Welcome

Step right up, Step right up! Welcome to this year's 3 Ring Circus that is NZDAC 2018. Your Ring Masters are ready to put on a show for you.

The circus is in town and the big tent is Manfeild Stadium, a world class stage in a world class venue. Zone 3 are bringing you this circus and joining our line-up is an international judge all the way from Texas! Your organising committee are excited to have you all be a part of it.

The Stage - 3 Rings, on an all-weather surface floor inside Manfeild Stadium: which has held other national Dogs NZ events such as Breed and Obedience shows.

For many, NZDAC is a must do event on their calendar, and this year is no exception. It is also our biggest social event of the year and that alone brings a lot of us. It's a chance to catch up with friends from across the country and enjoy the company of those with whom we share the same interests.

The venue will be electric, with a large variety of stalls, sponsors, live results on a large screen, catering, showers, camping facilities, dogs, lots of dogs and of course lots of action.

There is a great line up of judges mastering over 3 rings of agility; delivering non-stop, high intensity action.

All aspects of agility are covered, there will be Champ of Champs, Flygility, JDT, Agility & Jumpers Finals, and of course InterZone, where each Zone gets into theme and cheers their Zone on from the side-line. This year we will be bringing you Zone 6! That's right, JDT have formed their own Zone and will feature this year at NZDAC! This should add some much-needed excitement into InterZone.

Sunday night is social function night, so make sure you bring your dancing shoes.

I would like to thank our organising committee for all the hard work they have done to deliver this huge event. It is no easy feat to bring all this together.

Special thanks to our premier sponsor Black Hawk, and all other sponsors and clubs who help make this event possible.

Finally, good luck to all those competing and I will see you there, in and out of the ring.

The Judges

Emily Hurt – Texas, USA

I was very excited when I got the call to judge at New Zealand's premier agility event, the NZDAC. I would finally be able to put those Kiwis to the test on my courses with my judge's hat on! (I had earlier been the Paw Blacks coach for 2 years running, tasked with the responsibility of whipping them into shape for the IFCS World Champs in the USA)! I'm really looking forward to coming "Down Under", to judge, teach, and see a little of your lovely country.

I live in Plano, Texas with my husband and our six dogs (5 Border Collies and 1 Rescue Mix). I have always had a dog by my side, enjoying the training aspect, but it took my Jack Russell Terrier "Madison" to introduce me to agility back in 2003. I got my first Border Collie "Josefin" in 2006, and now compete at the highest level of USDAA & UKI. A Civil Engineer by degree, I left the world of Land Development in January 2009 and have been following my passion, teaching and judging agility ever since.

Training dogs I have the philosophy: "Use what they love - to love what they do" – and I train with purely positive methods.

My courses are fun and exciting, often so full of cheering and laughter that neighboring classes have a hard time concentrating - oops! As a judge, I am known for my fun and challenging courses that present many options to run, as well as try out your favourite snazzy handling moves.

I do recommend you tighten your shoelaces folks, before you enter my ring in October, and most of all, enjoy!

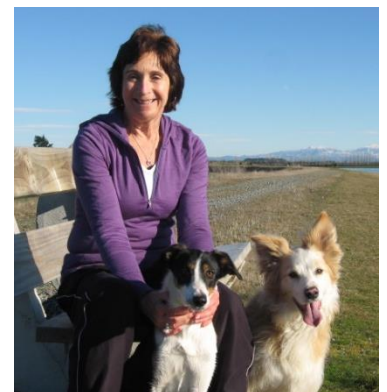

Bernadette Thompson – Ashburton

Good grief. I started judging agility in 1988 – thirty years ago! Longer than many handlers have actually been alive! Snow, sleet, driving rain, biting wind, scorching sun, hours spent designing courses, more hours spent driving to the shows. Two divorces later... Well, obviously this is one of the most exciting, rewarding and addictive sports ever.

