Welcome!

On behalf of the Black Hawk® NZDAC 2019 Organising Committee, I am pleased to welcome you all to join us in Cromwell, the heart of beautiful Central Otago.

Zone 5 NZDAC 2019 is officially the largest Agility event ever held in the South Island and our committee has been working extremely hard to pull it all together. With all but one of the committee living over 3 hours drive away from the venue, this has been no easy task.

An event like this cannot be run without the support of our major sponsor, Black Hawk, and all our individual class sponsors and supporters. Many thanks to you all. Along with our 7 awesome New Zealand judges, I also extend a warm welcome to our UK judge Lee Gibson.

We are using a slightly different running order system this year which we hope will make organising your runs a lot easier and we ask that you respect our many volunteers who are there to help you.

One of my personal favourites is the Inter-zone Teams. This will start with some fun and friendly rivalry with a mascots race to get everyone into the spirit of the event. A chance to wear your zone colours and get behind your team!

I hope everyone has a fun and successful NZDAC and along with new friends and memories, you will all take the best dog home at the end of the event

CARL RANFORD Hawera

My passion for dogs came at a young age, from as long as I can remember I wanted a dog, my wish was granted at the age of 7 when we rescued an unruly golden lab. Our first experiences of having a dog in the family was mixed, "Bob" was a friendly dog but came with his fair share of issues, I don't think we were prepared for such a mischievous runaway dog. Even though he was a handful I enjoyed his company and I knew the desire to own and train a dog was a calling.

Fast forward to 2019 and I have now been involved in dog agility for over 20 years. Initially I joined and competed in dog Obedience in 1995 which lead me to Agility, where I fell in love with the fast pace sport. I joined the NZ Agility judges' panel in 2009, as I wanted to give back to the sport. I have judged or competed in many locations throughout New Zealand. I have also judged in Australia on several occasions.

My partner Catherine and I have 2 children, Kyra 9 and Corban 6, they come with us to most dog trials, both are members of JDT. Kyra has just gotten her first puppy a Blue Merle border collie, lucky! The kids enjoy training and competing. We currently have 6 border collies, with 3 of these actively competing.

It is an honour to be asked to judge at NZDAC, I would like to thank the committee for all their hard work, I know first-hand the preparation required to put on such an event. I would like to wish all competitors the best of luck and I hope that everyone has a truly enjoyable and successful time both in and out of the ring

DYSON BEASLEY Masterton

Firstly, I would like to say a big thank you to the Committee for inviting me to Judge. I take it as a privilege to be asked and I am looking forward to seeing some great runs by some of the best dogs and handlers in the country at all levels.

Me personally I have been in the dog world for almost 20 years now, doing Obedience and Agility over that time. I now only dedicate my time to Agility as a Handler and Trainer, I have been Judging for over 10 years now and still enjoy setting courses that allow dogs and handlers to run while creating lines that flow, I like my courses to be challenging but still very much achievable with options how to handle any one part.

We have 9 dogs at home, all of which are Border Collies but I have owned and trained a Papillion which was called Atom. Out of the 9 dogs we have 4 that are competing currently with me and my wife Paula. We live on a block of land in Masterton which we love.

I also spend a large amount of my time helping teach others with different areas of Agility which I really enjoy, I have held seminars throughout NZ and Australia which I always remind myself how lucky I am to be able to do something I love !!!

I would like to wish everybody the very best of luck over next few days, have fun and enjoy the time with your dogs and your friends and make a lot new friends along the way !! Thank you again for the Invite and I hope you enjoy my courses.

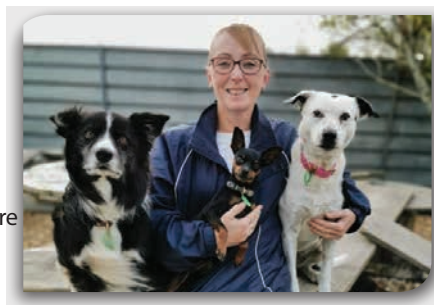

LIBBY ELLERY Feilding

Kia ora! I'm from the little town of Feilding in the Manawatu, New Zealand.

I got my first dog when I was 13 and we failed miserably at a domestic obedience class! Several years (and dogs) later I began competing in Obedience and Agility and fell in love with dog sports. I've been judging Agility approximately 25 years and have had the pleasure of judging all over NZ, once in Singapore and a few times in Australia.

I'm very excited to again have the opportunity of judging some fantastic dog and handler combinations at NZDAC 2019!

STEVE TANSEY Christchurch

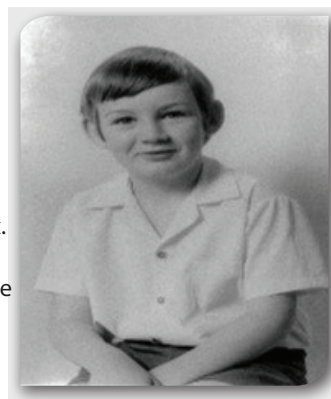

Have You Seen This Man?

