Introduction

Welcome to NZDAC 2016 in Rakaia! Our committee have been working really hard to bring you a great event and we hope you all have a wonderful time.

In this catalogue you will find the usual running order details, as well as general information, and all the judge and zone team member profiles.

If there is something you want to know, and you can't find it in the catalogue, please post a question on the NZDAC Facebook page, email secretarynzdac2016@gmail.com, or ask any committee member at the show.

The committee members are easy to spot - they will be wearing pink high viz vests.

You'll see sponsor logos and profiles spread throughout this catalogue. Please support our sponsors if you can - we are very grateful for their support.

Committee Members will be in Pink!

Welcome from the Chairperson

This will be my 19th NZDAC (in the past called NDTA). Good grief. Where has that time gone? I have seen huge and positive changes in our sport, from standardising equipment to changing of breeds, and the huge variety of dogs currently competing. I have met some wonderful characters, made great friends and thoroughly enjoyed training and competing. I have been taken to many green fields in faraway places to compete in our sport all over the country.

I think when reflecting on writing this article it reminds me that this sport is built and relies upon people volunteering zillions of hours over so many years. It is wonderful to see the 5 year-olds out there running mum's dog or the 80 year-olds still competing. They might not ever win but they are still enjoying the whole process.

My message is: work hard, run your fastest, be kind to yourself, your dog and all those volunteers that will be slaving away for you at this year's NZDAC. Remember that there is no I in TEAM.

It has been a real pleasure working with the 2016 NZDAC Committee. They are passionate, hard-working, fun people, and are really committed to making this year's NZDAC an enjoyable event for all.

On behalf of the 2016 NZDAC Committee we wish to welcome you all. Let the games begin. Yippee!

Sandra McHugh

Chairperson of 2016 NZDAC

A Word from Bevan Dale: AC Chair

Welcome to the 2016 NZDAC at Rakaia.

This is the second welcome I have been in the position of writing and it is probably the easiest job anyone has in organising the NZDAC. It always amazes me that people volunteer for the organisation of an event like the NZDAC. It is one of the biggest events on the dog world calendar and a huge exercise in logistics to put together an event that runs for four days and has entries well into the thousands.

I have a huge amount of admiration for these people and want to use this welcome to acknowledge the effort they put into organising the event. When we sit and look at the event as outside observers we need to be thankful that people are still prepared to give up their time to put together a NZDAC for us and for many it is at the sacrifice of their own personal ambitions with their dogs.

I have been lucky to attend every NDOA/NDTA/NZDAC since 1997 in Pukekohe, Auckland. Over the time I have seen the event grow into what it is today. I have also experienced a number of events that are now part of NZDAC folklore. Regardless of which zone has run the NZDAC, each one brings new ideas to the table that continue to drive the event forward.

For me it has become one of those addictive events that is a combination of great competition, catching up with friends from all over New Zealand, and in many cases combining it with a road trip. I have been looking forward to this trip for 12 months now – the domain at Rakaia is a great venue to hold a NZDAC and with the river so close a great place for the dogs too. However, I have checked out salmon fishing and I am told they do not start running until November.

As an agility community we have to get smarter in understanding the impact of the sport on the communities we live in. For Rakaia, if every person that attends NZDAC spends \$50 that would contribute an additional \$30,000 to income in Rakaia. For a town that size this is a significant amount of money. We need to plan how we get out and tell this story to get our sport the recognition that it now deserves.

One of the things we have discussed as an Agility Committee is how we bring back a level of “special” to NZDACs. The amount of effort that goes into organising one is huge and we want to make sure that people do not see it as just another show but something that is special, and is a real highlight of their agility year.

People that know me realise that talking is one of my strengths, so I want to use this as an opportunity with a captive audience! I do want to finish by thanking the NZDAC Committee. This is a big thank you to them.

Lastly, I want to thank all the competitors for attending the NZDAC, competing in the spirit of competition, enjoying our dogs and the people of the sport, and leaving having had a great time.

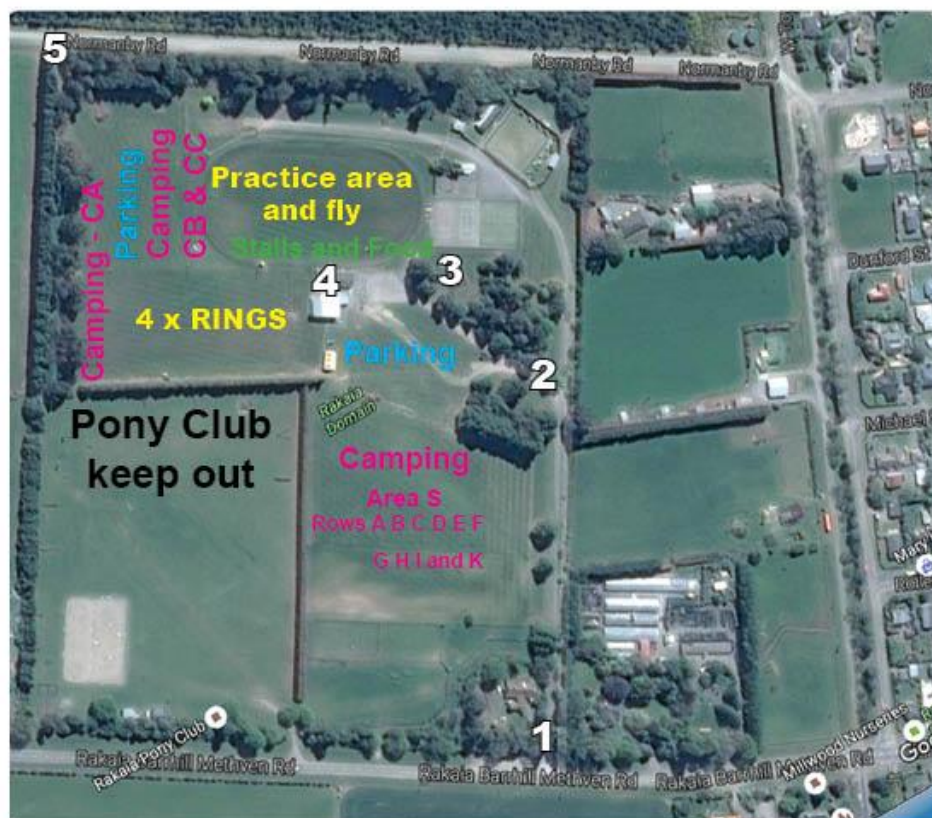

In the words of my other favourite sport, “Drivers, start your engines”.

Our Judges

Cam List

Hi competitors and all those attending the 2016 New Zealand Agility Champs.

Lucky me, I suppose, as this will be the second agility national event I have judged this year with the first being over the ditch in Aussie with the awesome bunch of Paw Black competitors and supporters. They did well and some cleaned up their categories with plenty of booty coming home!

Most of you know who I am and as most of you know I enjoy a good laugh and like to make light of many situations ... so don't fall over while running your dog ... I may just laugh! I am also happy to be laughed at and running my baby boy, Treason, it often ends up that way!