Looking back, judging my first 'big' agility event was at the National Dog Show in the Kennel Club Centre in Porirua, where I was invited to judge some obedience tests and Starters Agility. This was back in the day when there were only two agility classes: Starters and Open. My fellow judge and I walked around the agility ring in dismay as we realised the courses we had painstakingly designed were never going to fit into our oddly-shaped ring. Serious tweaking was required! Another memory from this show was one competitor asking me to remove the long jump because she hadn't taught her dog how to do it yet. I also recall members of the public flocking to watch the agility. A sign of things to come!

Back in those days I was a proud German Shepherd owner, but soon came to realise that I was going to have to 'downgrade' if I was to have any success in agility. This came in the shape of a re-homed, child-biting, scruffy little Terrier X. Honey was 200% loyalty and dedication and became Ag.Gr.Ch, battling it out with Steve Tansey's Cassie (Ag.Gr.Ch) at many South Island shows.

Currently I compete with my Heading Dog, with varying degrees of success, am an instructor and committee member of the Mid Canterbury DTC, and cannot imagine a world without dog sport.

It is a great honour for me to be asked to judge at this year's NZDAC and a huge thank you goes to the organisers for all the work that has gone into this awesome nationals.

The Judges

Graeme Lawson – Rangiora

I would also like to welcome everyone to the 2018 Zone 3 NZDAC, and what an honour and a privilege to be part of the Judging team for this event.

I would also wish to acknowledge the time, hard work and energy the members of the organising team have put into preparing the NZDAC for us all to attend and compete at, so thankyou Carl, Kevin and your team.

For those that don't know me, I was introduced to Agility in 1986 with my first dog, a German Shepherd "Sam" and have been competing ever since.

The clubs, the popularity and the numbers competing have all grown massively since those early days. The sport itself has found its feet too and evolved, got so much faster, more technical and a lot more serious since those early days. Back then there were not so many shows and it was not uncommon to get on the road at 3.00am with 3 or 4 club mates and a trailer full of dogs and head for Dunedin for a one day show, head to the pub with most the competitors at the end of the day, then begin the 4 hour trek back home.

Dog Agility remains a sport and hobby I have so much passion for and I believe there is something in it for everybody, regardless of the level of competition, age, fitness level or type, size and breed of dog you choose to own and compete with.

I live in Rangiora, North Canterbury and own two Border Collies, Troy (aged 12 and retired 12 months ago) and Storm (aged 2)

I am a life member of the Waimakariri Dog Training Club, a very small Agility club based in rural North Canterbury at the Mandeville Sports Centre where I have been a long serving Committee member and the club Show Secretary.

Storm and I train at Waimak and she is getting up to speed in her Agility career in Starters, Novice and Jumpers C classes.

I have previously competed in Obedience and Trialling and showed German Shepherd Dogs in the Specialist Show Ring.

I came onto the Agility Judges panel in 1995 and have enjoyed every minute of that side of the sport and had the opportunity to meet some wonderful people and make some fantastic friendships along the way from all over the Country.

Away from Agility I work as a Policeman in Christchurch and Agility has given me the opportunity to associate with good and 'normal' people away from my work.

I am also involved with the organising and running of many of the Motor Sport Car Rallies in Canterbury and other parts of the South Island, and really love getting out into the Forests and back blocks during the winter months and the late nights in a workshop with mates getting Rally Cars ready to race.

I have a big Yamaha dirt bike which spends far too much time sitting in my garage these days, but any opportunity to go exploring and get it dirty is always fun.

So all the best and thumbs up from me, see you on the start line.

The Judges

Ron Frater – Levin

With DAC being at MANfeild it's clearly for MAN only, so no females allowed, sorry. Great for judging – there'll be hardly any entries! There's a Girlies Island in Fiordland – Zone 5 should hold the next DAC there to balance things out.

Seeing as it's blokes only, I suggest yous fellas don't enter anything and we use the money for Drinks and Chips ('cause that's still DAC). Keeping to theme, there'll be games – blackjack (cards supplied) and snooker (bring your own balls). As I'm anti processed meats, no playing "hide the sausage" thanks.

Contrary to my normal stance when judging, I'll be allowing crossovers, so if you weren't born a bloke but have since become a bloke you'll be welcome at MANfeild.