The AC are currently asking for the public's help to locate Stephen James Tansey in relation to offences against the GJP (a highly secretive international group that has operatives in many countries and whose primary role is to hunt down & re-educate dinosaurs like Mr Tansey). He is said to be approx. 6'5" of muscular build with piercing blue eyes & long flowing blond hair oh wait ... that's Thor – never mind. Stephen is also known by several other aliases including Steve T, Stefan, Mr T, BY, Fridge & Aardvark. He has shown a blatant disregard for both conventional judging guidelines and timing deadlines. If seen he should be approached with caution as he is known to be often armed with a sharp sarcastic cutting tool resulting in serious confusion when asked a reasonable question and under no circumstances should he be goaded or dared when he is setting up a Champ of Champs course.

The AC believe he may have changed his appearance from the attached photo and may now look older, redder, taller, even more chubby & possibly with less hair on top of his head but more hair on his chin (so basically completely different).

Any assistance that leads to the capture of Mr Tansey (or at least getting his judges profile done before the Dog World goes to print) will be rewarded handsomely by the Z5DAC organising committee.

PS. Have fun with your dogs and don't forget to enjoy the moment. Good Luck to all.

FIONA HODGSON Hastings

Having been on the panel for 22 years I have judged at almost every club in NZ many times and at Nationals and NZDAC a fair few times as well. It has been and continues to be a fun ride. I was one of the first bunch of kiwis to go to the Aussie Nationals in 2007 and have since judged a few times on the "West Island".

I am looking forward to this year's NZDAC and am excited hearing all the work which is going into the preparation.

This year sees 31 years since I first made a trek away at Labour Weekend, and 30 years since agility was first "officially" run at the "NDOA" as it was then. How far we have come. NZDAC is now a celebration of all things agility in NZ which includes so many from different backgrounds and different goals.

I hope you enjoy my courses and I wish you all the best for your weekend. I know I am going to have the privilege of seeing some fabulous runs at all levels. There is nothing quite like having the "best seat in the house" at NZDAC.

Good luck to all.

CHRIS MOODY Wellington

Hi there, I'm Chris and I'll be one of your judges at NZDAC this year in Cromwell.

To say I'm excited for this role is an understatement, it will be AMAZING! This will be my first time attending a South Island DAC let alone the honour of judging there.

Well what can I say about me...? I have lived my life surrounded by family dogs and got involved with the local club, so naturally I wanted my own dog which led to getting my first dog back in 2003. Agility had always looked exciting so of course I had to get into the sport. 11 years later I got to become a judge and make some fun courses pushing competitors to perform at their best and I have never looked back.

This year, after some personal insight, I made the move to Wellington in order to study an I.T. degree. So far it's been a great experience studying down here with only a few more months to go. I'll be moving onto bigger and better things once the course finishes while making sure to take the time for the things I enjoy most, judging and competing with my boy Typhoon.

It's only a few months before the grand event so the Z5 committee are no doubt working hard to make this a great DAC for everyone in Cromwell. Looking forward to seeing you all there to judge the best owner and dog teams in the country. Time to get back onto structuring my courses so you all have an awesome experience. Hope you're all training hard for NZDAC 2019 and remember your dog is always proud of what you do with them in this sport!!

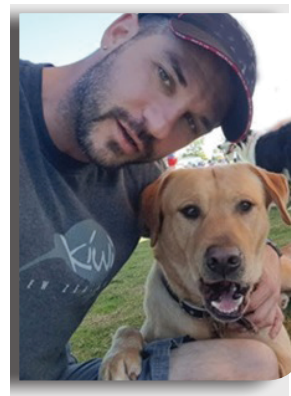

CHRIS RICHARDSON Auckland

My agility journey began with my big boof-head black lab 11 years ago... then I got the bug... another dog came along, followed by another and another and another...

After a couple of years competing, it was suggested to me that I should try my hand at judging, and always being up for something new, I figured why not. I have now been judging for almost 8 years, have worked my way up through the ranks to Senior Judge.

I have always deemed the judges who get to judge at national events to be the crème of the crop, so someone obviously thinks I fit that criteria now as well... or they were just scraping the bottom of barrel – either way, I am honoured that I have been asked to be a part of such a great event.

They asked me to provide a photo to go with my bio, so here it is... a photo of a handsome young man... and some ugly mug sitting next to him.

AD AND ADX CLASS

If you are faulted, you are welcome to continue your run but we ask that you refrain from excessive training in the ring. When you reach the Standard Course Time a buzzer will sound. Please leave the ring promptly via the exit when you hear the buzzer.

CHANGES OF HANDLER

Change of handler forms are available at the show secretary's office.
To ensure that your results are correct, please return this before the end of the height class that the dog ran in.

CLEAR ROUND CERTIFICATES

Unplaced clear round certificates will be available to collect from the show secretary's office after the class has finished. Unclaimed clear round certificates will not be posted out after the event.