As far as judging goes, I enjoy setting challenging but "doable" courses which keep the handlers thinking and moving all the time. I ensure my

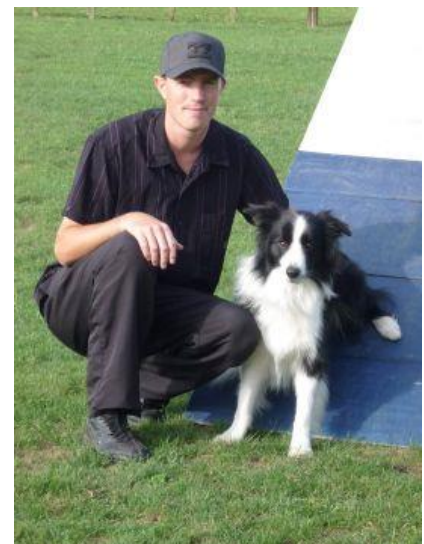

courses have good flow and "make sense". I like seeing handlers and their dogs running well as a team and succeeding on my courses or achieving something they wanted to get sorted. So hopefully you will all find my courses "doable" but challenging at the same time. I like to make them not just enjoyable to run but a spectacle to watch as well.

Good luck to you all for the event and I hope you achieve your goals, whatever they may be.

Carl Ranford

It's DAC time again. I am not talking about a weekend of peaceful protesting over law reform. No, I am referring to none other than our National Dog Agility Champs, better known as NZDAC, or the DACORY. Okay so I made that one up but for the most part it is the one time of year the entire agility fraternity comes together to showcase our sport over a four-day weekend and blaze up some courses at the big one.

I was introduced to agility back in '95 and, like many, I was sold on the concept of it being like "Tux Wonder Dogs". It would be fair to say I was hooked from the start. Back in the '90s training was once a fortnight, only three of us attended, we had fencing standards for weaves, pause box, maxi table, a dangerous tyre with chains, tunnel and five jumps. There have been huge improvements to our equipment since the inception and it sure is amazing to look back and see how much agility has evolved in so many ways - a credit to our community.

My long-time fiancée Catherine and I have 2 children - Kyra, six and Corban, three. We have five dogs, all Border Collies. Our competing dogs are Siri and Rhyme. They both compete in Senior and Jumpers A level. Rhyme has recently gained her Jumpers and Agility Champion titles.

I am a Senior IT/RF Engineer, although I cover a wide variety of IT work. I design a lot of wireless networks for large corporations throughout New Zealand, a rewarding job that has me travelling around most of the country. We live on a small lifestyle block just out of town. Being an avid poker player, I like to get a game in when I can.

I joined the agility judges' panel in 2009 as I wanted to give back to the sport and judges in our area were scarce at the time. I have travelled throughout New Zealand judging at various clubs, meeting new people and making new friends. I enjoy setting courses and seeing great team work come together.

I would like to thank the NZDAC 2016 Committee for the invitation to judge at this premier event. It is an honour. I look forward to seeing you all in and out of the ring.

Karen de Wit

I started agility way back in the late 1980s when I was young and skinny, and could run quite fast. I had a Bearded Collie cross who was happy to cruise around at his own pace. He was called Clear Round Cobber! I progressed to Border Collies "Moss" and "Tana" and lately Heading Dogs "Dee" and "Finn", whose clear round rate is considerably less than Cobber's, but they meet my "need for speed" with a much faster rate of travel, and have all provided me with many exhilarating moments over the years! I also compete on occasion with my mother-in-law's Löwchen called Benji.

I started agility in Christchurch (CCATS) and then moved to Wellington - first Zone 3 Dog Agility Club (now DAWG) then Upper Hutt DTS, which is where I am the agility coordinator and a committee member. I also produce the monthly Link magazine, and am a member of the Agility Committee - I am a strong believer in volunteering!

Over the years I have seen a lot of changes in agility, but the one thing that hasn't changed is the enjoyment that people get every week from training and competing with their dogs. I commend all the organisers for their efforts this weekend. Running a large event like this doesn't happen overnight; there is a lot of behind-the-scenes work that goes on.

I hope that you all have a great weekend, and that you enjoy running my courses. Even if you don't go clear, I hope there will be bits that you have enjoyed. Run fast, try hard, smile and make sure you give your dog a cuddle at the end of the day.

Good luck.

Kevin Burnette

So it all started with me accompanying my wife and our pet Dalmatian to shows, then, like it does for many people, I caught the “agility bug”, got my own dog to run, and the rest, as they say, is history.

Competing in this sport for over 20 years now, I have had the pleasure of representing New Zealand at two World Agility Championships, and trained with some of the best national and international handlers/trainers around. I think this gives me great exposure and experience as to what world trends are developing, which allows me to set courses that will be both challenging and fun. Hope you’ve been training for this.

I am thrilled to have the honour of judging at the premier event of our sport in New Zealand, and look forward to judging and competing against some great combinations (albeit not at the same time), plus catching up with like-minded friends.

I encourage everyone to dig deep this weekend and bring their best into the ring but most of all remember to enjoy the event with your dogs, for isn’t that why we got into this game in the first place?

MISSING – Kirstin Graves

Hasn't been seen judging in NZ for a few months, last seen judging in Australia – have the Australians kidnapped her? Did some nefarious person not want her to judge at both the NZ and Aussie nationals in the same year?

Age: 40 something

Hair: Brunette with blue highlights

Wearing: Usually something pink and a smile

Identifying features:

- * Has been known to wave at people in the ring
- * May have a dog paw print tattoo
- * Usually has a Border Collie x and a Golden Retriever with her
- * Has a weird fixation with naming things starting with the letter K
- * Answers to the nickname KDawg

Please contact the Zone 4 committee with any details on her whereabouts

REWARD

Fantastic courses and the chance to get a clear round

Roy Thorndycraft

Roy Thorndycraft (Taieri Canine Training Club)

Born: Woodford Green, Essex, England. I have lived in New Zealand (Otago) since 1995.

I am honoured to have been asked to judge at my fourth NDTA/NZDAC.

I first became involved with agility in 1997 and was immediately hooked. An outdoor sport that I could do with my dogs - how great is that? The social scene is pretty fun too.

All my dogs have been mutts, a rehome (Woody), an accidental mating (Bran), a rehome (Sto) and an accidental mating (Sync). I love(d) them all. Looks like the next one will be a rehome and definitely not a purebred. I just can't see myself with one.

Judging likes:

- ★ Watching a dog/handler combo succeed (particularly if I know of training issues they have overcome).
- ★ Watching handlers identify the best way to attack my courses.
- ★ Being supplied with mugs of strong tea.
- ★ Judging dislikes:
- ★ Handlers who take their dogs back more than one obstacle to correct a mistake (repeatedly).
- ★ Handlers who blame the dog for their own handling errors.
- ★ Being kept waiting while handlers faff around getting to the line (especially if it's raining).

I am looking forward to judging for Zone 4 and hope to see many handler/dog combos having fun.

Sallie Remon

I am honoured to have been invited to judge at this year's NZDAC and I am looking forward to watching all the different handler and dog combinations have fun running my courses.

I have been training dogs for most of my life (first competing when I was just 11 years old) and have been judging agility for 20 years. Although I enjoy competing, I class myself as a dog trainer, not a competitor. I enjoy nothing more than to watch people I have trained put that training into practice in the ring. I strongly believe there is no such thing as a naughty dog. If your dog makes a mistake it is because you haven't trained it well enough or you haven't proofed your training. I will not tolerate any handler who comes into my ring and loses their temper with their dog or blames their dog for its mistakes. Remember it is YOUR hobby. Your dog has no choice but to be a part of it!

Enjoy your dogs and enjoy your agility and remember, win or lose, you all take home the best dog at the end of the day.

Sharon Wagener

Sharon Wagener is a senior agility judge who has been judging since late 2009. She lives on a rural property just out of Otaki - between Wellington and Levin. She first did agility in the early 1990s in New Plymouth, but stopped as her Mini Poodle was too big for mini jumps and could not jump the maxi height – which is higher than the current one – and there was no midi height then. Sharon is a life member of the North Taranaki Dog Training Club after being on the committee for a considerable time.