Now that we've sussed the format of the show, the boss-man wants me say a bit about myself. Well, I've been around this agility stuff for over 20 years, started judging in 2004, have judged at 39 different clubs and will judge my 500th class at DAC, so by now you probably either know me or know you don't want to know me. As Bilbo Baggins said "I don't know half of you half as well as I should like and I like less than half of you half as well as you deserve." Except he was a Hobbit, not a MAN, so doesn't really belong in this discussion. But he was from Lord of the Rings, which is what an agility judge is, so maybe he's OK. Except he put a ring on it, and that's the sub-title of Beyoncé's "Single Ladies" which definitely doesn't belong, so yeah, nah, Bilbo ain't the MAN.

Looking forward to the drinks, chips, cards and snooker (hopefully someone lets me play with their balls as I don't have any of my own).

Martin Bush – Whakatane

Hi all from the sunny Eastern Bay of Plenty, the weather here today (31 May) is just superb – here's hoping it will be similar in Feilding when NZDAC rolls around.

This is what I do on lots of weekends during the year:

I guess I'm pretty well known around the traps here and in some parts of Australia having been judging for just on 11 years now. Well known for courses, quirky sense of humour and strange dress code for some events 😊

...and being a poser?...say Tayghen, there's a camera over there, lets pose for a shot 😊

Coincidentally J Geils Band FreezeFrame is playing on the radio as I'm doing this profile.

But hey, if we can all have fun out there then the agility life is just great.

Really looking forward to this year's NZDAC, it's going to be quite different and I'm sure the organising committee have done a great job lining everything up and that the Zone 3 clubs will all pull it together nicely for a neat weekend.

Zone 3 NZDAC completes the full circle for me, this makes it all five zone events that I have judged at, something I've been quietly aiming to achieve 😊

I'm looking forward to catching up with lots of people that I haven't seen in a long time and even catching up with people that I have waved to or clapped at recently.

Safe travels everyone, both to the event and back home, bring on NZDAC!

The Judges

Meredith Evans – Christchurch

I'm very excited and honoured to be judging at NZDAC in Feilding this year. It's even more special to me because I grew up in Feilding and I haven't been back for over 20 years! I can't wait to drive around and check out my childhood hang-outs like the Square, Botanic Gardens, Makino Pool, and Timona Park. What a bonus to be judging inside this year too!

I've been on the Senior panel for three years and this will be only my fourth time judging in the North Island. While newish to judging, I've been involved in agility for ages, starting out around 2004 with a black handy dog called Cilla. I also managed to convince my partner Tim to do agility and he's had much more success than me with his border collies, first Lexie then Mouse. I currently run two working kelpies in Sen, Int, A/B and have a retired working kelpie called Mo Foe. My latest kelpie Spider certainly keeps me on my toes. One day I'd love to have a small dog like an Aussie terrier, but I suspect there are more working kelpies in my future too. Currently, my partner and I have four dogs between us, two cats, and a couple of young human boys.

I do the show secretary role for the best club in the South, Selwyn Dog Training Club, am on the club's agility subcommittee, and up till this year was taking all our club's foundation classes.

Good luck to everyone competing at NZDAC this year. I'm looking forward to seeing you all in the ring, from the nervous new handlers at their first 'DAC to the old hands showing their fantastic speed and skills. I hope to catch up with many old and new friends over a few 'adult' beverages after I've finished my judging as I'll be travelling "kid-free"! See you there!

Susan Tansey – Christchurch

I am very excited to judge at this year's NZDAC and praise the organising committee for trying something different with the use of an indoor venue. Now days I enjoy judging more than competing as I like to set challenges for all levels, that showcase the skills and relationships between dog and handler. At home, we have four dogs and my teenage daughters compete successfully in agility, obedience and rally. My teenage son competes successfully in Xbox :) Steve, my husband, judges and competes in agility as well. I have to admit I enjoy the weekends when we have nothing dog related on! Outside of weekends, I am a teacher who teaches the newest children (5 year olds) and I am passionate about my role transitioning them into school. Clutha, my oldest dog also comes to school to help as well. I have merged my two worlds now, chairing the Agility in Schools subcommittee for the DNZAC which I am enjoying also. I wish everyone the best of luck this weekend. Have fun and enjoy yourselves!