CONTROL OF DOGS

Please ensure your dogs are kept on lead at all times unless competing or in the practice ring or exercise areas. When unattended, all dogs need to be securely contained in vehicles, trailers, crates, pens or tents. NO dogs are to be tied to the back of open vehicles, stakes, trailers or other items. Due to the publicity we have carried out we are expecting a lot of public to attend the event and we need to ensure the safety of both the public and your dogs.

You also need to ensure that your dogs have adequate ventilation and shade where they are contained. Please come prepared for this, as committee members will ask you to relocate any loose or tethered dogs.

COURSE WALKS

Each course walk will close ten minutes before the start of the class, so the first competitors have time to get their dogs ready and ring crew have time to get to their stations. Please leave the ring promptly when the end of course walking is announced. There will be no opportunity to walk the course after the class has started.

DISPUTES COMMITTEE

Should any disputes arise, a committee will be formed from three of – Fiona Hodgson, Sallie Remon, Roy Thondycraft & Reece Smith

ENTERING THE RING

Our lead runners will assist you to enter the ring at the appropriate time, and to take your lead from you once the previous dog has finished.

EXITING THE RING

Please exit the ring via the exit holding area only. All dogs must be on lead before leaving the holding area.

FRIDAY NIGHT FUNCTION

Thank you to Mt Maunganui Dog Training Club, who are sponsoring this year's function. Dinner will start at 7pm. You can collect your pre-ordered tickets with your welcome bag. Don't have a ticket? No worries, all registered NZDAC attendees are welcome to join us for dancing and the "Everything Gold" costume judging after 8:30pm. The function will be BYO.

JUDGES' BREAKS

Judges' breaks have been scheduled for each class on the running orders. It is up to each judge to decide whether and how long a break they need. Please keep a close eye on the ring if you are running soon after a scheduled break.

LIVE RESULTS

Live results will be available on dogagility.org.nz for all standard classes.

PARKING

The general day parking area for competitors is in the centre of the track. We need to limit the number of vehicles crossing each day to once in and once out for each vehicle, to minimise damage to the track before an upcoming race meeting. Access across the track to the competitor parking area will be available from 6.30am - 8.30am every morning and again from 4pm every afternoon. The gates will be shut at all other times and you won't be able to come in or out, other than in the case of a genuine emergency. There will be extra parking spaces available outside of the track for those who are planning to pop in and out. Thank you for respecting our venue.

PRIZEGIVING

Each classes prize winners will be called up to the front before the previous class is presented. If you have won a prize, please make sure that you are at the front and ready to accept your ribbon.

PRIZEGIVING LUCKY NUMBER DRAWS

There is a Black Hawk lucky number card in your welcome bag. There will be a lucky draw for spot prizes at each prizegiving, so don't lose it! You must have your card with you at prizegiving to claim your prize.

NZDAC 2019 Running Orders - **IMPORTANT PLEASE READ!**

We have changed the running order system slightly this year which we hope will make things a little easier for you to know when your dog will be running in each ring. Firstly, above your permanent number in the catalogue and on the call board, you will see your running order ie.

1	2	3
Q272	T235	T232
Paul/Tease	Sallie/Diva	Jake/Tempo

At the ringside you will see a flip board with numbers in 10s, this will be turned over as the call board steward is ready for the next group of 10 dogs to start assembling. There will be announcements to let you know what running

order each ring is calling up to, ie. Starters calling up to 60, Novice calling up to 40. If this is you and your running order is 45 in Novice but 58 in Starters, you know to go to the Starters ring first! You will also be able to see these flip boards from a fair distance away which will enable you to know where the class is up to without having to go to each ring and look.

There will be a call board at the ring for the call steward to check you in but there will also be another call board at the side of the ring if you have forgotten your running order and need to check.

When you arrive at the ring (as above you are running order 58 in Starters and they are calling up to 60), the call steward will check you in and ask you to enter the chute. There will be a minimum of 5 dogs in the chute at all times. DO NOT PANIC if running order 59 is in front of you and 52 is behind you, the call steward will take anyone in your group of 10 so that the ring keeps running. Once you have entered the chute, no one can change the order they run in, no one will be squeezed in front of you.

If your class has a scheduled break, this will happen at the end of a group of 10 dogs so no one is kept waiting around. If you need to move your dogs due to clashes, nothing has changed except you will just move to another group of 10 and come back when that group is called. However clashes are far less likely with this system. Please remember if you have multiple dogs in the same class, they MUST run in order.

When the dog before you is on the course, the lead runner will ask you to enter the ring at a point previously agreed by the judge. You may leave your lead on and give this to the lead runner in the ring if you wish to but you must be ready to start as soon as the previous dog has finished the course. Your number will have been taken by the two pad person and given to the scribe so there is no need to give your number to the scribe, just check the judge is ready and start.

Above all, please remember our ring parties and organising crew are all volunteers, we ask that you are polite and courteous at all times. If you have any issues, please speak to one of our ring managers or our show manager.