She took up agility again in 2001 and competed with Molly at the 2001 NDTA in Christchurch after just eight lessons at North Shore DTC.

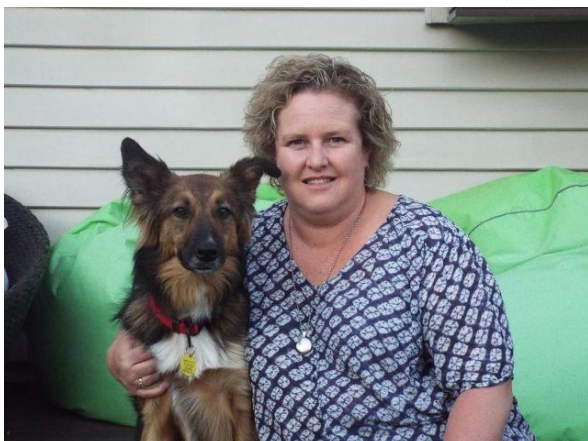

Completely mad! Molly had the honour of being the Zone 3 Novice dog in 2006 at the NDTA (also in Christchurch) and managed to win Novice despite Sharon having trouble running after a bout of the flu and having to run three times because of timer issues. Molly also holds the dubious record of being the oldest dog to win into Senior – but most of her wins were against all heights so that was a great achievement for a “steady” dog.

Sharon is now competing with four dogs – Byron, Skytte, M and Diva. They are all black Miniature Poodles that she has bred (in conjunction with her mother, Noeline, who is a retired senior agility judge). Sharon enjoys judging and loves to see handlers and dogs negotiating courses successfully at top speed. She also loves watching those who are in it for the fun and are just out there enjoying themselves. Her absolute favourite thing is when someone has struggled for ages and then achieves their goals. It's a great thing to behold! Sharon tries to encourage these people as they're so important to the sport – not everyone can come first and everyone helps fund and run the shows. Let's hope there are some of these moments at NZDAC 2016.

Susan Tansey

Thank you to the 2016 NZDAC Committee for inviting me to judge this year. I am really looking forward to seeing the best dogs and handlers in the country competing over challenging courses throughout the weekend.

I have been involved in dog agility for over 25 years and I think I have been on the judges' panel for about 20. Over the years I have noticed the decline of once popular breeds such as the German Shepherd and Golden Retrievers to the smaller breeds that the sport now dictates. While it is sad to see less variety, it is an indication of how fast and competitive the sport has become. This has changed the way judges design courses and I shudder to think how some of my courses from 20 years ago would hold up! The emphasis is also very much on dog safety

nowadays - not so much in the days of the triple 12-foot high fire jumps on top of a dog walk that we used to do!

So with that in mind I hope you find my courses safe, fast and challenging for all kinds of dogs. One thing that hasn't changed is the social aspect of the NZDAC (or NDTA or NDOA in the olden days). I am sure I will still hear the laughter, the joking and the congratulations as we all have a great time in Zone 4!

Scratchings

- ★ Before the weekend, if you need to scratch your dog from the show, please text the Show Secretary on 021 180 0384 or email secretarynzdac2016@gmail.com.
- ★ If during the weekend you want to scratch your dog, you can let the call steward for that class know so they don't call you. If you are scratching a number of events, please text the Show Secretary on 021 180 0384 or email secretarynzdac2016@gmail.com.
- ★ You will find our refund policy and a request form on the Official Website.

Change of Handler

If you are changing handlers and you want the correct handler's name on the clear round certificate, please let the Show Secretary know by text or email (secretarynzdac2016@gmail.com). Please provide the following details:

- ★ Dog's permanent number and name.
- ★ Classes for which there is a change of handler.
- ★ Name of handler.
- ★ Handler's NZKC number (note that the handler MUST be a member of the NZKC).

Reminder! We need to know this information before the end of the event. Requests received after the results are available will not be considered.

Results and Results Query

There will be no scoreboards at this event. We will post draft results as soon as possible after the event has finished - please check these within half an hour of the event completion. Once half an hour is past, any changes will be entered and displayed as the final results. Results will be regularly uploaded to the official website.

Please do not interrupt the results secretaries. If you have an issue with your result, please complete a result query form and drop it into the Secretary's office. The results secretaries will investigate and get in contact with you.

Course Walking and Course Running

Courses will be open to walk 35 minutes before the start of the event. Courses may be walked for 30 minutes. This allows 5 minutes for the first competitors to get to the line promptly at the start of the class. Please listen out for course walking announcements, or keep an eye on Twitter, so you don't miss out on walking your courses. No-one will be allowed to walk courses after course walking has closed, not even in a break or height change.

You will find a course map posted near the entrance to each ring. Feel free to take a photo of this with your phone to help you remember the course. Bear in mind that judges may have tweaked or even changed their courses from what is shown on the map.

Please be considerate of others when walking the courses.

Important: On Sunday, Intermediate 2 smalls and maxis will run in the morning. Medium dogs will run in the afternoon in the same ring, on the same course. Course walking for medium handlers will be in the afternoon with the Jumpers events. Medium handlers are not to walk the Intermediate 2 course on the Sunday morning.

Practice Rings

A full practice ring will be located in the oval. Please be considerate when using this ring and remember it is there primarily for warming up and not training. Training in the rings when classes have finished is not allowed.

Ring Etiquette

- ★ In every event, at the end of each height, that class will close. There will be NO exceptions.
- ★ Please communicate with the call board so you can have the best opportunity to get there in time.
- ★ Please follow the instructions of the chute steward, call steward, or scribe. If you need more space for your dog that is fine - just let the right people know.
- ★ Be ready to start promptly when the previous dog has finished running. The judges want to judge your run; not watch you mess around on the start line. Don't be offended if the ring staff ask you to get moving, as they are just trying to keep the show running to time. We have large classes to get through and we don't want to be there all night.
- ★ If you reach MCT (Maximum Course Time) you will be asked to leave the ring immediately via the exit area.
- ★ Please avoid training in the ring.

Dog Safety

Please keep your dog secured in a vehicle, crate, or trailer. Do not tie your dog up anywhere on site. There will be members of the public around so be aware.

We remind all owners and handlers that they are responsible for controlling their dogs at all times. All dogs should be on lead unless competing or warming up.

Harsh Handling

Harsh handling will NOT be tolerated at this event.

In the event that any harsh handling occurs, it will be dealt with in accordance with Agility Regulation 5.4.1. If any handler is cited under this regulation the instance will be reported to the Agility Committee, and possibly from there the NZKC.

The Show Disputes Committee will be treating any instance of harsh handling firmly. Any handler infringing under the harsh handling regulation may be subject to sanctions including disqualification from further competition on the weekend.

This also applies to treatment of people. Please be kind, considerate, and polite to others, especially show officials, volunteers, and members of the public. If you have an issue or dispute, please raise it with a committee member or take it to the Disputes Committee through the official channels.

Fouling

We are very lucky to be allowed to use one of Mid-Canterbury's premier rugby grounds. You can be assured that the grounds will be in pristine condition for the weekend, so let's keep them that way. This also applies if you are walking your dogs down the walkway behind the grounds, down the roads, or at the river.

There is no excuse for leaving rubbish and dog poo around. You will find lots of bins and bags located around the site. Please be extra vigilant during the hours of darkness or if you are toileting a lot of dogs at once.