Zone 1

Lisa Berkers & Arlo

Hi I'm Arlo and my hooman is Lisa.

We haven't been competing for very long, but she is keen, and now we're in the team
Less than a year ago Lisa took me to agility training
What a dreamer, I reckoned, but then the tunnels beckoned
Three months of competing and a few ribbons later, I'm not trying to brag,
But I reckon I'm not doing too bad!
The pressure is on, I don't want to disappoint
Left, right, over... there's no room for posers!
Speed is the key for this little pup, c'mon Lisa, I hope you can keep up!

Julie McConkey & Gillie

My previous agility dogs have all been boys, and now there is a girl named Gillie!

After 19 years involvement in the sport of agility, Gillie is my first DAC team dog.

Gillie is a re-home, aged 2 years 7 months, who has well settled into our home, living alongside AgCh JCh Spark for just over a year. Gillie has even introduced Spark to rough and tumble play, and she goads him to run freely, because that is what she loves to do.

She's picked up this "game" of agility really fast – having her first ribbon trial elementary runs in March this year, her first Novice run at the beginning of June, and now she is the Zone 1 team Novice dog.

She has proven to be quite smart, with an "OK, I can do that" attitude. Gillie and I have really only just begun this amazing journey of teamwork together, and hoping to achieve every milestone we can.

I have competed in almost all of the DAC competitions over the years, and am really looking forward to the challenges of 2018.

Richard Scott & Bob

Hello I'm Bob, I'm one f**kin fast terrier
My handler is Richard, shame he's inferior
To be on the podium, I will try my best
Otherwise Richard will get depressed
Either way, we'll drink 'til we get merrier

Caitlin Frater & Geuse

Geuse is my name and agility is my game. At least that seems to be the name that my human calls me the most, although "Poodle", "Little Shit", and "Bad Dog" are other words that come out of her mouth directed at me.

Agility, well that is the thing my human and I do together. She seems to enjoy it a lot, and while I do most of the time, I would be quite happy to live life from the comfy lap of anyone, especially when food is provided and if there is wet stuff falling from the sky.

She keeps saying I'm not allowed to be broken at least until after NZDAC, because apparently I have a big job to do there. I don't really understand what it is exactly but I guess I better listen and be good so she doesn't get sad.

The human also keeps going on about these "Challenge" things and how I have 106 Jumpers Challenges and 76 Agility Challenges. I don't know what she's talking about though because getting out of bed is a challenge, so I think I should have a lot more of these things than that. People also call me a 'super poodle' so I must be a pretty good doggo.

Anyway, I better hop off her laptop before I get told off. I hope to see you all with food in hand and a lap for me to sit on; I promise I will be your best friend until a better best friend comes along.

Oh, and the human says something about a camera and photos? I hope she doesn't make you sit nicely for photos like she makes me do. I will cross my paws that she doesn't make you do it, and she only takes photos of you moving!

Zone 2

Heather and Boo

Heather McGrannachan & Boo

Hi there, my name is Heather McGrannachan (pronounced "ma grannagun") and I am old enough to do anything I want. I have lived all my life in the sunny Hawkes Bay on a life style block in bridge Pa. This is my first time with a team dog and am excited to represent Zone 2.

I have been in the Hawkes Bay club for about 18 years as instructor, committee member, and for the last 7 years Secretary. I started with a Carlanrig Border called Shelly doing Obedience. I got into agility with my second dog a Longroyd red Border named Pepper that would not sit still (and still doesn't at 12 yrs old), and the rest is history.

I have had Kelpies, Heading Dogs - some I have trained to work stock - some i have re-homed. At present I have a Lochmoah chocolate Border called Rosie (aka "no allegiance to mum whatsoever") that is competing at eight years old. I compete doing Obedience, Agility and Flygility. My youngest girl is called Boo (aka "Oob" or "Goober2"); she has a working stock line, is harder headed, an amazing nature, thinks about things and adjusts easily.