SCRATCHINGS

There is a scratching form available from the show secretary's office. If you want to scratch from a class which is already in progress, please advise the call steward as well.

Pukerau Boarding Kennels & Cattery

SPONSORED CLOTHING

We are very grateful for the generosity of our major sponsor Black Hawk. Their support of NZDAC has been very generous and that generosity will help us to put on the best event possible. Black Hawk have requested that competitors do not wear any clothing with dog food branding or logos, other than Black Hawk, in the ring or in photographs (including prizegiving). It is acceptable to wear other brands outside the ring.

TRAINING IN THE RING

You are welcome to finish your run after you are eliminated, but to help the show run to time we ask that you refrain from excessive training in the ring, e.g. repeating obstacles multiple times. Please leave the ring promptly via the exit if you hear a buzzer or if the judge asks you to.

WELCOME BAGS

Don't forget to stop by the Black Hawk marquee to collect your welcome bag. This is also where you can collect your merchandise (Friday 8am-9am) and dinner tickets.

NEW ZEALAND DOG AGILITY CHAMPS

| CROMWELL RACECOURSE

InterZone - Zone 1 Team

Anna & Keen - Starters

Registered Name: Keen for a Good Time

Pet Name: Keen

Breed: Heading Dog x Border Collie

No: T649 Age: 2.5 yrs Height: 541mm

I am Anna and Keen is the Zone One starters dog. Keen is a 2 ½ year old heading dog - border collie cross and is my 7th agility dog. She is the most challenging dog I have owned. I have run all sorts of breeds and every size out there. Most of my dogs have been acquired from the pound or rehomed and all have achieved getting to Senior and Jumpers A. My highest achievement is Jumpers Champion with my heading dog cross Chi who was retired after a catastrophic injury shortly after gaining her title. As well as running Keen at starter-novice and jumper C, I will be running Pitch, a 6-year-old Terrier cross, and Hustle, a 5-year-old Bichon cross, at intermediate-senior and Jumpers A. We can't wait to come and play in Cromwell.

Julie & Gillie - Novice

Registered Name: Travelling Gillbury ADXAB JD

Pet Name: Gillie Breed: NZ Heading Dog

No: S650 Age: 3yrs Height: 557mm

Last year Gillie became the Zone 1 novice dog, much to my surprise. I have been competing in agility since my first ribbon trial in 1999, and like most other people who compete, I am addicted to the sport. Gillie was my first ever Zone dog – a year has gone by and here we are again!

This year we had a go at the Zone trials because we have entered the NZDAC at Cromwell, we're travelling in the company of good friends, and we had booked our straight crossing – plans were already in place.

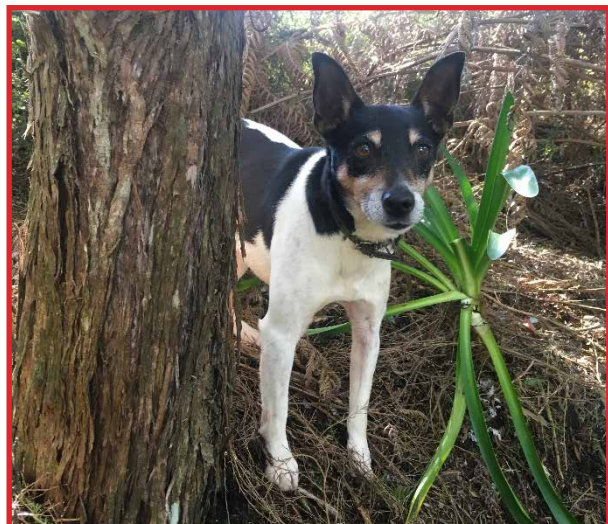

Gillie has left Starters events behind, we are running Novice/Intermediate at champ shows, and we have had a few runs now in Senior at Ribbon Trials. This dog has been so different from all my boy dogs that have gone before. Is it because she is a girl? She doesn't like to do things wrong, and still has that "I can do that" attitude that she arrived with. She loves having a job to do. For her that's "bliss"!! We walk at Kihikihi park morning and afternoon daily, and her philosophy is "why walk when you can run?", and so run she does – just for the sheer joy of it. It's great fun because Spark will run with her nearly as far as she goes, and she loves it even more if there are birds she can chase. I am really looking forward to a fun holiday in the South Island and being part of NZDAC at Cromwell.

Darren & Bob - Intermediate

Registered Name: Bob
Pet Name: Bob Breed: Fox Terrier
No: L132 Age: 8yr Height: 350mm

Me is Bob. Me is a merrier terrier. Dad's a bit slow, he's my biggest handicap. But we is a good team. If you see me sitting ringside, I'm watching Dad walk the course, so I know where it goes.. Also, I've learnt to read the numbers, so will you bloody judges stop putting numbers on the backside, cause they take me longer to find. I mean, you've got the best seat in the house to watch me hoon round, so be careful or I might bite your ankles.

