TOKOROA NZDAC 2015

The New Zealand Dog Agility Championship was a Zone Two competition this year.

Zone Two selected Tokoroa for the Championship venue which had over 40 acres of grounds made available to us for the entire weekend.

Statistically this year's agility championship was an expected record breaker with over 560 dogs entered, 340 registered handlers and more than 4000 individual entries.

We put a lot of thought into how we were going to manage these numbers and came up with some ideas that worked well throughout the weekend:

We had 12 rings in total full of agility equipment - 7 competition rings – set up to run the same class in each ring each day, 1 practise ring and 4 more competition rings – set up to run our special events at the late afternoon – Champion on Champions, Finals, Zone Team events

Each Zone 2 club ran a ring for the weekend and local Tokoroa community clubs were hired to help with running leads and jump stewarding.

We had lots of room around all of the rings and a large group of stalls with some fantastic dog equipment.

The evening functions were all at the grounds, so once you came in the front gate you were set to stay for the entire weekend.

We were also lucky enough to have the reps from our Major Sponsors Eukanuba with us for the entire weekend and the NZKC executives Clyde Rogers (President), Steve Meredith and Maree Mckenzie so many thanks to them for taking the time to be with us.

The weekend was spent meeting a lot of new people, putting names to "overseas" faces and running our dogs with a passion that agility deserves. It really is an event that brings out that extra something special in all of us as agility handlers.

The Zone Teams event held on the Saturday night was won by a deserving Zone 3 after an outstanding performance. Well done to you Zone 3. Maybe next year we will get this trophy from you!

Finals events were also watched closely by competitors. There is a great atmosphere at these Finals events with everyone watching these top performing dogs from the weekend go head to head against each other to find the top dog for each class. Gripping stuff!

If you haven't been to an NZKC National Event before you are missing out! Start planning and saving to get to one in 2016. You won't regret it.