Please avoid toileting your dogs on any of the rugby fields (the oval and of course the main agility rings), or near the playground. There are plenty of other areas that are more suitable.

Rubbish and Recycling

You will find plenty of rubbish bins around the site and these will be emptied regularly. You will also find recycle bins for your clean plastic, glass, paper, etc. Please use these and do not put your recycling into rubbish bins. Please let a committee member know if you find a bin overflowing or if you spot any other issue. Committee members will be wearing pink high viz vests, so are easy to spot.

Camping

We have a huge number of campers at this event. Julie will have notified you of your camping spot and provided full details. She has worked very hard to try and meet everyone's requirements.

Portaloos will be located around the site, and portashowers will be set up near the clubrooms for campers to use.

A camp kitchen will be set up in the clubrooms. There will be limited shared fridge space, microwaves, a water Zip heater, hot water for dishwashing. Please bring your own crockery, cutlery, pots and any other items you may need.

Campers may arrive from 2pm Thursday and must leave the grounds by 10am Tuesday.

Goodie Bags

Goodie bags kindly supplied by Eukanuba will be available from Saturday at the Eukanuba gazebo. Please listen for announcements about this.

We are really excited about the goodie bags this year. Big thanks to Nicky Brant and Marg Colgan (and others) for all their work sourcing items for the goodie bags.

Your goodie bags will be labelled and will contain your dinner tickets and any merchandise you have ordered. Please email the secretary if you are missing something.

Functions

We have three functions:

- ★ Friday - free nibbles at approximately 3.30pm in the marquee.
- ★ Saturday - BBQ style meal in the Community Centre. Dinner served approximately 7pm.
- ★ Sunday - Spit roast and karaoke evening in the Community Hall. Dinner from approximately 7pm and entertainment from approximately 8pm. Zones, please get together and pick a Zone song to sing. The theme is Neverland so come dressed as your favourite pirate, fairy or similar. There will be prizes for best outfits.

All functions are BYO.

The Community Hall is about 2km from the venue. You may like to carpool to the events. There is plenty of parking around the hall.

Shopping

We have a few keen stall holders this year. You'll find them around the edge of the oval. Most will be cash or cheque only.

Please do not sell or transact business on the grounds unless you are an official stall holder. It's not too late to book a spot, and it's free, so contact the secretary if you are keen.

Prize Giving

All prize givings will be held at the end of each day's events. Please listen out for announcements or keep an eye on Twitter. If you have placed in a class, please come to prize giving or arrange for someone to take your place.

Unplaced clear round certificates can be collected from the box near the results printouts.

Qualification certificates will be available for Gamblers classes.

Food and Drinks

There will be plenty of delicious food and drinks available to purchase at NZDAC. Remember to bring some cash with you, although some vendors may have Eftpos.

Food stalls will include:

- ★ Purple Dragon - dumplings and Ramen noodles
- ★ Takao Teppanyaki
- ★ Black Kite Catering - nachos (gluten-free), sushi (gluten-free), burgers, salad, cold drinks
- ★ Shino Allen - coffees, cold drinks, brownies, ginger cakes, fruit cakes, slices
- ★ Breakfast BBQ from early to approx. 9.30am (the famous Selwyn Dog Training Club BBQ)

A huge thank you to Naomi Tsuchida who has organised a number of these yummy food vendors.

Note: Tap water in Rakaia is safe to drink and excellent quality. There are also a number of local food options. See Local Attractions and Amenities for more information.

Spot Prizes

Keep an ear out for the spot prize announcements happening all weekend. We have lots of great spot prizes up for grabs.

Parking

If you have booked a camp site you may park there during the day, or you can park in the day parking area if you prefer. There is plenty of parking. Some ringside day tent sites allow parking (Julie will have notified you of the details). See the map for parking details. Please do not park close to the children's playground.

Health and Safety

All competitors and persons attending this competition and venue must accept their obligations under the Occupational Safety and Health Act (1992). All competitors and persons attending compete and attend at their own risk and indemnify the NZDAC Committee from any responsibility of injury to themselves or their dogs.

All competitors and persons attending must agree to and abide by all hazard identification/risk management plan rules set out by the committee, and take full responsibility for:

- ★ Dogs in their care.
- ★ Children in their care.
- ★ Any loss or damage to any equipment owned or used by that person.

Please report any incidents, accidents or near misses to the Show Manager, a member of the committee, or Tim Conolly, our Health and Safety Officer.

Smoke Free Event

NZDAC 2016 is a Smoke Free Event. Please do not smoke on the grounds.

InterZone Teams Competition

About

The InterZone (IZ) Teams event is one of the feature events of the National Agility Championships. Four of the best dogs and handlers per grade will compete against each other to determine the overall winning zone. Competition will be fierce, and interzone rivalry is encouraged.

This event will start on Saturday at approximately 4.30pm with course walking, team photos and parade, followed by the Starters, Novice, Intermediate, and Senior classes. The judges are as follows:

- ★ Starters: Kevin Burnette
- ★ Novice: Roy Thorndycraft
- ★ Intermediate: Kirstin Graves
- ★ Senior: Sallie Remon

Zone 1 Team

Starters: Heather Warren and Flynn

This is my second time representing Zone1 with a Starters dog. Back in 2010 I competed with AgCh JCh Jazz but was so terrified by the whole experience I vowed never to bother trialling for the zone team again. I'd forgotten about that until after Flynn and I qualified.

Flynn is a rehome and I've owned him since he was about nine months old – he will be two early October. He has shown glimpses of great work in his very short agility career but more often than not is a happy-go-lucky, carefree, laid back young dog.

I have been competing since 2006 and Flynn is my fourth agility dog (all rehomes) and it has been fun not only recognising their individual traits and trying to fathom how to get the best out of them but challenging myself to improve our teamwork. As I mentioned above he is a happy-go-lucky dog and I just hope on the day he'll be focused and not get side-tracked by anyone sitting on the side-line who might offer him a cuddle or, better still, a bite of their sandwich.

Novice: Paul Needham and Vogue

Hi all! I'm Paul Needham and I'm a relative newbie to the agility world, having only been involved in the sport for around six years. I have always been around dogs, however, with my mother breeding and breed showing shelties, and my wife Kylie and I have been breeding Border Collies under the Haulton name for 14 years.

This is the first time I have trialled for the zone team, and to make it with our baby dog Vogue is just amazing. At only two years nine months she has challenged us every step of the way and rewritten the rule book when it comes to training, but her enthusiasm and drive is infectious and we are finally enjoying running as a team with some great results. I'm looking forward to representing the mighty Zone 1 team this year at Rakaia. See you all there!

Intermediate: Hayley Rohde and Bolt

Bolt is a seven-year-old Border Collie who was bred by us at Aquila kennels. Bolt belongs to my mum mainly, but I steal her occasionally. This will be her third time in the Zone 1 team, but will be the first time I have run her in the team. Bolt is a super honest little dog, and always tries her hardest to please. She competes in agility and flygility and is working at Test C in obedience.

I've been around dogs and agility since I was born. I started competing when I was little and have never looked back. I love running dogs, the more the better. I have three dogs of my own, who I compete with and, well, they have fun ... but I also get called in as "rent-a-handler" quite often.

I'm looking forward to representing Zone 1. Good luck everyone.

Senior: Graeme Jefferies and Millie

I'm a member of the Cambridge club and feel honoured to represent the Zone 1 team at our national show.