Seesaws I hate because I have to stop and wait for it to go down and who the f**k wants to do that. Like Dads running after me huffing and puffing saying, 'wait wait wait', like yeah you need to lose a bit or at least add it to this seesaw to make it go down faster!

And you fluffy black and white dogs with legs that go all the way up, watch out here I come. I'm gonna try to beat ya and send you back home to your sheep, sheep shagger. I mean, you're on a hiding to nothing. If I beat ya, shame on you. Or if you beat me - well, so you should. After all, I'm only a "true" little dog! And you thought I was retired. Yeah Nah. I'm Bob. O for oarsome.

Hayley & Kruze - Senior

Registered Name: Zentwist Top Gun
Pet Name: Kruze Breed: Border Collie
No: S638 Age: 3 yrs Height: 540mm

Hi, my name is Hayley, and this is Kruze. I've been around agility ever since I was little and never looked back. I've trained three dogs up for agility and been successful with all of them.

This will be my third time representing zone 1 and with the third different dog. Kruze is meant to be my dad's dog but now gets shared throughout the family. I haven't done agility much in the past year

as I have been focusing on my job but quickly jumped at the opportunity to take Kruze to NZDAC. Kruze has only just turned 3 years old and hasn't been in senior for long, so it is very cool to be the senior team dog this year.

Good luck everyone!!

InterZone - Zone 2 Team

Kelly & Fern - Starters

Registered Name: Dreamstone High Voltage

Pet Name: Fern Breed: NZ Heading Dog

No: T672 Age: 23mths Height: 552mm

Hi there, my name is Fern AKA "Pants" & my going out name is "Dreamstone High Voltage" (dunno why I need one of them - weird eh?). Mum tells me I am a NZ Heading Dog & I think she's right cos I really, really like staring at cows & sheep to make them move.....almost as much as I like agility!!! I am 23 months old & had my first agility comp in August this year. I live on a kiwifruit orchard with the rest of my pack – 6 dogs, 4 cows & my other human, Shane. We are also real proud to be members of the most awesome & supportive Mt Manganui Dog Training Club. Mum seems to know lots of stuff about dog behaviour, vet nursing stuff & animal nutrition cos she says those were her jobs before the orchard, but by crikey she has lots to learn yet about agility (talk about 2 left feet....)!! She says she's an addict though so I guess she'll just keep learning to get her fix – I hope so cos then I can steer her better. We are real proud to be team members for Zone 2 & will do our best to make our zone proud. We're looking forward to the whole experience & wish every dog & handler team competing this weekend the most fun that they can have together cos that's what it's all about.

Dee & Ruby - Novice

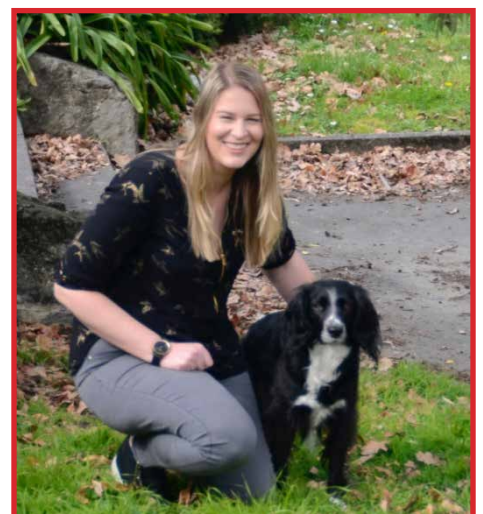

Registered Name: Rangeview Red Hot Ruby

Pet Name: Ruby

Hai, my name is Ruby-doo and my mummas name is Denise (Dee). Iamz a Springer x Border. Mum got me thinking I waz a spaniel, but I likes to whizz around like a collie! I was bred by my Nana Kelly who is in my team too, she gave me to my mum when I was 6 months old! I likez cozy nights by the fire, long walks at the park and this 'gility game! I am also pretty choice at scent work and Flygility. This is our first everr time in the South Island so we a sooper excited for the adventure 2 come! Watch owt other zones, cus Ferny, Eddgey, F8 and me are a prettie cool team!

Sue & Edge - Intermediate

Registered Name: Illawarra Legend
Pet Name: Edge/Wedge
Breed: Australian working Kelpie
No: R616 Age: 4yr Height: 573mm

Hi, my name is Sue Whitwell aka Auntie Sue. I live in the sunny Bay of Plenty and work as centre manager for the SPCA in Whakatane. I have been addicted to agility for the last 7ish years. It all began because I had the notion that I need to do something else with my then first dog Wallace, the miniature schnauzer. Off we went to EBOPDOC for some Obedience

training- we were bad at that! So, thought we would try agility instead. That is how it all began. I would like to thank the very tolerant and patience members at EBOPDOC for their encouragement and knowledge.