She is by far the easiest dog I have trained, I love running her and am looking forward to representing Zone 2 for Starters. PS: As you can see she is not amused with the photo shoot. See you there. Go Zone 2!!

Penny Bushell & Tank

Tank is his name, but most people know him as "Butters". He is a four year old Australian Cattle dog, born and raised in good old Gisborne (though he does have Australian blood lines, but we try not to hold it against him).

I have been in the agility game for over 10 years now but I class Tank as my first REAL agility dog. Koda was more into Obedience (stays were the best part) so learning everything the hard way with Koda it was a nice challenge to have a willing but soft dog. Anyone who knows the rest of my dogs understood why I didn't understand the soft vibes Tank started with, nothing makes me smile more when he gives me a little attitude in training or the ring. My whole agility life goal was just to get a title behind my dog's name; now we are going for more and more great things as we tick off our list.

It was such an amazing achievement for me to get into the Zone 2 Team, from a kid with a blue heeler who wanted to try it out - then I came back when I got Dakota for puppy class, and eventually bugged the club enough to let me start teaching myself agility. Our club has grown in numbers and I thank every single one of our club members who have been cheering me on this whole time.

Penny and Tank

Tank is such an amazing dog, he really is one in a million, and I can't wait to get in the ring again and just be in there running my dog and having fun.

Katrina Jefferies & Ernie

Hey everyone, I'm Kat and this is Ernie, we are super stoked to do the DAC together, and even better, to represent Zone 2. Ernie and I love doing agility together, but he also loves getting cows in and hanging out with us on the farm.

You could hear the paw beats pound
As they raced across the ground
And the clatter of the wheels
As they spun round and round
And he sprinted into Feilding
His badge upon his chest
His name was Ernie
And he was the fastest dog in the west

Tess Bayly & Shady

They say love changes everything – my love for agility has determined where I live, how I spend my time, my friends, my vehicle, and my bank balance ...

Hi from Tess and Shady Lady – get that the right way round -Tess is me, not the Shady Lady part. I retired from Auckland to the beautiful Waihi Beach simply because it was the best place I could find to live with my dogs.

Way back in 1993, before there were officially micro dogs, I discovered agility. Tala, my little West Highland White Terrier, achieved hundreds of clear rounds, one first place and ADX, despite struggling with the height, the long jump and the course time, but her greatest accomplishment was making me realise that if I wanted to be competitive I should get another dog (or two or three) more suited to the sport. Enter the first of my “designer mongrels” – Miniature Schnauzer/JRT cross Quinn – now AgGrCh The Mighty Little Quinn SNG JAG (retired). Quinn represented Zone One as Starters, and then Novice dog.

Staying with the same cross, Shady, and later Rio, joined the family. Rio is still very much a work in progress, entertaining onlookers as she races around the course squealing with excitement.

JCh Shady Lady ADX JAG is now six and the easiest dog to live with, but “stubborn as” when it comes to convincing her to do it my way.

What I most love about our sport is the wonderful diversity amongst dogs (all shapes, sizes and ages), and handlers (ditto), and so many ways to achieve - be it awards, titles, or that elusive clear round certificate. I also love getting to know so many talented, helpful people as we travel to shows around the country in “The Mini Manor”.

Lynn Pillette & Bella

My name is Bella and I am very proud to be representing Zone 3 as the Novice dog. This is our first time in a Zone team.

We live in Oakura, Taranaki and spend many hours walking on the beach.

My favourite interests are playing with pine cones on the beach, rounding up the stock (two lambs, cows and ducks in the paddock next door), flygility and agility.

Bella is my first agility dog and Feilding will be our second NZDAC.

Good Luck to everyone. Have FUN and GO ZONE 3!