AgCh JCh Seaquest Millie is an eight year-old tri-coloured Border Collie. What I love most about Millie is her attitude; it doesn't matter to her if she is running at full speed around an agility course or playing with our other dogs, she tries so hard – always giving me her best and is happy from tip to tail.

This is the second time I have been selected for the agility teams event. I ran Pearl as Intermediate team dog in Tokoroa in 2015. This is the second time Millie has been selected as team dog - she represented Northern Region in obedience at the last ever NDTA in Taupo – at that event she won the Jalain Deal Me In Trophy for the highest points in both agility and obedience.

Millie lives with three other Border Collies and loves her regular visits to nearby Lake Arapuni. Although Millie is nearly nine, she shows no signs of slowing down; she is a very high drive dog, with not much of an off switch.

Zone 2 Team

Danielle Koningsveld and Dexter

Introducing Danielle (please call me Dani) and Dexter. I am super excited, and a little bit nervous, to be representing our zone at this year's NZDAC. I'm a true born-and-bred Tauranga local, and love living in the sunny Bay of Plenty. To fund our agility addiction, I am a full-time toddler wrangler at a fabulous childcare centre. I started competing just over a year ago now and am stoked with our progress so far. Our club, Mount Maunganui Dog Training Club, has been really supportive and we are keen to represent them well.

Dexter is a chocolate and tan Kelpie from a farm in Opotiki, with no papers so I do not know his bloodlines, sadly. He is three and a half, and as my first dog, I could not have asked for a better dog or best buddy. When we are not competing we are often out exploring by bike, foot or on the water. He is completely ball obsessed and believe it or not his favourite person is actually his Pop, who always has a handy treat to sneak.

We wish all the other competitors all the best, but go Zone 2!

Novice: Sharon Simonsen and Valentine

Hi, I'm Sharon and this is Valentine. We are really excited to be representing Zone 2 in the teams this year. We are members of HBDTC in Hastings. This is our first time in a zone team and this will be our first South Island show so I have a lot to look forward to.

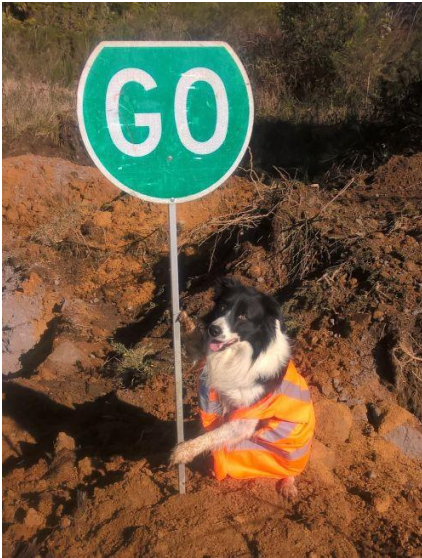

Val is my third agility dog. I started with Poppy (Lab) who was never overly keen to participate, then QTPi (Heading) just overly keen at everything and I have Sophie (Lab) coming up.

We were lucky enough to be given Val from very good friends with much mumbling about her being the pick of the litter and should be on a farm not in town and not doing agility. She has been a challenge to train but we are finally getting it together and the hard work is paying off.

I'd like to thank everyone who has helped me with my training and teaching me and the dogs new skills all the time, and thanks also to my family for putting up with us.

Go Zone 2!

Intermediate: Chelsea Marriner and Legend

Chelsea has been competing in agility for 18 years now and can still be found at the occasional agility show, if there is no motocross or mountain biking event on the same weekend.

Legend is a five and a half year-old working collie. This is Legend's first time as team dog, and as with everything in his life, he is very, very excited about it. His other hobbies include working sheep, tagging along behind the mountain bike in the Redwoods, and watching his reflection in puddles. His biggest achievement, apart from Jumpers Grand Champion, is being the only dog of Chelsea's who is not scared of the exhaust of her motocross bike, and he will happily run right underneath it. Ledge's career seemed to be heading in the direction of a trolley boy, but he had a very successful stint working for Downer on their Stop/Go sign. Chelsea and Ledge wish

everyone the very best for DAC. (If Chelsea ends up not turning up to DAC, there must be motocross on down south somewhere, but Ledge will happily run a course for anyone!!)

Dyson Beasley and Rumur

This will be my final run as a Zone 2 team member. By the time you read this I will be living in Zone 3 and looking forward to some new jobs and challenges with my wife, Paula. I have been a member of Zone 2 team a number of times and love the atmosphere of the event. Even though sometimes the run might not end up as a clear round or a win for our team I do think it is fun and part of the fun is to push yourself to compete against some of the best dogs in the country to hopefully win your class and overall event.

This year's DAC is all about Rumur; this will be her final time as a team dog and her final year in competition. From next year she will be retired from competitive agility. She will still get the odd run for fun but she has done me proud and owes me nothing.

This year Rumur and myself have been lucky enough to obtain the Senior spot for the InterZone competition, which I am really looking forward to running. We love to be challenged and competing at the highest level. Rumur has achieved many things in the eight years of competition here and in Australia; she has gained many friends and people who love her but mostly she is loved because of her personality and temperament.

Finally, I would like to wish everybody a great weekend away, with all the best of luck and travel safe home.

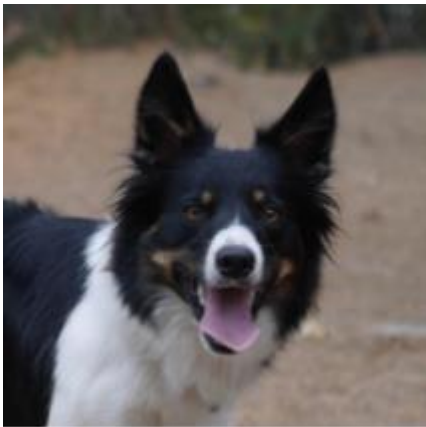

Zone 3 Team

Starters: Donna Tofts and Flirt

Flirt (aka Flirty and Miss Flirtalicious)

Flirt is the ultimate competitor and team mate - a speedy little girl who keeps me on my toes. Flirt is my third dog to compete in the Zone 3 team in three years and we will be going hard to make it the Zone 3 three-peat.

Novice: Rebecca Sidwell and Teasa

Teasa is the third dog that I have run representing Zone 3. She loves to curl up and have cuddles while telling a big story, but once out on the agility course she is focused on doing her job. She just has to make sure that everyone hears her while she runs. She is a fun dog to run but also as a family pet.

Intermediate: Peter De Wit and Quick

The proverb goes, “Don’t count your chickens before the eggs have hatched”. Well, last year I was sure that at the age of nine it would be the last time Quick would make the Zone 3 team, but proving the proverb right, the amazing Quick is back for the three-peat at age 10.