For me, agility is not just about competing, it is also about traveling with my dogs, camping, meeting and hanging out with people with whom you have a lot in common. Agility folk I have found are a very caring community and to be part of that is special. Edge is my second dog and being a strong eye heading dog, he did not come without issues. But he is the most exciting dog to run. He is strong, fast, athletic and very clever. He is also a big pink marshmallow that loves to roll round on the floor with puppies or snuggle on the couch. My heart dog. I feel blessed that he is a part of my life. I am a bit blown away to be honest, with making the Zone 2 Team, Edge and I will give it our best shot Wish us luck!

Karen & Fate - Senior

Registered Name: Fatal Attraction at Mordor
Pet Name: Fate Breed: Border Collie
No: Q257 Age: 4yr - 10mths Height: 462mm

Hi, Fate and I are the Senior team representing Zone 2 this year.

Owning, training and most of all loving Fate has been a life changing experience for me. She is the ultimate team mate and boy does she keep me on my toes! Fate was bred by Dyson and Paula Beasley and she will turn 5 at the end of this year. She has been one of the best decisions I ever made! This will be Fate's second time representing Zone 2 and my third. We will do our very best to run clean and fast on the day but regardless of what happens I know I'm bringing home the best little girl. I wish my fellow competitors the best of luck, safe travels and a very enjoyable NZDAC.

InterZone - Zone 3 Team

Lynda & Byrne - Starters

Registered Name: Magic Rain Byrnes Brightly FDX
Pet Name: Bryne Breed: Border Collie/heading dog
No: S664 Age: 3yr Height: 556mm

My interest in agility started in 2008 when Kevin Burnette competed with my dog that I had taken to training with the Feilding DTC. Several years later, and post hip replacement surgery, I started competing in agility and flygility myself.

This will be my second DAC competing in agility, and first time as a member of a Zone Agility Team. Last year I was a member of the winning Flygility Team.

Byrne, a Border Collie/Heading Dog cross and I are very proud to be representing Zone 3 as the Starters Dog. Byrne will be celebrating his third birthday on the Saturday of DAC.

Michalla & Chaos - Novice

Registered Name: Taramont Chase N Chaos
Pet Name: Chaos Breed: Rough Collie
No: P267 Age: 6yr Height: 513mm

Chaos by name and Chaos by nature at times...but as I add to my agility CV, I think I'm on the road to success! Competing against my very talented mother, it is starting to look like I've inherited everything - plus a little bit more in the drive and speed department. Not your typical Rough Collies! My human mum Michalla has 15 years' experience in agility and obedience competing, but I'm her first DAC dog...and it's turning out to be just a little bit exciting! Neither of us have ever been to the South Island before, so we can't wait to compete for the Zone 3 Team. Not waiting ... yes that can be an issue for me ...

The best things in life are speed, barking while doing agility at speed, and barking at my Mum. Happy barking, of course!! See you there with barking bells on!

Erin & Mist - Intermediate

Registered Name: AgGrCh JGrCh Ohutu
Mist Dazzle Mist Dazzle Me ADXG SNX
JAB GDX RN

Pet Name: Mist Breed: Border Collie
No: J650 Age: 10yr Height: 530mm

At a sweet age of 10years old Mist has made it into an Inter Zone Team three years in a row. Mist is my 3rd dog I trained for agility. The journey started off going very fast with her upgrading very quickly. Then things came to a standstill for a couple of years. After lots of help from some very special people along the way we have achieved some amazing milestones.

Jumpers and Agility Grand Champion, Flygility Champion, Top 600 Dog at NZDAC for 2 years in a row, and many Top Dog awards from shows. To say Mist is amazing is an understatement. She is so special to many people, the perfect example of a "once in a lifetime" dog. She is known as "Slippers" by my fellow teammates. Whether that's a good thing or not well we'll all find out at NZDAC when I run Miss Slippers. Good luck everyone running at NZDAC.

InterZone - Zone 4 Team

Edward & Pace - Starters

Registered Name: Greymatter Lightning Pace
Pet Name: Pace Breed: Weimaraner
No: S657 Age: 3yr Height: 592mm

Pace and Ed live with their family of mum; Rachael, three children; Clark, Quinn and Avery and four other Weimaraner's in Rakaia. At home, Pace enjoys running amok on the lifestyle block and sneaking into the bedroom at night to sleep on top of Ed.

In agility she has the greatest fun and loves every bit of it, except those bits where Ed screws up which is SOOO frustrating. This is our first time representing for a zone and we are very proud to do so!

Shelley & Sonic - Novice

Registered Name: Haulton Sonic Reaction
Pet Name: Sonic Breed: Border Collie
No: Q221 Age: 5yr Height: 498mm

Sonic and I have been playing at this agility game for about 3 years now. While he's not my first agility dog, he's defiantly the first dog I got specifically to compete with.

Something has clicked and we had more clear rounds at Zone trials than we have ever had, so here we are!

I'm extremely proud of the hedgehog and forever grateful to Paul and Kylie Needham for entrusting me with this crazy kid.

