and doing agility stuff.

We live in Dunedin city and have some really good places to go out walking over big hills and at the beach. Every day there are dogs coming to our house to visit & play & go walking with us...daycare the humans call it. But best of all is when we go out and race around traffic cones and across long elevated planks. This is when I get paid to run fast so I try really hard!

So off to DAC? Ok! See you all there. Best of luck to all playing!

Reece Smith & Sonic - Intermediate

I'm Reece from down in Dunedin... go Zone 5! All up I've got 6 dogs – 4 Border Collies and 2 Kelpies - Jack, Sonic, Flash, Vapor, Sprint and Risk.

I've been doing agility for 9 years, starting out in 2006 with a mad Kelpie (Jack) – who never quite got it together enough for huge success, but he made it to Senior and Jumpers A plus got his AD so I thought he was cool enough that I decided I would try another Kelpie - November 2008 along came Sonic. Sonic has had a colourful agility career, gaining ADXG, JDX and now that there are some new awards, SDX and JAS. She has gained over 150 clear rounds so far.

She's not always been super keen on agility and being only 450ish mm she's quite a small midi, but a lot of the time she try's really hard to go clear and beat the border collies

Unfortunately down south Sonic is a known course pooper – and her crowning moment was at one of the Christchurch indoor shows, she ran up the A-frame and I expected her to come down the other side but she didn't... I looked up, and she was perched on the apex ... pooping! I don't think we'll ever live that down!

...Sonic is a known course pooper... she ran up the A-frame... I looked up, and she was perched on the apex ... pooping!

Anne Cook & Jolt – Senior

My name is Anne and I'm lucky enough for this to be my 11th time running for our zone, this time handling my husband David's speedy Border Collie Jolt aka Skunk.

Jolt has some pretty awesome achievements under her belt for such a young dog so I'm hoping I can do her justice! Jolt's favorite activity is agility or running with the pack on the beach but if shes at home you will find her in her skunk cave under our bed! (strange dog).

I am proud that our kennels produced Jolt and all the other awesome Backbeach dogs that are doing so well. Good luck to all the other competitors. Go Zone 5!