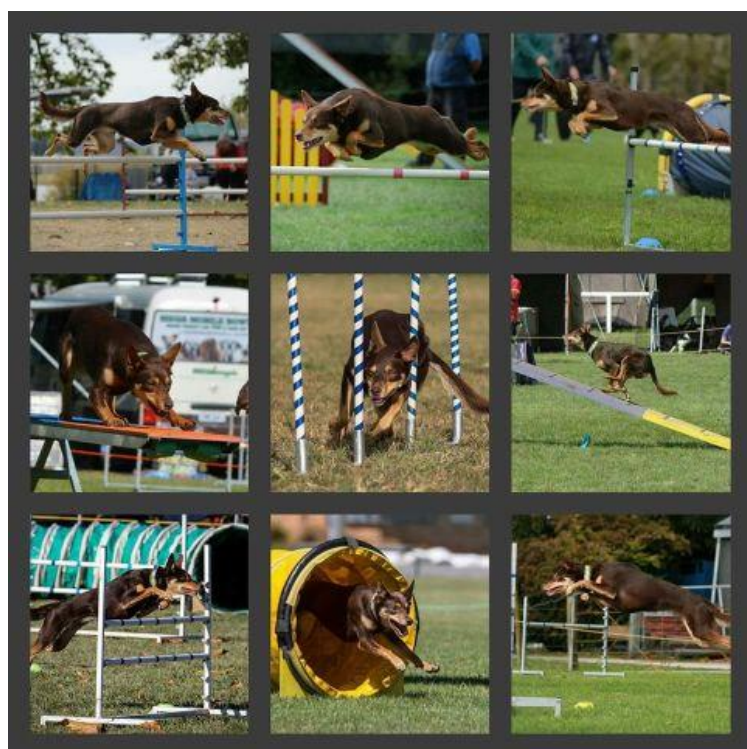

Quick has had a fantastic summer and autumn season with plenty of fast clear rounds and a trip to Adelaide for the Aussie Nationals in May. In Aussie she was a star, coming third in the Open Jumpers finals, third in the Masters Agility final and fourth in Masters Gamblers.

In the middle of the year, my puppy JJ died of kidney failure, which was hard. We had her for such a short time and still miss her, but we move on.

We have a great team this year and after wins in Gore 2014 and Tokoroa in 2015, the Zone 3 team will be trying hard out for the three-peat!

Senior: Celina Lovejoy and Riot

Hi, I’m Celina, and I have been doing agility for 15 years. I have been on a zone team once before, representing Zone 2 at Starters level with my second dog, JJ. I started in Napier, and made the move to Wellington just over three years ago. Riot (known officially as JGrCh AgCh Illawarra Lets Start a Riot ADXG JAX SNX GDX CGCB) is my third agility dog, and certainly is one in a million.

She is an Australian Working Kelpie bitch from Hawkes Bay, and is nearly six years old. Riot really is my dream dog! We have achieved so much more than I could ever have hoped for, and being selected to represent Zone 3 at Senior level has ticked off yet another goal for us. Riot is a very honest little dog, and gives her all. She is very smooth to run, and tries her

hardest. Although she sometimes does silly things you can’t be mad at her - she’s just having fun. Hopefully the Golden Child and I can do the team justice. Let’s go for a three-peat ... GO ZONE 3!

Zone 4 Team

Starters: Caroline Sinclair and Diggles

I am very proud to be representing Zone 4 in Starters with my boisterous boy, Diggles.

Diggles is a two-and-a-half-year-old Huntaway x Bearded Collie with a love of life that is contagious. He has the ability to put a smile on everyone's face with his antics and cuddly nature. I can't say that he has been easy to train; he has been a challenge but I have had a lot of fun and learnt so much in our agility journey together. I am constantly amazed at the things he can do and he makes me smile every day.

I began agility in 2002 at Mid-Canterbury Dog Training club with my Border Collie, Harley, closely followed by Cruz, a Huntaway X, and Mo, a Heading Dog. I had a few years away from the sport but it wasn't long before it called me back and with the arrival of Diggles I have enjoyed being back in the agility community again.

Novice: Kathryn Snook and Meila

"Meila" truly lives up to her kennel name, "Schondara Madame Meila" - she thinks the world needs to know who she is and she sure lets everyone know it.

I never intended to breed Meila for agility but as time went on she showed so much potential. Her outstanding drive, intelligence and willingness to please made training so much fun and it is always a pleasure to train with her.

She puts her heart and soul into every run and has improved immensely with the new handling system. She enjoys life in Rangiora with Lisa and Logan who care for her and currently she is the Kaiapoi Coast Guard Mascot.

We are proud to be representing Zone 4 in Novice and will give it our best shot.

Intermediate: Sheryl Vincent and Q

Seven years ago I popped over to a Wakefield farm to “look” at a puppy. That’s what the note left on the bench for Eddie said, who knew that that meant I was coming home with a puppy.

Q, aptly named, as he is the q-test dog ever, resides here in Blenheim with myself, Ed, four dogs, one cat, a ewe, and heaps of chooks.

Scooty-bum is his number one nickname, which will become evident to those who don’t know him once you see him on the start line! Generally speaking he is such a great house dog, with such a nice, relaxed, quiet nature and a pleasure to have around, until it comes to food. There are few places food can be put out of his giraffe neck reach!

I am very proud to be representing Zone 4 with Q and wish everyone competing the best of luck.

Senior: Roselle Bremmers and Quiz

Quiz is a seven-year-old Border Collie/Heading Dog cross and this will be our third time representing Zone 4. First and foremost, Quiz is my best friend – agility is just an added bonus. Quiz enjoys swimming, she loves running beside the mountain bike and she enjoys going for long walks in the mountains or down the beach. Quiz has acquired many achievements over the years and she has always been an absolute joy to run. She has a lovely temperament and is an honest dog who tries hard to please. I am thoroughly enjoying sharing my life with her and we look forward to representing Zone 4 in Senior this year.

Zone 5 Team

Starters: Richard Powley and Rapid

I started agility with Kuta, a six-year-old Boxer Lab X. Although she really enjoyed it, we never broke any speed records, especially in the weaves. After she retired we got a small block and livestock and after a lot of running around I decided I needed a working dog to help me move the sheep. Kuta just wanted to chase them and probably eat them if she was fast enough. I didn't want a Border Collie, which may have been easier in hindsight, so we got our first Kelpie, Kellie, in 2007 and now have our third Kelpie, Rapid. I am very proud of Rapid for making the Zone 5 team. Rapid is three years old and she is a lovely wee girl. Her favourite activities are working sheep closely followed by running around with the quad bike and agility. Although she is not as fast as her name suggests she is very keen and careful. I would like to wish everyone competing in the team event good luck ... go Zone 5!

Novice: Brent Cowie and Spice

Spice is very new to competing in agility, only having just turned 18 months on 13 August, and I think she has made a good start to what I hope will be a long and successful agility career.

She lives at home with my first agility dog, Steph. I have been competing for just over three years, which makes me a newbie compared to some. A huge thanks to everyone who has taken time to train me and given tips, advice and feedback. I still have a lot to learn but it's definitely helping me to become a better handler. I feel it is a great privilege to be representing Zone 5 at this year's NZDAC.

Intermediate: Reece Smith and Vapor

My name is Vapor, and I'm from way down in the lower south - Dunedin. I live with my human, Reece, and all my other dog friends.

I've been doing agility for three and a half years and I love it! Especially this year because I get to be on the Zone 5 InterZone team! What a rush!

Vapor is my second (of now many) Border Collie and I'm lucky enough that this is my third time on the Zone 5 team, and the first time with a Collie instead of a Kelpie!

Good luck to my team mates (and everyone else) and of course ... GO ZONE 5!

Senior: Anne Cook and Juice

Hi, guys. I'm Anne Cook and this is my partner in agility crime, Juice. I've run in the team certainly a few times now (won't count them) and I think this is Juice's fourth.

She lives at home with 10 other dogs, a cat and our five-year-old daughter. Juice was one of the original Backbeach dogs; there are now a lot of awesome (and some illegitimate!) BB dogs following behind her. She might be tiny but she has done me proud, titling at a very early age and this year gained her 100th challenge.

Best of luck to all of the other competitors and go Zone 5!

Flygility

A big thanks to Carole Logan for organising the Flygility competition.

Flygility will be held on Friday morning, starting from 9am, in the oval. The draw will be emailed to competitors before the event.