Darren & Zuki - Intermediate

Registered Name: Backbeach JCoppins Zuki
Pet Name: Zuki Breed: Border Collie
No: M276 Age: 7yr Height: 466mm

Zuki and I are proud to be representing Zone 4 as the Intermediate dog. Zuki and I have previously travelled to the Australian Nationals, this was an amazing experience and being in the Zone team has been on my bucket list since then.

Zuki is my first "own" border collie and has been everything I ever wanted and more. Together we have a blast and you will hear me yell Zu Zu Zu !!! as I try to get around the course clear.

I wish everyone the best of luck for Dac 19 and the Zone competition. The Time for talking has gone so let's get it ON

Kathryn & Viper - Senior

Registered Name:
AG CH Schondara Black Viper Strikes
Pet Name: Viper Breed: Miniature schnauzer
No: K111 Age: 9yr Height: 340mm

After breed showing my miniature schnauzers for over 20 years, I finally saw the light and exchanged my slicker brush and fine suit for a tug toy and running shoes. It's now been 13 years since I was bitten by the 'agility bug' and the rest is history.

'Viper' Schondara Black Viper Strikes is my second home-breed agility Grand Champion and we have been competing together for 7 years. She was chosen for her outstanding drive, intelligence and willingness to please.

At an agility competition Viper metamorphoses from a quiet couch potato to a side-line barker encouraging competing dogs to go faster. She puts her heart and soul into every run, and I thrive on our shared trust and connection on the course. Viper is very affectionate, loves everyone and doesn't mind who she kisses! She enjoys life in Brooklands where she has become the self-appointed rabbit hunter. She is spoilt for exercise choice – forage in the forest, blat on the beach or a hoon around the lagoon.

We are proud to be representing Zone 4 and together we will give it our best shot.

Melissa & Ollie - Starters

Registered Name: Thornvale Illidan Scout
Pet Name: Ollie Breed: Border Collie
No: Q239 Age: 5yr Height: 510mm

Five years ago, we picked up a wee black and white boy from Oamaru, our first pet dog and after a list of names finally decided on Ollie – the Border Collie. Ollie was the first born, a quick learner and eager to please! I started obedience foundation classes with Ollie, at this stage I didn't know about agility but couldn't help noticing a class on the other side of the arena. With the encouragement from the

obedience trainer, I started the agility foundation class and Ollie loved it. We didn't find Ollie for agility, we found agility for Ollie and after our first competition in Timaru we were hooked! Ollie is my first agility dog, we have been competing for three and a half years and have had our ups and downs, struggles and achievements, but with perseverance and appreciated help amongst the Zone 5 community our journey is paying off!

Anne & Summer - Novice

Registered Name: Summer
Pet Name: Summer Breed: Heading Dog
No: T605 Age: 2yr Height: 552mm

Hi, I am Anne Morrissey, and this is my dog Summer. We are thrilled to be representing Zone 5 in Novice. I have been doing agility for about 12 years with Summer being my 4th agility dog. I came down from the North Island 5 years ago and joined the Taieri club with my 2 dogs Caspar and Boy. Summer joined our family 2 and half years ago and just loves agility with a smile on her face all-round the course. She also loves doing Flygility when we get a chance. Looking forward to NZDAC and catching up with our North Island agility friends and wish everyone good luck.

Reece & Risk - Intermediate

Registered Name: AgCh -JCh -Haulton at the Risk of CAOS ADX JDX FDX

Pet Name: Risk Breed: Border Collie

No: R219 Age: 4yr Height: 478mm

I'm proud to introduce Risk again this year, proudly representing Zone 5 as the intermediate dog for the 2nd year in a row!

We're both a year older but I don't know about wiser! But this year Risk is sporting a few more special letters in front of her name these days. Even though she's probably one of the most stubborn dogs on the team, she's still great fun to run every weekend, and we're both super excited to go against all the other zones at NZDAC 2019!

Go ZONE 5!

Paddy & Banjo - Senior

Registered Name: Banjo Pat-Me-Some

Pet Name: Banjo Breed: Heading Dog

No: M654 Age: 6yr Height: 594mm

Hi, I'm Paddy Ashley and I moved to the town of Riverton four years ago from the Waikato just after we competed at the Tokoroa NZDAC.

Banjo is an awesome dog, and is also known as Banjo Bark A lot, as he woofs his way around the course. Someone once said that they hadn't seen Banjo run, they were told that he hadn't run yet, and not to worry as you will hear him before you see him.

Banjo also is a poser, as soon as he sees a camera or a phone, he will sit and look pretty. He has a huge personality and will work and play at agility all day if he is allowed to.