Estelle & Dante

Estelle and Dante

5 years ago when I laid eyes on the little red puppy with the white spot on his neck, only a few hours old, I wasn't looking at getting a dog. But something in me said that pup was coming home with me in eight weeks time. That little puppy was Dante, and some would say it was fate we met that day.

Fast forward 5 years and wow what a five years it has been! My first dog, best puppy in obedience to my first agility dog, my first dog to win a ribbon, my first to get into Senior and Jumpers A. Recently we gained our first challenge, and here we are, our first time representing Zone 3!

As a newcomer to agility I am lucky to have such a loving and honest dog to learn with me, reminding me that at the end of the day it's all about getting out there and having fun with your dog.

Every time we go out there I am having fun with my best friend and I can't wait to get out there with him and represent Zone 3.

Sharleen Drummond & Spy

Sharleen and Spy

Hi, I'm Sharleen Drummond and I'm a member of the Wairarapa Dog Training Club. I have been doing agility for 16 years.

Spy is my 5th dog that I have trained for agility and she loves it. She always tries hard and gives it her all. Spy is a 4 year old heading dog.

This is our first time in the teams and I'm very excited to be representing Zone 3 as the Senior handler. Good luck to you all.

Zone 4

Sandra McHugh & Tui (aka Brat-a-Tui)

Two and a half years ago I received a fluff ball with big flying ears. After two flights to Christchurch, and upon claiming her from the cargo department, we heard a pup yelling it's head off. I said to my sister "Oh no, I hope that is not my pup because that one sounds like trouble" and of course she was. So, hurricane Tui joined our family.

Tui was one of those pups that screamed and yelled for weeks through the night but alas I could not ignore as the husband would say please shut that trouble up as I need sleep. So, I had to get up to toilet her and then time out in the back of my car, and wait for the yelling to stop, then back to her crate. Of course, it was winter!

Tui is a Canine Educator and a real character at my primary school. My class enjoy running her around and around the playground. The kids' favourite thing is to take turns to see how many kids she can jump over. I am so lucky, as I set up the Canine Educator programme at our school about 18 years ago. It is so lovely having dogs at work.

Tui seems to enjoy any dog sport we try. I suspect it is just the attention she likes. We dabble around with Obedience to gain some kind of control, also I have been teaching her to search for her toy around at my Mums so we can get some peace while having a cuppa. Another sport we do for exercise is Bike Joring, as she is small I team her up with an Irish Terrier in harness, and we run around the forest in the dark with the Dry Land Sledding Club. Hilarious fun except when they see a rabbit and try to charge off into the forest after it with my bike and I still attached.

Of course, Tui loves agility and poor me has to run faster. A few months ago, she was at the frustration stage and jumping up and yelling in my face to say "which way - hurry up". I had so many near face plants! Hopefully ironed that one out! Getting into the team I had to really knuckle down to get ready. Hopefully I will be fitter and not broken!

I have been coming to NDTA (and now called NZDAC) for so many moons now and loved them all. I so enjoy catching up with old friends and making new ones. Usually the people I travel with wonder where I have disappeared to - of course having a natter with someone. He he. Roll on NZDAC and fingers crossed for those clears rounds and to the rest I have after it!

Hawkeye

Catherine Snook & Hawkeye

Introducing Hawkeye - not be shortened to 'Hawky' - because he is too serious for that. He is aptly named "Schondara Sharp Shooter" after the handsome Avengers Archer due to his precision and speed. Hawkeye is my first, home bred, MALE, competitive Agility and Obedience Miniature Schnauzer. I am finding him very different from the girls and wonder if folks are right in saying that males take a while to mature – he is three years old and I am still waiting.

Hawkeye enjoys life in Brooklands where he has become the self-appointed watchdog plus bird and bike chaser. He is spoilt for choice for exercise – like a run on the beach, in the forest, or a blast along the lagoon walking tracks. We are proud to be representing Zone 4 and will give it our best shot as the Novice dog. GO ZONE 4.

Emma Trimble & Ritz

Hiya! I am so excited to be representing Zone 4 at NZDAC this year! I have been involved in dog agility my entire life. My parents have been competing since before I was born so there are some pretty old home videos of me following them around at shows, being annoying I'm sure! This is the first time I have made it into the InterZone team though, after many years of trying!