Gamblers Rules

Gamblers is a game with two parts – the Points Accumulation Period (PAP), and the Gamble.

The aim is to collect as many points as possible in the opening sequence and then to complete the Gamble successfully within the time given.

During the PAP the handler creates their own course accumulating as many points as possible in 30 seconds. The Gamble is a distance challenge, during which the handler stays behind the line while the dog negotiates obstacles.

Points

- ★ Every obstacle correctly negotiated earns points.
 - Jumps = 1pt
 - Tunnels, spread jumps, long jump and hoop = 3pts
 - Contact obstacles or 6 weave poles = 5 pts
 - Weave (12 poles) and combination obstacles = 7pts
- ★ Obstacles can be performed from any direction, with the exception of the seesaw and collapsible tunnel.
- ★ Obstacles are only scored twice.
- ★ Obstacles may not be taken back-to-back except in the event of a missed contact. If the dog misses a contact the dog may be directed to redo the obstacle immediately to score it.
- ★ Refusals are not judged.
- ★ You may perform Gamble obstacles during the PAP.
- ★ Poles are not replaced during the round so that when a pole is knocked that jump is not worth any points should it be negotiated later in the run.

The Gamble: There will be a gamble line over which the handler must not step. If the handler puts a foot into the handler restriction area no points will be received for the gamble.

Qualification

To gain a qualification certificate the following minimum points must be gained:

Grade C:

- ★ 20 points in the Points Accumulation Period
- ★ All the Gamble points

Grade B

- ★ 25 points in the Points Accumulation Period
- ★ All the Gamble points

Grade A

- ★ 30 points in the Points Accumulation Period
- ★ All the Gamble points

Finals

Jumpers Finals

Jumpers finals will be held on Sunday, at the conclusion of the afternoon's events. Winner of each split automatically qualifies for the finals. Place getters receive points: 2nd = 9 points, 3rd = 5 points, 4th = 3 points, 5th = 1 point.

MEGA MOBILE BOWTECH

Adrienne Charters - Masters Bowen Therapist & CCmrt Practitioner

Cat & Canine Muscle Release Therapy

Graham Rubick - Bowen Therapist

The Bowen technique is about putting the body back into balance, because it addresses every cell. Bowtech sessions generally take from 15 to 45 minutes.

CCmrt is the trademark of Cat & Canine muscle release therapy, and is the original technique of healing small animals gently.

BANDAIDS - On the day of competition, bandaids (up to 5 moves) can assist the dog that is clipping jumps, has landed awkwardly in a previous round, maybe tweaked something or just not his/her usual self.

Made to measure MEGA WRAP dog coats. Double polar fleece.

Free assessments for your dogs by Adrienne

Come and talk to Graham or Adrienne about your sore neck, shoulders, back or legs.

Agility Finals

The Agility finals will be held on Monday, after the completion of the morning events.

Winners of each split automatically qualify for the final. Winner of each split automatically qualifies for the finals. Place getters receive points: 2nd = 9 points, 3rd = 5 points, 4th = 3 points, 5th = 1 point.

Akarana Dog Training Club began in 1960 as an Obedience training club. Over the many years the club has offered domestic and competitive dog obedience. In later years Agility became a big part of the club.

While we still offer a community service with domestic obedience within central Auckland, the club now also trains in non-competitive and competitive Agility. With the growing number of members and the thrill of running our own shows members have been attending NZDAC events since they began.

As one of the smaller clubs in Auckland we are proud to sponsor the Senior Final at this year's NZDAC 2016.

The Akarana committee and members wish Zone 4 and all the competitors good luck. We hope you all do well and most importantly have fun with your dogs.

Young Kennel Club

The Young Kennel Club events will start at 9am on Saturday morning in Ring 4, with YKC Jumpers C, followed by YKC Handler of the Year Final. Both events are judged by Sallie Remon.

YKC Jumpers C

The YKC Jumpers C event will be held at 9am in Ring 4, judged by Sallie Remon.

Photographer

Our official photographer is Chris Watson from PRO Focus. Some of you might remember him from NZDAC 2014.

Chris is based in Te Anau and has been doing photography for close to 20 years. He has won prizes in local and international competitions and has a real knack for taking agility photographs. Chris will be selling his photos after the event via his website (<https://www.facebook.com/myprofocus/>).

Other photographers are welcome to attend and take photos for personal use.

Local Attractions and Amenities

Thanks to Heather Broomhall for the local insight.

Groceries and Food

There are two Four Square shops in the township:

- One is on Elizabeth Avenue, which you will most likely drive past on your way to the domain. This shop sells homemade baking and sandwiches, pies, and gift items too. It's a great wee supermarket that opens every day for long hours.
- The second Four Square shop is around the corner on Railway Terrace. It too is like a supermarket.

Fish and chip shop is on Railway Terrace. Very nice takeaways (just down from the Railway Tavern).

Opening hours are:

- ★ Thurs: 4pm to 8pm
- ★ Fri: 4.30pm to 9pm
- ★ Sat: 4.30pm to 8.30pm
- ★ Sun: 4.30pm to 7.30pm

Pubs

South Rakaia (east side of the railway line) and **Railway Tavern** (on the west side of the line)

Yes, there are two and both have great meals available but the Railway Tavern has a separate restaurant in it and the other one doesn't. The Railway Tavern is a sponsor of NZDAC.

The TAB is at the South Rakaia pub.

Other food options:

- ★ **Meads**, which is a cafe and takeaways. It's the only shop in Rakaia that has milk shakes, but they're not open on weekends. They're situated at the northern end.
- ★ **Salmon Tales** is a café, restaurant and bar. They do great meals. Across the road is public toilets and these are cleaned twice daily. There is also a facility for campers to empty their waste.
- ★ The Dunsandel Store, Dunsandel Tearoom, and Dunsandel Tavern all have food options and coffee. The Tavern is open for evening meals.

Mobil garage is a great place which has a very wide range of good hot and cold takeaway food. There is an ATM machine inside and you can also get your Lotto tickets. One of the big Lotto winners purchased their tickets here! Open seven days from 6am to 9pm. I have heard great things about their fried chicken.

Walks and River Access

There are two suggested river and track walks.

- ★ The first is on the east side of the main road and boat access. To get there, go down Michael Street (Kawasaki Motorbikes are on the corner of the main road and Michael Street). At the end of the street turn hard left on to gravel road and drive to the end. There is a swimming hole and walks there.
- ★ The second walking track is behind the domain where NZDAC is being held. Access is off Normanby Road. From this road, turn left towards the dump and left again on to a walking track. The track is 3.2km long. You can walk all the way to the end and back. If you go by vehicle, you will need to park either on Normanby Road or by the dump.

ATM

There is a cash machine in the Mobil garage.

The Wider Area

Check out the following websites:

- ★ <http://www.midcanterburynz.com/>
- ★ <http://www.doc.govt.nz/Documents/parks-and-recreation/tracks-and-walks/canterbury/walks-for-families-in-canterbury.pdf>

It's also an idea to check out the Selwyn district, which starts on the north side of the Rakaia River, ends at Templeton near Christchurch, and stretches out to the east coast and all the way to Arthur's Pass. All domains and reserves in the Selwyn District are dog exercise areas.

If you have a few days to spare in the area, or if you have family who find four days of agility a bit boring, you might like to check out these places/activities:

- ★ Mount Somers.
- ★ Methven.
- ★ Castle Hill (on the way to Arthur's Pass).
- ★ Banks Peninsula area (Akaroa etc.).
- ★ The east coast beaches - from Leithfield beach in North Canterbury, down the coast to Taylor's Mistake, and after the Peninsula you can access the wild and stony beaches near Lake Ellesmere.