Jake & Tempo - Starters

Registered Name: Ticotonic Turn Up The Tempo
Pet Name: Tempo Breed: Border Collie
No: T232 Age: 2yr Height: 442mm

Lads and ladesses, Old and Young, I am Jake Remon and my sidekicks called Tempo and we are your 'Starters' partnership for the reigning champions, the JDT team, this year. I have to pass on the blame of our rebellious traits onto my mum because as well as breeding Tempo, she also bred me. This is our second time being a team dog as we were the 'Beginners' team dog at NDOA earlier this year. As the starters team dog at NZDAC 2019 in our home zone, Tempo and I are set to make a great start for the mighty Junior Team. Tempo and I spend

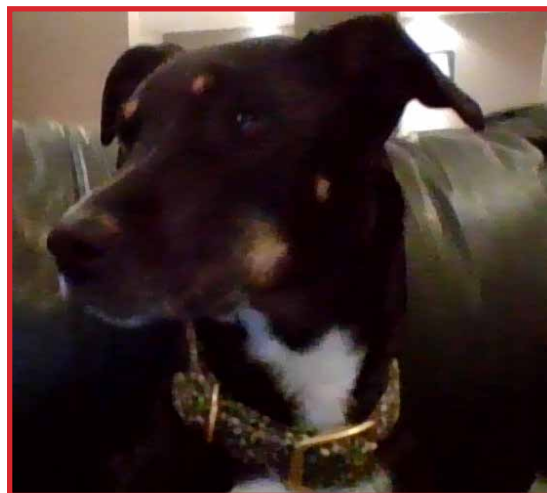

most of our days on the mountain bike trails riding, running and avoiding trees (most of the time) whilst loving every second of it. In my spare time I train Tempo in Agility and Obedience and dabble in an educational system, called NCEA. Cheers to everyone who puts up with me and trains me (and Tempo), my parents and additionally Reading Cinemas Dunedin for funding my expensive hobbies. Good luck to the rest of the competitors this year and remember your dogs never stuff up, it's always YOUR fault. To finish this off, for all you folks dying to know the secret of how to stay young ...It's simple, Just lie about your age.

Jacob & Coco - Novice

Registered Name: Coco
Pet Name: Coco Breed: Crossbreed
No: P703 Age: 6yr Height: 552mm

I have no idea what to write. We got Coco when I was 8 years old and she was 14 weeks old. I decided I wanted to train her and now we're in the JDT/zone 6 team. She is my first agility dog. I also have an insane heading dog competing at DAC. He's the one who must be told 16 times to wait on the start line. Coco is much more obedient (sometimes). We are from Queenstown. To avoid confusion, I am Jake2. Jake1 is also in the zone 6 team with his awesome starters dog. (The Jake numbering system is based on age, not height).

I really hope Coco and I can help zone 6 retain the trophy this year.

Lauren & Faze - Intermediate

Registered Name: It's just a Faze
Pet Name: Faze Breed: Heading Dog
Permanent: Q305 Age: 4yr Height: 510mm

Hi, I'm Lauren and this is my dog Faze. She is a 4-year-old Heading dog. I first started agility competitively when I joined Kaipara Dog Training Club at 11, with my micro dog Miley. After a few years of competing with her I was hooked. I was lucky enough to be offered Faze as my next dog. And I simply could not resist. I am very proud and nervous to be in the Zone 6 team and I will do my best. Good luck to all the other teams.

Jess & Rapid - Senior

Registered Name: Tevra Ride the Rapids
Pet Name: Rapid Breed: Border x Huskie
No: R278 Age: 3yr Height: 460mm

Another year, another bio. Rapid and I have been fortunate enough to be in the zone teams' event three years running. Her first year of competing we were in the winning Zone 4 team as the Novice dog. Last year we were lucky enough to be the intermediate dog for the winning zone 6 team. This year will be our hardest challenge yet, with Rapid and I gaining the Senior spot for zone 6. Rapid has only been in Senior for the past 8 months so we don't quite have the hang of it yet, but we shall see how it goes. If zone 6 can win again (which I have no doubt in my mind we will) then Rapid and I can go into the record books for her being in the winning zone team three years running. Hopefully, with at least 5 more Dacs to come, I'll be able to knock the other two off the trophy book haha.

A lot of people asked me what zone I'd be trialling for this year and I did honestly think about it hard! But with this being my last year eligible for JDT I really wanted to give back to the community that has gotten me here in the first place. Without all the camps and training support I could never have made myself into the handler I am today. There are too many names to thank but they all know who they are! So, I hope Rapid and I can keep our cool and help zone 6 to their 2nd win! Making it 2/0. For people who don't know me, I am the girl whose main skill and technique is screaming my dog's name in last-minute circumstances. You can see Rapid riding on my shoulders around the grounds and some of you might just recognise my last name on the judge's list. (I am not responsible for anything this man says or does by the way) But the important thing is as always, have fun, get your wins and go hard! Rapid and I will see you all in Cromwell GO ZONE 6!!!

Finals & Top Dog

The winner of each heat will automatically qualify for the finals. Additional dogs will qualify from the placegetters based on this points system:

2nd = 9 points, 3rd = 5 points, 4th = 3 points, 5th = 1 point

There will be at least 25 dogs in each final. The minimum number of qualifying dogs for each height is shown below. If multiple dogs are tied on the lowest score that would qualify for the final, all of these dogs will qualify.