Ritz is very much a family dog. Having run for my brother, my dad, a few ring in handlers, some junior handlers and myself. She does not care who is running her, as long as she gets to do agility, she's happy. She is well known for ducking behind me to take the wrong obstacle if I lose eye contact with her for even a second so that definitely keeps me on my toes sometimes! But most of the time she is a pretty consistent and honest dog who I absolutely love competing with. Having being run by several family members, this meant that when she made agility and jumpers champ, several of us got soaked!

Ritz

Ritz was the Senior team dog for Zone 4 at the 2015 NZDAC, where she was running for my brother. She has plenty of experience running under pressure, it's me we've got to worry about here! I am really looking forward to being a part of this experience! Go Zone 4!!

Natasha and Jazz

Natasha Neame & Jazz

AGRCh JGRCh Jazz Push The Peanut. Hi, I'm Natasha, I live in little old Blenheim with my partner, 7 dogs and 2 cats. I've been competing in agility for pretty much all my adult life, and have represented our Zone a few times with my lovely Tricot.

This time it's my Border Collie Jazz's turn. Jazz came to me as a young dog, that we were only supposed to be looking after, and she ended up staying. She is known affectionately as The Peanut, she got her name from being overly enthusiastic to the point of overloading her peanut brain and losing the plot. Somehow we have pushed that peanut, and Jazz has achieved both Grand Champion titles. She is a crazy little dog, who loves nothing more than going fast! She is so much fun to run, I can never predict how it will turn out, it's "edge of your seat" all the way. We are excited to be representing our Zone as the Senior dog and will give it our all! Run hard or go home! Good luck to everyone!

Vicky Fox & Mycah

Vicky and Mycah

Hi I'm Vicky and I'm running my Mum and Dad's mini Schnauzer Mycah. Mycah started agility training with my Dad, and I started competing with him about two years ago.

This was after we sorted a few hiccups, as I had never trained a mini dog and they can do things my maxis can't. We've got things together now and Mycah enjoys running courses with me.

Good luck to all the Zone teams, especially Zone 5.

Brent Cowie & Thyme

Brent and Thyme

Hi, my name is Thyme I am a New Zealand Heading Dog and I live in Dunedin.

I am very new to competing in agility only having just turned 18 Months on the 9th July.

I live at home with two other agility dogs, Steph, and Spice who made the team in 2016 in the same spot. A huge thanks to all the trainers at Taieri who have given their time, advice and feedback. I hope that this is the start of a long and successful agility career.

We are both super privileged to be representing Zone 5 this year. Good luck to all the other teams.

Reece Smith & Risk

Reece and Risk

Risk is my seventh agility dog, and the second youngest of my current crew. 2018 NZDAC will be my fourth opportunity to proudly represent Zone 5.

When Risk came to Dunedin from Cambridge to live at eight weeks old, I didn't know what to expect. I've only had two other bitches before, and neither of them had much interest in agility, so taking on another girl was a big risk! (Hence her name 😊) but I didn't want to do the whole puppy thing wrong, and so she was the princess.

When she started out at Agility she was afraid of judges and jump stewards, and Agility was not her favourite thing – in fact at a Taieri Christmas show, I couldn't get her out of the truck as she was terrified of the costumes people had on. BUT I'm proud to say that once we found what really made her excited about Agility it was all on, and now she loves it!

I am super excited to give the InterZone another go this year, and good luck to everyone else.
GO ZONE 5

Richard Powley & Mello

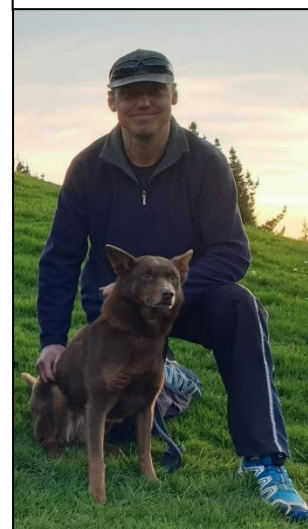

Hi, I'm Richard and this is Mello, she is an eight year old Australian Kelpie.