Perpetual Trophies

If you are bringing a trophy back to NZDAC, please make sure it is clean and polished. You may return trophies from Thursday 2pm to the Secretary's office.

You can find the full trophy details, including all the InterZone team winners on the dogagility.org.nz website.

Rakaia Railway Tavern - Hosts: Craig & Helena Dunlea

This historic green pub on the alp's side of the Railway Line, was built in 1873. In March 2014, Craig and Helena purchased the business along with their three children Tayla, Josh and Cody. Craig is a local and actively supports and promotes events within the community, and the tavern is a major sponsor of the Rakaia Rugby Club. Go visit and have either a bar or bistro meal, maybe have a game of pool, or crank up the jukebox! Craig and Helena are wonderful hosts and will make you feel very welcome.

North Shore Dog Training Club Inc. ('Club') was founded in October 1976 so this is the Club's 40th Anniversary year.

Since then, our membership has grown rapidly to become one of the largest dog training clubs in the Auckland region, with well over 300 people a year attending classes with a stable membership. Our goal is to help dogs and their owners get the utmost from their time together, whether that is in responsible dog ownership or in the competitive or qualifying field.

The canine actives we offer are Competitive

Obedience, Agility, Flygility, Tricks, Rally-O, Canine Good Citizen and of course, roll-around pet dog manners training.

We're extremely proud to have some of our members regularly featuring among the top place-getters at shows all around the country.

The Club continues to keep its level of instruction to the highest standard. The combined knowledge of our member instructors, competitors, judges and assessors means we have a wealth of experience in all facets of dog training and handling. Each of the disciplines trained at the club has its own co-ordinator and the latest practices in training continue to be developed within our volunteer instructor network.

Otago Canine Training Club was founded in Dunedin in 1964. The club's aim at that time was to promote and encourage obedience training and good behaviour among the local dog population. Within a few years, while still providing a comprehensive basic obedience program, the club's focus shifted to competitive obedience training and competition. Agility was introduced in the early '90s, followed in time by Flygility and Rally-O. We are proud to still be very much a "multi-discipline" club, with a great history of innovation and a strong culture of positive, progressive dog training.

The Nelson Dog Training Club was established in 1967 and runs classes and events in dog agility, obedience, rally-o and canine good citizen.

Our agility classes are run on Saturday mornings by a dedicated group of volunteer instructors, with training nights during the week. Our instructors consistently work to build their knowledge about agility and to pass those skills on to their students. NDTC works hard to create a supportive, encouraging, and welcoming environment where people and their dogs can set, work toward, and achieve their goals.

NDTC runs two championship shows a year, one at Queen's birthday weekend and one in late September. These attract people and dogs from all over New Zealand.

The Blenheim Canine Training club has been in operation for 45 years firstly as an obedience club until agility was introduced around 15 years later. We are a small club of around 40 members combined agility/obedience.

We run courses in agility starting with foundation and beginners level and for club members classes from starters up to senior level.

Obedience runs courses for the general public and also a regular class for club members.

Mount Maunganui Dog Training Club is located on Links Ave at Mount Maunganui, where the club holds classes on a Thursday night. New handlers graduate through Obedience, Clicker, Control Play, Pre Agility and right through to Senior.

We are running at full capacity and often have a waiting list. We run a Ribbon Trial, Jumpers and an Agility Show, often combining manpower and equipment with our neighbouring Tauranga club. Members are encouraged to help and have a go. We are proud to be behind one of our members, Dani and her dog Dexter, who has been selected as the Zone 2 Starter Dog. We wish ALL competitors the very best for NZDAC.

Canterbury Canine Agility Training Society (CCATS) was founded in May 1987 by a group of people who wanted to form a club where they could live, love and focus on the sport of agility.

Our training grounds are located off Innes Road at Mairehau High School in Christchurch.

We offer weekly training classes, from pre-agility to competition, designed so that both those who aspire to become serious agility competitors as well as those who simply want a challenge with their dog can learn in a fun and positive environment.

We are an agility-only club and, what's more, we've been doing it for over twenty five years! We have the right resources, the right people to take care of you and your dog's agility needs. Our goal is to make agility training fun for both you and your dog and to provide the training in a positive and relaxed atmosphere.

Selwyn Dog Training Club is based in Rolleston in Canterbury. It was started in 2003 by a keen group of people who then encouraged the council to build a dog park, where the club is now based. It is a multi-discipline club, training obedience, rally-o, CGC, fly-agility, agility. It also runs domestic courses for people with puppies and young dogs. Since the 2010/11 earthquakes, Rolleston has grown significantly and so has the club membership. The club website is <http://www.freewebs.com/selwyndtc/> for information and contacts.

TCTC was formed in 1979 originally as an obedience club offering both domestic and competitive obedience training. In the late 80s the club became involved in Agility training. The club has enjoyed success in both agility and obedience, producing many champions, grand champions, and regional representatives in national competitions.

The Club hosts Championship Shows and Ribbon Trials. The club has also been privileged to host Obedience and Agility Seminars which are often facilitated by visiting specialists, thanks to the dedication and hard work of members. Visit our website for more information www.tctc.org.nz.

Counties have been training dogs (using positive methods) and their owners since 1975, and are now based at 11 Kidd Road, Te Hihi.

Training is held for agility (on various evenings of each week, plus Sunday), flygility (once a month on Sundays usually) and obedience (on Tuesday evenings indoors at the Pukekohe A&P grounds).

Our flygility is particularly strong and training is open to people from outside of Counties for a nominal fee. We have a strong agility presence at competition level, run the NALA link courses in both agility and flygility, and despite having fewer members competing in obedience they have remarkable success rates at competitions. Our members come from far and wide and some of them travel long distances to get to the grounds.

Our approach to training is positive, supportive & must be fun for both handler & dog, using positive reinforcement training methods.

We run Dog Training & Puppy classes from 3 months onward.

Many of these handlers then start agility training once the dogs are old enough.

Our Agility training starts from Foundation through to Intermediate/Senior training.

We run 4 shows per year, March Championship Agility event, May ART, August 1 day Jumpers event, September Championship Agility event.

Mid Canterbury Dog Training Club Inc is a small Ashburton based K9 training club, based at the Ashburton A&P show grounds. Founded around 1980, originally as an obedience club. We now offer Domestic and Domestic Advanced public classes, Rally-O, Puppy Agility, Agility, Fly Ball, and Trick Training classes. We train 3 nights a week, with each night specialising in different aspect of dog training.

We pride ourselves on our close family group and have a great list of very skilled instructors at our disposal. We are fortunate to have a very large training area too. We hold 2 championship agility shows, one agility ribbon trial, two championship obedience shows, and three championship Rally shows every year, which keeps this wee club very busy.

On the corner of Waitakere And Access Roads in Kumeu are the grounds of the NorWest Dog Training Club.

NorWest offers guidance in training Obedience, Rally-Obedience, Agility, Flygility, Dog Tricks(heelwork to music).

Our aim is to use our expertise to help provide owners with insightful, educational, hands-on training so that they can communicate with, train, and prepare their puppy or dog for becoming a loving, safe and responsible family member.

We also aim to help strengthen the bond between you and your dog and foster a training environment where the dog feels safe and trusts that it will be treated fairly.

Obedience – Monday Night 7 - 7.45pm

Agility – Wednesday Night 6.30 - 8pm

Flygility – Friday Night 6.30 - 8pm