This is the second time Mello has made the team for the Zone 5. Mello has achieved a lot over the last year and constantly amazes me with what she can do.

We are honoured to be part of this awesome Zone 5 team.

Good luck to everyone competing in the team event. Go Zone 5!!!

Kate Pudney & Comet

Kate and Comet

This is the first time I have represented Zone team and I'm proud to be in the first ever Zone 6 JDT team. Comet and I are from Zone 1 and are a part of Waikato Agility Group. I have been doing agility for 6 years now and am in my second to last year in high school. Comet is my third dog I have trained for agility and by far the most successful! Comet is my first owned dog, the rest have been family dogs and neighbour's dogs. This is both Comet and my second time at NZDAC and we are hoping it goes a lot better than last year! I am looking forward to an awesome week and I wish everyone else the best of luck at NZDAC this year.

Lucy Tannahill & Cino

This year is my first time attending DAC let alone being in a team! I am so excited to be representing Zone 6 in Novice with Cino. I started training in agility at the age of eleven with my first dog Nugget, who is now teaching my dad how to run agility. I am currently in year 12 working toward completing NCEA level two. Cino on the other hand is an almost three year old border collie cross and is the first dog I have trained from a puppy. Cino's favourite pastimes are herding Nugget and anything that involves a tennis ball. He is quite literally obsessed and only has ears for the person with the ball.

Cino and I have been competing in agility for about a year now and have had a mixture of results. The definite highlight has been making this team and the trials were his most consistent weekend competing so far. So with a bit of luck he will run just as well at DAC.

Good luck to everyone competing at DAC, and may the best team win!

Jess Tansey & Rapid

Rapid and I are so excited to be part of the Zone 6 JDT team at this year's NZDAC. It is something I personally have been asking for, for many years now. I am incredibly grateful to the AC and anyone else who has allowed this to happen, and I can ensure you all, we won't let you down.

Last year Rapid and I represented Zone 4 as the Novice dog. This team was extremely successful as Rapid won her individual Novice team run, and then as a Zone, we won overall. But sorry Zone 4 this year's trophy belongs to the new Zone ;)

Rapid has really been a dream dog for me. Our highlight last year was becoming the Top Midi dog at NZDAC 2017. It was something I could only dream about with such a young dog. Rapid will be turning three at the end of October and has already exceeded my expectations of her. She has only had two clear rounds in senior but has made them both count towards challenges. She will hopefully be on her way to champ soon.

Rapid's favourite things to do are go on car rides with me and my car Maggie. But also LOVES piggyback rides. So, keep an eye out for us at NZDAC. I'll be the girl carrying the dog like a child :D

Good luck to everyone competing this year and I hope everyone does great. Especially all the JDT kids, Zone 6 hopes to do you all proud!

Jess and Rapid

Erin Ball & Mist

Mist and I are in the Zone 6 (JDT) InterZone team - we will be running the Senior course for 2018.

Mist

I am expecting lots of pressure on us and tons of excitement. Bring it on!!!

We were in the Zone 3 team last year which was a lot of fun. I am sure this year will be great too. I'm very glad I tried out for the team! The trials were lots of fun - abit different to last years trials though.

Mist has another title under her belt now as an Agility Grand Champion, and very close to her Jumpers Grand too. She's such an amazing dog and I'm so happy I get to share this experience with her.

I am looking forward to a great NZDAC run by Z3.

Good luck to everyone and may the contact line be in your favour.

See you all there!!

Perpetual Trophies

From 1999 to 2012 the NZDAC was known as the National Dog Training Assembly (NDTA) and prior to 1999 it was called the National Dog Obedience Assembly (NDOA).

The unique aspect of the NZDAC is the holding of FINALS for each grade of team competition. Agility finals started being held in Zone 3 in 2008 and in 2009 Jumpers finals were added as jumpers became an official class. From 2010 the winners of each height category have been recognised separately.
